The annual BBQ will be held on Sunday, May 17, 2015. There will be a work party on Saturday, May 16th. Early bird ticket sales are \$20.00, up to April 30th. Regular price is \$25.00, and will be sold from May 1st, up to and including the day of the BBQ.

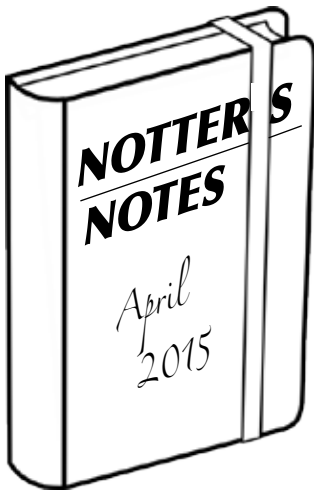

## KUDOS

I would like to take this time to thank all of the Eagle Scouts and their "helpers" for all of the fine project work you have done, some of which include the campground, the bridge over the creek by the picnic tables, (Special thanks also to Dave Olmstead for his time and energy to put the safety rails on the bridge), the fence enclosure at the back end of the storage bldg. and the wooden benches around the property, just to name a few.

**\*\*\*Safety Tip- Here's one worth repeating. Keep your finger off the trigger until you have acquired the intended target.** Look at the holes in the roof structures at all of the covered ranges and you'll understand why!

*Neil*

PLAY SAFE, STAY SAFE

### **IT'S ALMOST RENEWAL TIME**

### **WANTED: BOY SCOUT MERIT BADGE COUNSELORS**

2 or 3 members to become Boy Scout merit badge counselors. Over the past 20 plus years Frank has been a BSA rifle, shotgun and archery merit badge counselor, but due to age and medical conditions people are needed to take over the tradition at EF&GA. All who are interested please contact Frank Alessio [alessiofj@cox.net](mailto:alessiofj@cox.net) or 760-743-8718.

### **MARCH JUNIOR RIFLE SHOOT A SUCESS**

Thanks to all the Coaches and staff who without them the program could not be put on. A special thanks to Patrick Russ who has taken it upon himself to work closely with some of our older and more experienced shooters and grooming them into some outstanding Coaches in their own right. Along with coaching, these Jr. shooters are stepping up and performing some of the tasks needed to run the match such as giving the safety brief before each relay. Patrick has gone out of his way to devise ideas and plans ( and incorporated them) into methods to raise money for the Jr. Program. Again Patrick, thank you for all that you do for the program.

### **INTER-CLUB TRAP SHOOT**

Vado Del Rio will host the next Inter-Club Trap Shoot event at the Camp Pendleton Trap and Skeet Range on Saturday April 18 starting at 8:00 a.m. 50 shots from 16 yds., 50 from Handicap. 100 total shots. Fee is \$25.00. Lunch is an additional \$5.00/person or bring your own.

# RANGEMASTER SOUND OFF

By: Tim Geiser – CRSO • [www.crsoTim@aol.com](mailto:www.crsoTim@aol.com)

**A**pril 25th is the date scheduled for the next First Aid class. Certifications need to be updated every two years and it is in everyone's best interest that our RSOs have a good background in first aid procedure. Truth be told however, is that this is a "more the merrier" type of training that every club member should be involved in to some extent. Match Directors and all shoot Chairs should all be certified also. It simply makes good sense and I certainly encourage you all to sign up.

Many of you may have noticed that the Range has started to green up and I would go so far as to call it down right beautiful. Denny Martin does a nice job of keeping it mowed. However, with warmer weather on the way there will be hazards that we all need to be aware of. First is that the ground varmints will be out in force digging holes and looking for mates to produce more varmints. The increased food supply means that rattlesnakes will be out looking for them. We (our members) are not allowed to shoot or kill either of them, but I personally encourage the rattlesnakes to eat all the gophers and ground squirrels they can find (which is allowed). Accordingly, use a bit more caution when going down-range. If you encounter a rattlesnake simply go around it. They will not chase you down! If any are encountered around the Meeting Hall they will be removed to a safer spot. Do not play with them, but do report them.

The second hazard is that grass will start to dry out and eventually becomes a bit of a fire hazard. The Association has done an excellent job of pre-positioning fire hoses on the various ranges and has plans for more. RSOs need to make certain they are familiar with the position and operation of all fire hoses. The general membership should do the same since an RSO may not always be present. If a fire should start put it out immediately, do not hesitate. Emergency phone numbers are posted at each range and in the meeting hall. Remember that the association's address is important also in the event that you call in an emergency from your cell phone! Every member needs to review the Association's emergency SOP. If you need a copy I will be happy to email a copy. A simple email request is all that is required.

I check the range at least three to four times a week and still four things that need to be worked on.

1. Stop at the entrance gate and make certain no one follows you in.
2. Slow down when driving around the range. There is a no dust rule, which will be more strictly enforced.
3. Rapid fire on the pistol range usually means a lack of control. It will be more strictly enforced.
4. RSOs need to have immediate access to first-aid kits. Make certain that you have one available at all times.
