PRESIDENT'S MESSAGE

Hi Everyone,

On Monday, March 17th I was at the rifle range to do some shooting. I was the only person there for about an hour, so I had my choice of target frames to pick from. Guess what? The frame I picked had six targets on it – two rows of three targets. The end targets of both rows extended beyond the frame so much that the black bulls were almost on the frame.

I proceeded to count bullet holes on the four targets and guess again – 15 had hit the area of the targets that were over the frame putting 15 holes in the target frame. Now I am not going to bore you with my thoughts of the shooter, but I will say that he or she probably has little or no regard for Association property or other shooters who use the range.

On a more positive note!

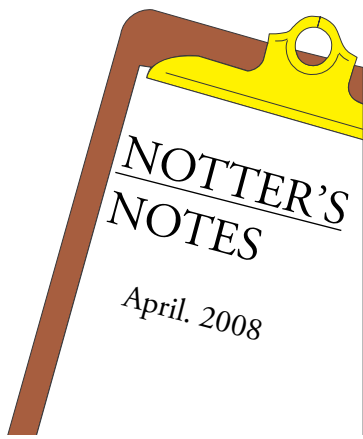

Take a look at the wooded/forest area. A potential Eagle Scout is earning his Eagle Scout rank. The fence posts and rails were put up on Saturday March 15. Denny headed up the work crew (and many, many thanks to all of them) and the scout was the supervisor. This was a great job well done by everyone.

One of our new members, of less than a year, came up to me on Monday and expressed his thoughts concerning the range. He was impressed with the entire range and the improvements that have been made since he joined the association. He is looking forward, as most of us are, to the 200 yard rifle range, but he is enjoying himself firing on the 100 yard range.

We can all take pride in the way the range looks now and the improvements that have been made. Keep up the good work.

Sincerely,

Leonard

RMEF BANQUET

The San Diego banquet for the Rocky Mountain Elk Foundation is Saturday, April 12, 2008. Help in the preservation of habitat for Elk & other wildlife. Doors open

@ 4:30pm at the El Cajon Elks Lodge, #1812. Call Leon Halgunseth @ 619.280.9427 with questions or for tickets.

FNRA BANQUET IS APRIL 19

Tickets are available from Frank Alessio or at Duncan's Gun Works. The money raised is used for beneficial programs for the Scouts, 4H, & Junior Shooting programs. EF&GA has received grants for the Junior programs to buy rifles, pistols, shotguns, spotting scopes and more. Support this event.

WOMAN ON TARGET MAY 31

This event is intended for the beginning Woman shooter. The event is open to all woman, EFGA members and non members. For information, call Linda Linaker @ 760.749.6574.

ESCONDIDO PD ON THE RIFLE RANGE

Escondido Police Department will use the rifle range from 7AM until Noon on the last Tuesday of every month. The range will be open for casual shooting.

BASIC HANDGUN RESUMES

The basic handgun class will resume on April 13 and will continue through the fall on the second Saturday of each month. The class is open to non EF&GA members. Call Jack Bryson @ 760.746.2868 to enroll or for information.

THANKS TO DRAWING DONORS

Cal Customs, Auditory Assistants, Walt Nicoll, Lee Allen, Leonard Hodges, Kevin Miller, The Everetts, Jack Kirchner, Bud Smith, Eugene Demnianiuk, Chuck Daugherty, Neil Pisk, Ray Bucholz, Elvio Marchi, Lynn Reynolds, Jim Rolfes, & Ed Migdal all donated to the March drawings. Thank you!

IT PAYS TO ATTEND THE GENERAL MEETING

Pete Andruska won the \$25 attendance prize and donated it to the Junior shoot program. Michael Moss would have won the \$100 attendance prize, but he was not present.

AFTER WORK RANGE

MASTERS NEEDED

Now that the days are longer, Range Masters are needed from 5PM to Sunset. The sign up log is in the Trap Ramada. Please volunteer. The Association needs more complete coverage. Contact Neil Pisk or Ray Bucholz if you have questions about becoming a volunteer Range Master.

February 21, 2008

Escondido Fish & Game
P.O. Box 460506
Escondido Ca. 92046

Dear Friends,

We would like to thank the members for all the generous donations that we received this year for our annual toy drive. This year the YMCA Armed Services had 904 military families in need during the holiday season. We were very successful this year, raising over \$2400.00 from club member donations and \$1000.00 from a private donation, giving us a grand total of \$3400.00. With the money donated we were able to purchase toys and bikes to help our *local military* families stationed aboard Camp Pendleton. We purchased twenty four bicycles, twelve big wheels, twenty \$25.00 gift cards along with numerous toys. Thank you again for all the generous donations, and your help in making this a great year!

Sincerely,

Dave & Dotty Ransberger

RANGE RULES AND ETIQUETTE

Be sure that no one is down range before shooting.

Long guns (rifles & shotguns) are not allowed on the pistol range except at Board approved functions.

Only paper targets are allowed during casual shooting.

Be sure that your bullet hits the impact area on the bank.

VOLUNTEER TO HELP WITH RANGE IMPROVEMENTS

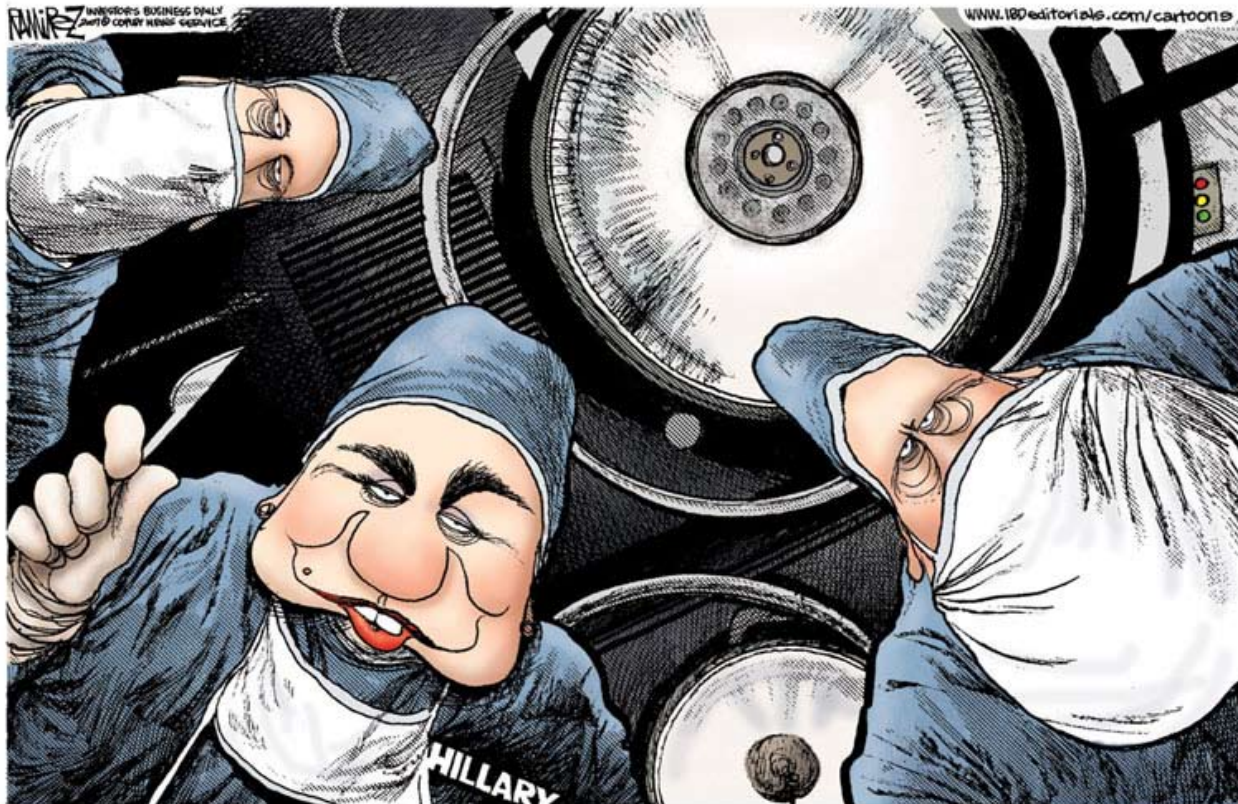

Contact Denny Martin if you would like to help with the various Range improvements or clean up projects.

EFGA ELECTIONS ARE COMING SOON

If you are interested in running for the Board of Directors, contact Jim Rolfes or L. T. Reynolds (they are the nominating committee for 2008 elections).

Escondido Fish & Game Trapshooting Etiquette

1. Make your entry far enough in advance, so that the office can properly process it. Clubs want shoots to start on time, but they can't if shooters don't sign up enough in advance so that squadding and record keeping can be done.
2. Be ready when your squad is called and also when it is your turn to shoot in the squad.
3. Do not lean over each time to pick a shell out of a box on the ground, or to pick up empties. Have your shells where you don't have to stoop to get them.
4. Do not raise your gun until the shooter ahead of you fires.
5. Remain at your post until the 5th man has fired, then move to the next position at the end of the round. Stand facing the traps until the last man has fired the last shot. If you are leadoff, do not fire until all squad members are in position after each change.
6. Never load your gun before changing positions. When going from position 5 to position 1, turn to the right to avoid bumping guns with the man coming from post 4.
7. Load only one shell at a time except in doubles. Close the gun only when it is your turn to shoot. If a delay occurs, remove the shell.
8. Do not let ejected shells from your gun hit or annoy other shooters.
9. Do no unnecessary talking when you are on the firing line. When you are not on the firing line, keep your voice down when you are around other squads which are shooting.
10. Time your shooting to establish rhythm in the squad. Call in a loud clear voice so there is no confusion about when the puller should respond.
11. Be a sportsman at all times. Be sure your competitors get what is due them, but do not be a target claimer.
12. Observe safety rules. Do not point your gun at another, even if it is unloaded. On the firing line, always keep your gun pointed toward the ground or the trap houses.
13. Shooters are always willing to have you look at their guns, if you ask permission first. Do not pick up another's gun from the gun rack and handle it without asking.

By RAY and NEIL

Hi everyone. Well, spring is here once again. As we start to move into the warmer days and longer daylight hours, please remember we will need more Range Master coverage. Please sign up for duty hours in the sign up books in the trap Ramada on top of the first aid box.

Speaking of the first aid box, please check the first aid kits, (there are two of them, the green first aid box in the trap Ramada and the conex door at the pistol range), occasionally on your shift and make sure they are well stocked with the appropriate supplies. Any supply needs should be reported to Neil Pisk or Bud Smith so we can maintain the first aid kits properly. To open the boxes just use the gate combination.

Safety tip: All Range Masters please be aware of shooters not impacting the backstops. Lately this seems to be a major problem at the pistol range during casual shooting.

Tuesday's there is a trap practice during the morning hours. Range Masters, be aware of and inform any casual shooters on the rifle range that they must notify the trap shooters of a cease fire if they intend to go down range further than the 50 yard line. The trap shooters have been very cooperative but sometimes the rifle shooters forget they are there.

The new target frames seem to be working better. Shooters, please remember to place targets in the center of the frames between the red frame borders. Good job, everyone.

Rifle range parking- The Board of Directors discussed this issue and decided the following;

All vehicles will be parked perpendicular to the rifle range (This means either nose or tail points downrange of the rifle range). No vehicles may be parked in the fire lane except for loading and unloading of equipment. The entrance/exits will be clearly marked with signs. There will be no parking between the signs. After the front row of space is full, a second row will be parked either nose or tail in to the front row. If a third row is needed, there should be at least two car lengths of space between the second and third rows to allow for second row vehicles to pull out and leave.

If you have any questions about this parking arrangement, please ask any Range Master, or Board member.

Range Master of the Month this month is Tom Kendall. Tom is an avid trap shooter as well as a muzzleloader and hand loader. Tom has been involved with club projects for many years. Please stop by and give Tom a hearty handshake and thanks the next time you see him.
