YOU CAN WIN AT THE MEMBER'S MEETING

Jack Bryson won the \$25 attendance prize and Calvin Kooistra could have won \$100, but he wasn't at the meeting.

MOM'S CREEK BONUS KNIFE IN AUGUST

Some one who helps with the rose upkeep will win a custom knife (in addition to the regular knives) at the August Member's meeting. Paula Bryson and Ira Bryant were the knife winners in July. If you have question about the program or want to help; call Ray Bucholz @ 760.741.0668.

JUNIOR SHOOT A SUCCESS

Another outstanding Junior shoot is in the book with 82 juniors. The weather was good with a cooling breeze off the lake. We had a lot of shooters new to the shooting sports and some that were just new to our program. Thanks to the coaches and staff for their efforts and the parents who stepped up and helped coach. A good, safe, and fun time was had by all. Hope to see you on Sunday, September 16th for our next match. Sign-ups will start on September 4th. The slots tend to fill up very quickly for the shoot, so call or email on the 4th or very soon after if you want to shoot. If you are new to our program, please remember you must take the provided safety / familiarization class before you shoot.

A CALL FOR SUPPORT FOR OUR JUNIOR PROGRAM

Our junior marksmanship program has achieved popularity and success beyond expectations. EFG&A provides logistic support in the form of range facilities, firearms, ammunition, targets, spotting scopes, cooking, etc. along with several thousand man-hours of competent and dedicated coaches and assistants, all at no cost to the participants. Of course the bad news is

that this success has driven the cost to over \$7,000 annually. We need your help to perpetuate and enhance this program; any and all contributions will be appreciated. Donors of \$500 or more will have their names

prominently displayed on the sponsorship banner hanging in the EF&GA Meeting Hall. Send your check to EF&GA with the notation in the lower left of the check "JUNIOR MARKSMANSHIP SPONSOR". We are seeking corporate sponsors, please spread the word. If you know of a potential sponsor, contact Neil Pisk at 760 781-1289 or Dick Cross {after 4:30 p.m.} at 760 438-1726 x-105. Become involved. The junior rifle, pistol, and trap events always need help. Contact: Ren Everett (rifle), Craig Rogers (pistol), Bob Griffith (trap), or just show up. You will be glad you did. Wait till you see the smiles on these kid's faces!

MUZZLELOADING RIFLE CLASS

August 18, 2012 (Saturday) in the EF&GA Meeting Hall from 8am-5pm. Lunch will be provided. This class is an NRA/NMLRA Certified Basic Muzzleloading Rifle Class. Students will learn the basic fundamentals of handling Black Powder as well as the safe handling and use of Muzzleloading Rifles (Flintlock and Caplock). The session will consist of classroom and range time- (hands on shooting). All guns, powder and equipment will be provided. You may bring your own firearm. Classes are limited to 10 students. To reserve your spot contact Bud Smith 858-922-6489, email buckshotbud@cox.net or Neil Pisk 760-781-1289, email npisk@escondidofishandgame.

RANGEMASTER SOUND OFF

By: Thomas Kendall – CRSO • www.efgarso.org

At past Board of Directors' Meeting, several changes have been made to the range rules. These changes are listed below.

Juniors Members, those shooters 8 through 17, must be accompanied by a parent or legal guardian or an adult with a signed permission slip from their parent or legal guardian. Junior members may not use a rifle, shotgun, handgun or archery without direct supervision of a parent or legal guardian or an adult with a signed permission slip from their parent or legal guardian. Junior members may not bring guests, except for their parent(s) or legal guardian(s) or an adult with a signed permission slip from their parent or legal guardian.

Youth Members, 18 to 21, may not be in possession of a hand gun unless accompanied by a parent or legal guardian or an adult with a signed permission slip (EF&GA rule). Youth members may shoot rifle, shotgun and archery without a parent or legal guardian. Youth members may bring two guests to the range with the same provisions as above.

On the Archery range

- Crossbows are permitted at the noted distance(s) and target(s).
- Target tipped arrows only, no hunting type tips, etc.

Some of our Administrative and Range Rules that need to be repeated. We are seeing instances where our membership is getting lax with regard to safety at the range.

- Two guests maximum per member- for more; written permission is required in advance from a Board of Directors member. You are responsible for your guest(s) and you must stay with your guest(s) at all times while on our property, except for trips to the rest rooms. Those 17 years old and under must stay with their parent(s) or legal guardian(s) at all times, even in the primitive camping area.
- Sign in first, then unload equipment and firearms only while the range is HOT; members actively engaged in shooting on that range. Do not handle any equipment or firearms while a range is COLD, for any reason; shooting stopped, firearms down and possibly people down range.
- The Pistol, Rifle, Archery and manual hand trap range(s) are open from 7:00 a.m. to local sunset (sunset at the range). Trap ranges are open Tuesday morning, Wednesday and Saturday afternoon/evenings to close, approximately 9:00 p.m. Trap days are open to members and the public.
- Members are required to have their Association membership card and a picture ID in their possession at all times while on the range. Any member or Range Safety Officer can ask a person for his/her membership card and photo identification. These must be produced, no exceptions. Membership card displayed via a clear card pouch and lanyard is preferred while at the range.
- Giving the gate code to anyone- including family members, is grounds for loss of membership. All padlock combinations will be reset to "0000: immediately after opening.
- Sign in first, then unload equipment and firearms only while the range is HOT; members actively engaged in shooting on that range. Do not handle any equipment or firearms while a range is COLD, for any reason; shooting stopped, firearms down and possibly people down range.
et and what is behind it. And in our case, what is around it. "What is around your target" is really important on the pistol range in keeping our target frames whole (no pun intended). It is almost as if there are pistol shooters, and in some cases rifle shooters, that intentionally targeting the frames.

Second Safety Tip of the Month. While shooting on the 100 yard range at fifty yards and greater, and on the pistol range at 50 yards, check the trap range to make sure that it is safe to go "down range" and service your targets. There have been several instances in the past few months where someone walked into the line of fire of the trap range. Getting hit by shotgun pellets is uncomfortable at best.

S&W model .22/32 Bekeart target revolver. This is the 27th unit produced (by serial number 138xxx) in June 1911 for P.B. Bekeart Co, San Francisco, CA .22 LR - 6" barrel, Blue finish with checkered walnut gold medallion grips. This pistol has the correct grips, but I presume they are not the originals as they do not have the individual Bekeart s/n on the bottom. However, the factory could have missed this process at manufacturing. The front target sight is an after-market addition. This is a 6 shot hand ejector, double action revolver at 95% grade. I have a letter of authenticity from Smith & Wesson-Revolver Manufacturers. Local appraised value is \$1,325 to \$1,400. Sale through FFL, buyer pays all fees. \$1,000 Call Jim at 760-525-6136 **Email: jimmurphy1969@att.net (Vista, CA)**
