## STRAIGHT SHOT FROM THE PRESIDENT

Hello Everyone,

Boy, has this been a cold spring! We tried to host the Archery Merit Badge at the Range last Saturday and had to surrender to the weather. We will try again next month. Frank will make the plans and I hope we can get some extra Archers up for the event. If anyone is interested in helping out with the archery merit badges, preferably experienced archers, we really would appreciate it. Just contact Frank Alessio or myself.

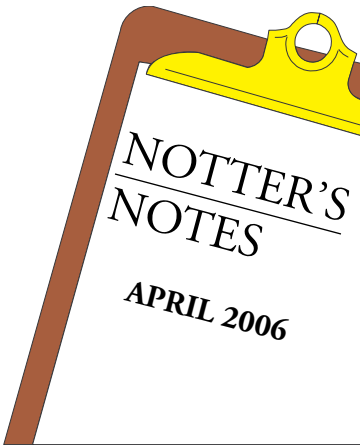

Jeff Hawks and Warren Hill plan on doing a lot of tractor work at the range to clean up the different shooting areas. Please cooperate with them when they are out there with the tractors. I know we have the range open for casual shooters during the week but you can help us out if you coordinate your time at the range with the enormous amount of work that has to be done. Jeff and Warren have volunteered to perform many tasks. To mention a few, we will reinforce the back of the pistol range with most of the excess soil washed up on the property. Their goal is to get rid of all the excess dirt and put it into good use. We also want to fill in the area where the Combat and Cowboy Action Shoots hold their events. We need to repair the bank where we recently mined the lead.

We are working quite diligently to create a casual trap for the people who want to come out during the week and practice. We are purchasing a machine that members can use but we need to build a shelter to protect it. If you want to help out with this, please contact Bill Savage or Raymond Hug.

The board is also pursuing getting better rest accommodations for the range. We have several options proposed, (thanks to Raymond Hug) and we will consider the best option that is cost effective and meets our needs. The present situation is just not acceptable for large gatherings.

Finally, I have several Boy Scouts eager to work on their Eagle projects. We can get a lot of work done very efficiently and cost effective. I will keep you posted on these.

*Denny*

### **DON'T MISS THE FNRA BANQUET ON APRIL 29**

The annual Friends of NRA banquet is April 29 at the Town & Country in Hotel Circle. The funds raised are utilized to upgrade shooting programs and facilities.

The cost of dinner is

\$45/person. You may obtain tickets at Duncan's Gunworks or by contacting Frank Alessio (760-743-8718).

### **WOMAN ON TARGET, APRIL 30**

It is not too late to sign up to shoot. Coaches are badly needed! Call Jessica Migdal (760-415-1956) or Linda Linaker (760-749-6574) to sign up to shoot or to volunteer as a coach. This NRA sponsored program is for the first time woman shooter and will concentrate on pistol and shotgun.

### **NRA REPRESENTATIVE WILL SPEAK AT APRIL 13 MEETING**

This is your opportunity to meet our new NRA rep, Lissa Lee. She will give a short talk and then will be available for your questions. Attend the meeting and find out from Lissa what the NRA is doing.

### **VOTE APRIL 11!**

A special election will be held on April 11 to pick someone to complete the unfinished Congressional term vacated by the resignation of Randy Cunningham. It is important to vote, as the winner will most likely be the leading candidate for the next election.

### **ANNUAL EF&GA BAR-B-Q IS MAY 21**

This is a great event with great food and raffle prizes. Jeff Hawks will be preparing the food this year. In addition to the table full of raffle prizes, there will be games for the kids & shooting events for the adults. Buy your tickets at the monthly meetings or use the order form at page 9 of this

bulletin. Remember, buy your tickets before May 1<sup>st</sup> and save.

### **RIFLE RAFFLE**

The first prize is a RUGER 10/22. The grand prize is an American Western Arms Lightning pump rifle (carbine) in .45 Colt. This is a faithful copy of the Colt Lighting rifle. The Colt and its clones is a popular rifle with Cowboy Action Shooters. Tickets are \$1. Buy tickets at the monthly meetings or utilize the order form on page 9 of the bulletin.

### **BRUCE RUFF, CANDIDATE FOR SD COUNTY SHERIFF TO SPEAK AT APRIL MEETING**

Bruce Ruff is a twenty-nine year law enforcement veteran with twenty-three years as a Sheriff's Deputy. He states that he will issue more CCW permits than the current Sheriff. He says that he will cut response time, be tough on gangs and border issues. This is your chance to hear him speak and ask him questions.

### **DOVE WARM UP IN AUGUST**

Again this year EF&GA is planning on offering Trap Shooting (practice) so that Dove Hunters can "tune up" for the Dove season.

### **JUNIOR PISTOL SHOOT ON THE FIRST SATURDAY**

There will be a Junior Pistol shoot on April 2. If you are interested in participating, call Ren Everett (760-432-2089) or Frank Alessio (760-743-8718).

### **DON'T FORGET TO ATTEND THE COACHING CLASS**

Frank Alessio will conduct a class on how to coach for the junior shoots on April 2. The class will start at 1PM. Anyone interested in Coaching is invited. Coaches are needed for the junior program. Without coaches, the junior shoots cannot be held.

### **THANKS FOR DONATING TO THE MARCH RAFFLE**

A big thank you to the donors at the General meeting to: Cal Customs, Leonard Hodges, Warren & Edie Hill, Ben Holm, Jack Barnhart, Don Pyle, K. L. Notter, Chester Nowicki, Jim Walker, Rod Shackelford, Ro Rozinka, Wayne Palmer, Ira Bryant, Jeff Hawks, Ed Migdal, and M. R. Buyer.

Harvey Throop won the \$25 attendance prize at the March meeting and donated it to the junior program.

Dennis Fragazi of Escondido was called for the \$100 attendance prize, but he wasn't present.

### **IMPROVE YOUR DEFENSIVE PISTOL SKILLS**

Come on out to the IDPA Monthly Match. It is the 4th Saturday every month. Sign up is 8:00 a.m. and the match starts soon after. Show up about 7:00 a.m. and help set up the match. We have a lot of fun!

Defensive Pistol matches typically require the use of a service type pistol or revolver of 9mm / .38 special or larger caliber. Shooters competing in Defensive Pistol events use practical handguns and holsters that are suitable for self-defense use. No "competition only" equipment is permitted, since the goal is to test the skill and ability of and individual, not his or her equipment or gamesmanship.

We set up 4 or 5 stages, where you could be shooting around barricades or barrels, shooting while moving, shooting targets that are moving and engaging multiple targets. Stages are limited to 18 rounds of ammunition; a minimum of 150 rounds of ammo is needed.

By RAY & NEIL

In keeping with this year's theme, "get involved", let's talk about being a Range Master. Getting involved as a volunteer Range Master is an easy way to give a little back to the Association, in the form of time. Just a few hours a month is all you need to give. "Ray, Neil, what would I have to do?" you ask. As a Range Master you are responsible for the safety and well being of everyone at the range during your duty time as well as maintaining a safe environment around the Association property. Basically you would be in charge of seeing that the ranges were well kept. Brass swept up, trash in the proper receptacles, etc. You would see to it that all participants, whether shooting or not, were wearing proper eye and ear protection. Shooters should be adhering to all of the Association range rules as well as the Administrative rules. Members and guests alike would all be signed in on the proper sheets. All participants would have a clear understanding of what was expected of them in terms of safety habits as well as personal habits. Should an incident occur, the Range Master would gather all of the pertinent information, write and submit an incident report to the Chief Range Master.

Range Masters are the eyes and ears of the Association during range hours. You would have a great deal of responsibility and as with all responsible positions, a certain degree of power. The Range Master on duty always has the final say during any questionable act(s) on the Association properties.

So, if this sounds like something you would like to get involved with, here's all you have to do. Go to the trap Ramada first aid box and open it using the same number as the gate combination. Inside you will find copies of the Range Master Monthly Schedules. Each book is for a different month so be sure which one you are holding in your hands. Now, (and this is the fun part), turn to the page that has the date you would like to volunteer and write your name in the space provided, either A.M. or P.M. Wow, you've done it, you are "involved". All you have to do now is show up on that date, at that time, wearing your red shirt and cap and go out there and make sure all is safe and well for anyone who wishes to utilize our wonderful facility.

Range Masters: Please remember we are now sporting a new blue membership card. Range Masters will be checking all property users over the next couple of weeks to ensure that they have their current blue membership cards with them each time they are at the range.

Members: Please remember to have your new current blue membership card and proper I.D. The Range Masters will check these items and anyone attempting to use the Association facilities without these items in their possession will be asked to leave. A parent/guardian of a junior member attempting to utilize the range without the junior member present, will be asked to leave.

The giving of the gate combination to a non-member is strictly forbidden. Members who are found to be doing this can have their membership revoked by the Board of Directors. Also, please remember to always return the gate locks to 0000.

This month's Range Master of the Month is Francis Alessio. Frank is a successful business owner, a certified NRA Chief Range Safety Officer, NRA Counselor, is responsible for the operation of the Junior Rifle, Shotgun and Handgun programs, Hunter Safety Instructor and works closely with the Boy Scouts of America with their merit badge programs. He is a past President of EF&GA and an NRA and EF&GA Life Member, please say howdy and thanks to Frank when you see him up at the range.
