### PRESIDENT'S MESSAGE

Dear Members,

Another month has gone by and I must say we are moving along toward a better quality range. Kenneth Notter and Frank Alessio were given the assignment of counting the votes regarding the Range Improvement Project, allocating the money to be spent for rebuilding the pistol range and building the new longer rifle range. Members returned 46.5% of the ballots mailed out. The vote results are as follows: YES = 503, NO = 13, Unusable

= 63. Unusable ballots were ballots returned unmarked and/or unsigned. Only complete and signed ballots are legally usable. We would like to commend everyone for a good return in voting. Thank you, Frank and Kenneth for doing the counting.

Proceeding with the Range Improvement Project, the first phase is clearing the grounds for building a berm between the 100 yard rifle range and the new longer range. I realize closing the range July 14 through July 17, from 7am to 4pm was on short notice. I have asked before, bear with us as we progress with each phase on completing the new longer range. There will be more times the range will be closed for a period as we build the new berm. We will try as best we can on minimizing the closure time. We, the BOD, really appreciate your patience. If any of the members have any questions, feel free to contact any of the Board of Directors and we will try to get an answer for you. Thank you again for your patience and understanding.

I will briefly touch on a few other items in case some of you were unable to attend the General meeting. **Target frames** will be supplied by the Association. There is an approved design from the BOD for the target frames. There will be frames available for purchasing from Doug Mitchell for a minimal cost. If you choose to build your own frames, they must be made of wood only and within the approved design set forth by the Board of Directors. There will be **NO PVC** allowed in the frames. If you have further questions regarding the construction of the frames, please contact a BOD member.

In addition, please keep the targets within the center of the frames. We have way too many shooters who are destroying the target frames by stapling the target to the framework. I ask each and every one of you too help control this problem and assist other shooters.

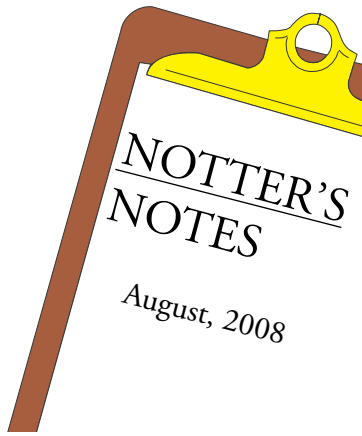

A reminder to members who bring guest under the age of 18, other than your own children. If you bring children under the age of 18, with the intent to shoot any firearm on Association property, **YOU MUST HAVE WRITTEN PERMISSION FROM THAT JUNIOR'S PARENT OR LEGAL GUARDIAN IN YOUR POSSESSION.** There will be approved forms available either on the website or at the range. Remember, they must be signed prior to arriving on the Association property.

Our next work party is scheduled for the October 18, 2008. I encourage each and every one of you to consider helping clean our range. Let keep our range the best there is. Any letters or emails sent to the Board of Directors anonymously will not be addressed. Please exercise credibility in your correspondence.

Thank you for your support. God Bless our great country and "In God we trust."

Respectfully,

Michael R. Marks

### **WATCH THE WEBSITE FOR RANGE CLOSURES**

As we move ahead on Range Improvements, we will experience unexpected range closures (we have to utilize the contractors when they are available). We will post any closures as early as possible on the website [www.escondidofishandgame.com](http://www.escondidofishandgame.com). Your Board of

Directors apologizes for any inconvenience.

### **JUNIOR SHOOTERS MUST BE ACCOMPANIED BY AN ADULT**

Anyone under eighteen (18) must be accompanied by an adult at all times when on the range. If the adult is not the parent or legal guardian, they must have a signed permission slip on their person. The permission slip is available on the EF&GA website.

### **EF&GA WILL CONTINUE TO SUPPLY TARGET FRAMES**

The Board of Directors has decided to continue supplying target frames. They will revisit the issue in January 2009. You are encouraged to build and bring your own frame per the dimensions given on the drawing posted on the website.

### **THANK YOU, RAFFLE DONORS**

Auditory Assistants, Cal customs, Warren & Edie Hill, Bud Smith, Neil Pisk, State Dept. of Fish & Game, Jim Rolfes, LT Reynolds, Gene Demnianiuk, Frank & Joyce Alessio, Dick Ziemer, Everett Family, Leonard Hodges, KL & DJ Notter, JW Bailey, and Ed Migdal all donated to the July monthly raffle.

### **IT PAYS TO ATTEND THE MEETINGS**

Gary Vontungeln (new member) won the \$25 attendance prize.

Tom Stinson's name was drawn for the \$100 attendance prize, but he wasn't present.

### **BOY SCOUT MERIT BADGE EVENT**

On August 16, EF&GA will conduct a rifle and shotgun shoot for the Boy Scouts so they may qualify for Merit Badges. Help is always needed. If you would like to volunteer, call Frank Alessio.

### **THANKS, PETE**

Pete Imandt drew and supplied the target frame drawing included in the bulletin. Thank you very much.

### **TAKING THAT JUNIOR DOVE HUNTING?**

EF&GA holds Junior Trap practice on the second Saturday of each month. Junior members shoot free and EF&GA has guns they may use. You supply the shotgun shells. This is a good way to get that Junior ready for Dove season.

### **RANGE MASTERS ARE NEEDED**

The Association only asks that you do one shift pre month (do more if you like, many do). This is an enjoyable way to spend a morning or afternoon and you meet new like minded individuals. Call Bud Smith (858-922-6489) if you are interested.

### **DO YOU HAVE A SMOOTHBORE MUZZLE LOADER?**

Bring it to the range for Trap practice at 6PM on the second Saturday of each month and shoot Trap with other muzzle loaders at ~ 10 yards. It is an enjoyable way to use that smoothbore and have a great time.

### **WOULD YOU LIKE TO TRY ANY OF THE SCHEDULED SHOOT?**

Call the Match Director for the shoot that interests you. He will be glad to answer your questions and help you get started in participating.

### **NRA RSO TRAINING SEPT. 7**

EF&GA will conduct Range Safety Officer training on September 7. Call Frank Alessio to participate in the class.

**More Notes on Page 8**

## ***DEADLINES***

*Items For the August Bulletin Due Wednesday, August 20th*

**Any and all requests for items to appear in the monthly bulletin should be routed through

### NWTF JAKES EVENT SEPT 21

This event put on by the National Wild Turkey Federation is a great way to introduce the young ones to the hunting and the shooting sports.

### ARE YOU REGISTERED TO VOTE?

The upcoming election (November) will be important. Be sure that you are registered to vote & vote.

### THANKS FOR THE HELP AT THE JUNIOR SHOOT

Thanks to all of the Jr. Rifle coaches and the staff who continually give of their time and experience in helping our Jr. Shooters learn how to shoot safely, properly and to have a good time. Each and every one of you deserves a standing ovation. Two individuals who are not part of the "regular" Jr. Staff deserve special recognition. Travis Richardson stepped up to cook (along with one of our coaches) and Christina Cafiso volunteered to head up the kitchen. Speaking of our "regular" Jr. Shoot staff, there are quite a few of the regular Coaches who are getting on in years and have been coaching for many of those years and they would like a break. We need some new coaches involved with the kids and the Jr. Program. PARENTS and any one else who would like to help please come on out. If you think that you can't help because you don't know how to coach, no problem we will teach you. It would be nice to get some Mom's involved in coaching. We do need a new head kitchen person. Shirley Richardson, who has been the lead kitchen person for too many years to count, has recently had to bow out of that position due to work related requirements. If you would like to volunteer to help coach or help out on the support staff please call Ren @ 760-432-2089.
