## Kurt & To the Point

**A**s I'm writing this, we have just put another Junior Rifle match in the books. There were 55 kids competing this time. Many thanks to Juli Everett and Jay Zimmet for feeding us, and to all the Coaches and other volunteers that make this event happen! We guaranty a coach for each shooter, so this is our limitation. If you can shoot a rifle decently, and can guide a young shooter to be safe, we could really use your help. Contact Ren Everett at (760)432-2089 to help out, or to sign up some youngster for the next match.

Our next Work Party is August 21st. Please come and lend a hand to keep your range looking good and in tip top shape. Leaf rakes and weed eaters are pretty useful items to bring. Drinks and lunch will be provided.

I received another nice letter praising the Home Defense class that Al Ardale puts on. Give some thought to signing up for Al's class and learn to defend your home. If you see him on the range, stop and say "Hi" to Al, he is one of our dedicated Range Masters.

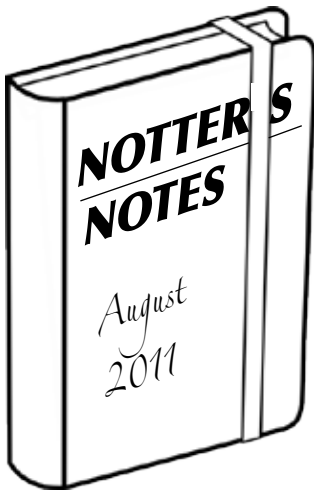

...which brings me to my next point.

Range Master coverage has been a little thin lately. Let's step up and help shoulder the load by signing up for shifts if you are a Range Master, or give some thought to volunteering for Range Master training. It's easy, we'll teach you. Contact our Head Range Master, Mr. Thomas Kendall at (760)471-1954.

That's it. I'm off to the National Matches at Camp Perry.

Kurt Nelson

### **WORK PARTY ON AUG. 21**

There is a work party on August 21 (Sunday) to clean up the range, pick up wads, etc. Everyone is invited to help. All ranges will be closed while the clean up is under way. Lunch will be provided.

### **PATRONIZE OUR ADVERTISERS**

Many give a discount when you show your membership card. The Lake Wohlford

Café gives a 10% discount on the evening of the Board of Director's meeting and the Member's meeting.

### **DONORS TO THE JULY RAFFLE**

Thanks to: Warren & Edie Hill, Brad Gagnon, James Rolfes, K. L. & D. J. Notter, Gene & Donna Demnianiuk, Ira Bryant, Ken Lusher, Nelson Jones, Frank & Joyce Alessio, Ray Bucholz, Ray Osgood, Ed Migdal, & Bud Smith for their donations.

### **YOU CAN WIN AT THE MEMBER'S MONTHLY MEETING**

Dave Tennant won the \$25 attendance prize and donated same to the junior program. Jodie H. Heiser was drawn for the \$100 prize, but she wasn't present.

### **THANKS FOR YOUR HELP**

Thanks to all of the Coaches and support staff for another outstanding job. This match would not be conducted without your continued support and efforts. We had some parents that stepped up and gave a hand when we were short on Coaches – Thank You! Parents – We need your help coaching! We do this for the kids, please help us to keep it going by giving a hand Coaching. We can teach you what you need to know.

### **JUNIOR RIFLE SHOOTERS DOING WELL**

All of our Jr. shooters are doing exceptionally well and steadily growing in their marksmanship skills. Two of our Jr. shooters are really coming on hard. Kasey Nelson shot a 399 out of 400. It's just a very short matter of time before she aces the course. Jake Nelson shot a 383 out of 400, only 1 point out of the Distinguished Expert category! He will be Distinguished Expert very soon. The Distinguished Expert category is a hard class to join, but can be obtained by all with a lot of practice and hard work.

### **HAVE YOU TRIED COWBOY ACTION?**

Cowboy Action practice is held on the first & third Friday @ 10AM. This is a very informal practice and the best time to learn what Cowboy is all about. We shoot at steel targets with single action revolvers, pistol caliber lever

actions, and SXS shotguns. Come join the fun! Call Kenneth Notter @ 760.741.3229 with questions.

### **DOVE SEASON IS JUST A MONTH AWAY**

Improve your shotgun ability by shooting Trap or Five Stand on Tuesday morning or Wednesday and Saturday evening. Call any of the Trap Chairs with your questions.

### **FRIENDS OF NRA BANQUET OCTOBER 8**

The East County chapter of the Friends of NRA will hold their annual banquet @ Scottish Rite Masonic center. There will be food, auctions, raffles and more. Questions? Contact Ronnie Smith @ 619.562.3629.

### **GET THOSE YOUNG ONES INVOLVED IN THE JUNIOR PROGRAM**

EF&GA has Junior Rifle, Pistol, & Shotgun. This is great way to get your child/grandchild, next door neighbor youth involved in the shooting sports. Call the respective chairman with any questions.

### **DO YOU HAVE ITEMS FOR THE NEWSLETTER?**

Send your submissions (photos, articles, match results, items for sale, etc.) to Kenneth Notter at [knotter@gmail.com](mailto:knotter@gmail.com) before the 20th of each month. Every endeavor will be made to include as many items as possible.

### **THE BOARD MEETINGS ARE OPEN TO ASSOCIATION MEMBERS**

Do you wonder what the Directors and Officers do for you? Attend the meeting on the first Thursday of each month as a spectator.

### **LEFT THE RANGE**

Jack Jay recently passed. He became a member on February 1, 1986.

**JOB OPENING AT ESCONDIDO FISH AND GAME**

**Specifications of Maintenance Duties- Revised, December 7, 2010**

**A. Mowing Schedule**

Mowing is to be performed as needed in compliance with the following schedule:

1. Rifle Range: Twice a month, normally the 1<sup>st</sup> and 4<sup>th</sup> weekends.
2. Pistol Range: Once a month, normally for the 2<sup>nd</sup> weekend. Weeds on top of the bank and around target butts to be trimmed at the same time.
3. Traps: Once a month, to be done for major shoots ( Turkey shoot, BBQ, Etc.). Trim weeds around traps and pads.
4. Remaining Grounds: Once a month in conjunction with major events.

It will be necessary to check the monthly club calendar as the above schedule prepares the range for shoots as they are normally scheduled. Holidays and special events at times necessitate a change in the above schedule.

**B. Clean-Up**

Trash cans are to be emptied as needed. Debris around Ramada's, traps and grounds to be picked up as needed. Must be able to lift 70 pounds.

**C. EF&GA will supply equipment and fuel necessary to perform above work. Contractor to supply fuels and get reimbursed.**

**D. Compensation**

1. Payment to be made monthly upon satisfactory completion of work as listed above.
2. Position subject to cancellation for unsatisfactory performance.

**E. Maintenance**

Shall perform minor electrical and plumbing repairs and range maintenance as needed. Routine maintenance (oil change, belt replacement, etc.) will be performed by contractor. Major repairs will be the responsibility of EF&GA.

**F. EF&GA Representative**

EF&GA to be represented by the Project Manager or the President regarding matters such as actual mowing schedule, satisfactory performance, equipment repairs, etc.

**List of Requirements For Maintenance Position**

1. Must be a valid United States Citizen
2. Must be able to read and follow directions as necessary
3. Must have basic Electrical and Mechanical knowledge
4. Must be able to identify and work flexible hours to maximize work down range when ranges are available.
5. Must have excellent operating skills in the operation of farm and landscaping machinery and equipment.
6. Is required to maintain EFGA tools and equipment as well as schedule equipment servicing.
7. Must maintain an excellent relationship with those using the facilities
8. Is expected to know the requirements and restrictions stipulated in the lease agreement with the city regarding proper use and discharge of chemicals, paints, and cleaning materials on the site.
9. Must have working knowledge of proper soils distribution and management of the grounds
- 10.
11. The Escondido Fish & Game Association reserves the right to add to or delete from this list of requirements as necessary

# RANGEMASTER SOUND OFF

---

By: Thomas Kendall – CRSO • [www.efgarso.org](http://www.efgarso.org)

**A** reminder – Be careful out there. It has warmed up and Mr. Diamond Back (a rattle snake) will be coming out. I do not know of a sighting so far this year, but that can change in a heartbeat. I have posted at each range a poster from the State of California that details information regarding the snakes. Please take time to read.

Friday, 01 July, was the beginning of EF&GA's new membership year. If you returned the renewal application and proper amount of dues by the deadline, you should have received a reply with the gate code sticker enclosed. Please place that gate code sticker on your membership card in the same area as the old silver colored one.

With the above gate code sticker in mind, please have your current membership card and a photo identification (California drivers' license works) when you visit the range. ***I have asked the Range Safety Officers' to check everyone that is at the range.*** You may get asked more than once to due Range Safety Officer shift overlaps or more than one Range Safety Officer working that day. If you have not received the new credentials by now, contact the EF&GA Clerk.

If you are a trap shooter and do not have the current credentials, you have to pay the "guest" rate for a round of trap. The Trap Masters' should be checking everyone that is signing up for a round of trap as well. I realize this can create a problem for our long standing members that the Trap Masters' know, but bear with us. Not quite my "What the ..." for this month, but during Tuesday morning trap, a shooter insisted they were a member and just could not understand why they had not received their new stuff: After all, they mailed everything back to the Clerk last week.

I held a target frame building party Friday, 24 June. The lucky party animals (no offense meant) were Larry Jeffrey, Scott Kendall (had no choice), Steve Willer and myself. We managed to build, using new lumber and good parts from shot up target frames, about 80 tall frames and 12 short prone frames (for the 150 yard range). The last frame party was in February and we built about 75 frames at that time. Doing the math, we went through, lost due to those pesky copper/lead termites, approximately 5 frames a week. Most of the frames that the 'termites' eat up were on the Pistol Range.

My "What the..." for August. As most of you know, we built a small sand "speed bump" down around the 35 yard line at the Pistol Range. A member had mounted their targets down low, really low requiring a new cardboard backing. Their bullets were being shot right into the "speed bump". When the Range Safety Officer stopped their shooting and asked why they were shooting into the "speed bump"; they replied "that's what it is there for". They were educated on proper target placement.

- **Range Safety Tip of the Month.** Without sounding too Draconian, this is what all new members are advised during their orientation and safety walk through. The Range (Master) Safety Officer's Word is Final - No Exceptions. If disagreements arise, follow the Range Safety Officers' instructions. Then take any complaint to the Board of Directors, if so desired. A Range Safety Officer may confiscate a membership card for serious rule infractions. The confiscated membership card may be returned at the next Board of Directors' meeting.
