## STRAIGHT SHOT FROM THE PRESIDENT

Hello Everyone,

Well, the holidays are upon us once again and I want to wish everyone pleasant holidays. This is the time of year to get with family and friends to bond relationships.

This leads me into the subject of our celebration party on December 16, 2006. This is a celebration of our 60th year of incorporation. Also, the association has been on this site for 50 years! We will jointly celebrate this party along with the Range Masters Appreciation Day.

We are looking for some people who will work together with Ray Bucholtz and Neil Pisk, our chief range masters to put this event on. We will also need help from our shoot chairs to put on some fun shoots as we always do for the appreciation day. If you can help in any way, please contact Ray, Neil, or myself.

We would also like to see some of the long term members. At the last meeting, Mike Lange came up and told us he has been a member for 37 years. Ron Moran also showed up and he has thirty years. How about the rest of you out there? We really would like to see you and share some history together on the verge of our upcoming projects.

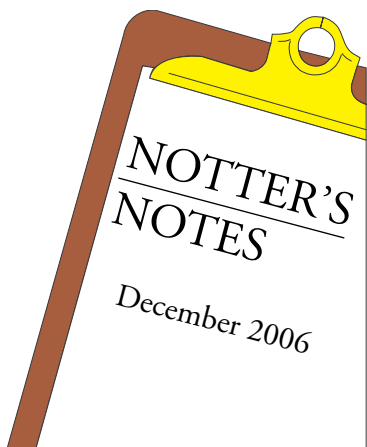

I want to take a moment to thank Ren Everett and Frank Alessio for their work with the Junior program. I know that there are many more who work on this program and help out a lot. This program is one of the most important functions at this club and it is certainly in good hands. Frank and Ren just filled out an application to the Friends of NRA for a \$13,000.00 grant. We have done this in the past and have been very successful. A lot of hard work goes into this and if you get an opportunity to thank them, you should.

Here's hoping you have a safe and happy holiday season.

*Denny*

## HAVE YOU SEEN THE NEW GATE?

Range access is now via a powered gate. To open the gate, pull over the yellow line. The combination is # (pound sign) plus the same combination you have been using. When the gate opens, pull past the red line and wait for the gate to close. Pull past the red line when leaving the range. The gate will open automatically (don't be impatient as it is slow). When the gate opens, pull past the yellow line and wait for the gate to close.

## JUNIOR PISTOL SHOOT A HIT

Eight junior shooters participated in the October 29<sup>th</sup> Junior Pistol shoot. They shot well with Eddie Migdal being top gun. Thanks to all that helped with coaching. The new Junior Pistol Chair is Craig Rogers (760-751-8544). Call Craig with your questions.

## THANK YOU, ELWANDA!

The new range flags that you see were made by Elwanda Hanna. Be sure and thank Wanda the next time that you see her.

## CAN YOU LAY TILE?

The Association is looking for someone to lay tile in the kitchen. The floor has been prepped and the tile is on site. If you can and want to do this, call President Martin @ 760-749-0589.

## 60<sup>th</sup> ANNIVERSARY PARTY, DON'T MISS IT!

Escondido Fish and Game will celebrate sixty years of existence on December 16. Volunteers are needed to make this a celebration to be proud of. If you would like to volunteer, call Pres. Martin @ 760-749-0589. Range Master Appreciation day will be held in conjunction with the anniversary party.

## WIN GIFT CERTIFICATES AT THE DECEMBER MEETING

Again this year, the Association will give away gift certificates in the amount of \$100 & \$200 to the various Gun Stores that support EF&GA plus a Department store or two.

## ATTENTION ALL MARKSMAN

New format for Hi-Power Rifle Matches - a bench rest venue is being added.

In order to accommodate marksmen who are unable to get into sitting or kneeling positions or who are wheel chair bound, the hi-power match is taking on a new format. The format will be as follows:

The monthly standard 4-position match will be held for those interested in that discipline. Immediately after, or in lieu of the 4-position match depending on interest, a bench-rest match will be held. The UIT prone match that previously followed the 4-position match is cancelled until sufficient interest is expressed to reinstate it.

The Hi-Power Rifle Match is held the second Saturday of each month starting at 8am. Please call David Premetz with questions @ 760-489-1082.

## THANKS TO THE NOVEMBER DRAWING DONORS

Auditory Assistants, Cal Customs, the Ransberger family, B. J. Bakey, Neil Pisk, Ray Bucholz, Frank & Joyce Alessio, Jim Rolfes, L. T. Reynolds, K. L. Notter, Mark Dacue, and Philip Denham all contributed to a successful drawing.

Frank Alessio was the lucky winner of the \$25 attendance prize. He says that is the first time that he won.

David Euelletee was drawn for the \$100 attendance prize. Unfortunately, for him, he was not present.

## HUNTER EDUCATION CANCELED FOR DEC

There will be no Hunter Ed. in Dec. due to the holidays. They will be back in January. Call Frank Alessio (760-743-8718) to sign up for the January class. Hunter Ed. is open to the public.

## RANGE MASTERS NEEDED

The range does not have full Range Master coverage. Your help is needed. Being a Range Master is not difficult. Actually, it is an enjoyable experience and you provide a much needed service to EF&GA. Call Ray Bucholz (760-741-0668) or Neil Pisk (760-781-1289) to find out about becoming a Range Master.

# RANGEMASTER SOUND OFF

---

By RAY and NEIL

It's that time of year when we all start preparing for the holiday season. Please remember to make your donation to the "Toys For Tots" program. You can bring a new, unwrapped toy to the General Meeting, or give it to any of the Range Masters or a member of the Board of Directors. You may also send or bring a cash donation. Please send a check to the Association P.O. Box (printed on this newsletter) with the words "Toys For Tots" printed in the memo space, or you can give cash to any Board member at the meetings.

Members: As most of you know, there has been a lot of rumor floating around in regard to the use of "legal" vs. "not legal" firearms at the Association property. Your Board of Directors has decided the following: Any possession or use of any fully automatic firearm is strictly prohibited on the properties of the Escondido Fish and Game Association. This rule is written into our by-laws and will be enforced fully by our Range Masters, however, it is the opinion of the Board that the usage of any firearm listed as "illegal" by the State of California is and will be the sole responsibility of the owner of said firearm and any registration, documentation or compliance with City, State or Federal laws is as well the responsibility of, and should be in the possession of, the owner of the firearm and will not be enforced by members of the Escondido Fish and Game Association.

As we close out another year, we would like to express our heartfelt thanks to all of our volunteers. We managed, once again, to escape the fate of other, "not so lucky to have as wonderful a staff as we have", shooting facilities. You have made this year another environmentally as well as physically safe and happy place to be. We have received many compliments from non-members on how our volunteers have made their personal experience that much better.

**Here is a re-print of a past notice. We think it's important enough to repeat.**

## HOW IMPORTANT ARE RANGEMASTERS?

Range Master duties are one of the most important responsibilities to your Association. The safety of the Association members and property and the enforcement of the Association rules and regulations fall on your shoulders when you are on duty. The green Range Master schedule has always been available to all Range Masters in the first aid box in the trap Ramada. We ask that you look over the Range Master schedule in the newsletter. You will note that there are many entries for Open Time Range Masters (OTRM). This is unacceptable. There should never be a time when the OTRM spaces outnumber the Range Masters listings. Many of you have asked for the Red Shirt and Cap and have stood a duty spot one or two times. We really appreciate any time you can give, however, it has become apparent that it is the shirt and cap prestige, rather than the dedication to your Association, that has become important. Bottom line is this: We currently have over ninety listed Range Masters. We need your help. Each and every one of you has stated an interest in doing this work. In the event you have changed your mind, for whatever reason, please tell any Board member, Chief Range Master or send a letter to the P.O. Box and let us know to drop you from the roles. If you are still interested in volunteering, the Range Master schedule will be posted on the trap Ramada front window. Please come up to the range and fill in the OTRM spaces to donate some of your precious time.

Thank you in advance for your cooperation in this important matter,  
See you at Range Master Appreciation Day,

## The Chief Range Masters

Range Masters: Just another reminder to sign-up for duty posts as far in advance as possible. Remember, our insurance company has mentioned many times of the importance of our Range Master program. It keeps our rates lower and gives us a wonderful appearance, as well as our safety record, to the general public. The sign up schedule is located in the trap Ramada first aid box. Please take the time to sign-up in advance.

Shoot Chairs: There have been suggestions that perhaps you might want to take this newsletter venue and promote your monthly events. We have many new members who aren't sure how to get in touch or even participate. Help them out, put an announcement with a short description of your event in the newsletter.

Range Master of the month: Rod Shackelford has for many years been active in the shooting sports. Rifle and pistol shooting are his favorites. He has been involved in competition shoots for many years. Rod is also an NRA certified RSO. Please be sure to thank Rod and shake his hand whenever you see him (usually on Tues. mornings).

Happy Holiday Season to one and all from the Range Masters. We hope that you find laughter and joy during this time of sharing and caring.

PLAY SAFE, STAY SAFE
