Kurt & To the Point

Greetings,

It has been said that being a man or woman of character means doing

the right thing, even when no one is watching.

I raise this point, because someone has been misbehaving. There is a lead mining operation going on at night. You may have noticed their equipment on the range. The miners leave some of the more cumbersome equipment on the hillside during the day after they are done for the night. Someone has been shooting at their equipment.

Some of you might have heard about or even seen the pelican who decided to call EF&GA home for a while. Someone shot the pelican.

THIS IS UNACCEPTABLE BEHAVIOR!

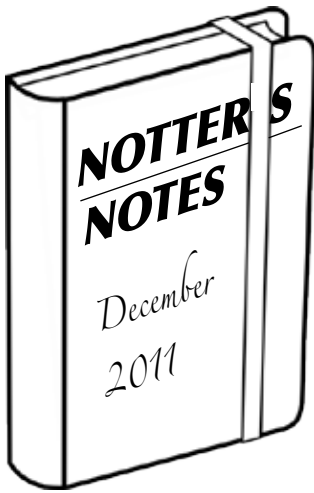

We are Escondido Fish & Game Association! We are better than this. We live to higher standards than this. Take out your membership card and turn it over. Read carefully what is written there on the back. "I GIVE MY PLEDGE AS AN AMERICAN- To save and Faithfully to Defend from Waste The Natural Resources of My Country- It's Soil and Minerals, Forests, Water and Wildlife." If this pledge does not reflect your views, If you can't or won't live by this pledge, (or our posted rules for that matter,) Then I urge you to turn in your membership card to any Range Master or Board Member, and resign your membership.

This is not a dump where you can just blaze away at a Buick. This is not the desert where you can shoot at a beer keg in a camp fire. This is Escondido Fish & Game Association. This is your range. Do your part. Take pride in it. We attract many because we are the finest range in San Diego County. We will purge those who break the law. We will not tolerate vandals and poachers. If you can't abide by our rules, if you can't be part of the solution, then leave and go elsewhere. It is every member's responsibility to stop or report any activities in violation of our rules.

To the proud, to the lawful, to those that contribute to something bigger than themselves, I wish you Happy Holidays.

Kurt Nelson

"TOYS 4 TOTS"

Bring a new, unwrapped toy to the December meeting. You may donate money or a check (made out to EF&GA) in lieu of a toy. Toys collected and/or bought will be given to Marine families at Camp Pendleton.

ADVANCED ARCHER HUNTER EDUCATION

This class will be offered on Sat., Dec. 10, from

8AM-5PM. Contact Frank Alessio at 760.743.8718 or gunshooter45acp@cox.net for particulars.

DONORS TO THE NOVEMBER TABLE

Leonard Hodges, Lynn Reynolds, Brad Gagnon, Gene & Donna Demnianiuk, Tom Hopkins, Al Anzelone, Neil Pisk, Bud Smith, Frank & Joyce Alessio, K. L. Notter, Lou Bouchet, and Ed Migdal.

YOU CAN WIN AT THE MONTHLY MEETING

Craig Rogers won the \$25 attendance prize, which he donated to "Toys 4 Tots". Nelson B. Jones was drawn for the \$100 attendance prize but he was not present. The members present voted to donate the \$100 to "Toys 4 Tots".

LEFT THE RANGE

Condolences to Jack and Paulette Bryson on the passing of their daughter, Kimberly.
Condolences to Frits Krol's family. Frits passed suddenly while on a Hawaiian cruise. Frit has been an EF&GA member since 1998.

MUZZLELOADING PISTOL CLASS – FEB. 18

February 18, 2012 (Saturday) in the EF&GA Meeting Hall from 8am-5pm. Lunch will be provided. This class is an NRA/NMLRA Certified Basic Muzzle loading Pistol Class. Students will learn the basic fundamentals of handling Black Powder as well as the safe handling and use of Muzzle loading Pistols to include Flintlock and Caplock. The session will consist of classroom and range time- (hands on shooting). All student materials, guns, powder and equipment will be provided. Classes are limited to 10 students. To reserve your spot call Bud Smith 858-922-6489 or Neil Pisk 760-781-1289. The cost is \$85.00. A \$25.00 non-refundable deposit is required.

NRA RELOADING CLASS?

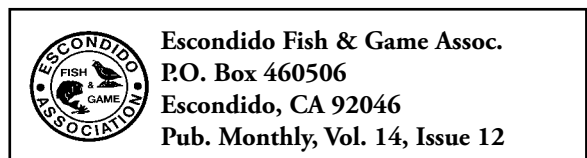

Want to reload your own ammo but don't know where to start? The opportunity to learn the basics of reloading is going to be available through an NRA certified course here at EF&GA if interest warrants holding a class. The class would start after the beginning of the year and would be held in the Meeting Hall on an availability basis. At this time it seems that a weekday evening would be preferable. Member feedback will be the determining factor if this class can be held. Please contact me at elvio1@cox.net if you have an interest in attending a class on reloading. There will be a reasonable fee involved.

"MOM'S CREEK" KNIFE RAFFLE

The "Mom's Creek" knife raffle will be drawn at the December general membership meeting. Raffle tickets will be sold by Ray Bucholz throughout the meeting. Tickets are \$5.00 for one, 3 for \$10.00 and 7 for \$20.00. One lucky winner will go home with three display cases containing a total of sixteen custom knives (and one not in a case) valued at \$1500.00 + from manufacturers like Case, Ka Bar, Schrade, Colt, Smith & Wesson and Buck. The winner does not need to be present. Can't make the meeting? Call Ray 760 443 1852 and he will arrange to get tickets to you. Please remember that the money raised from this raffle {after expenses are paid} goes to the range beautification fund to perpetuate the great look we all now share.

ADVANCED SHOTGUN TRAINING

The purpose of this course is to explore the practical use of a shotgun for self defense, identifying assets and liabilities of this versatile firearm. This course is designed in a workshop format. The course will explore defensive techniques and practice them as drills. Once the fundamentals have been learned, the class will shoot a course of fire. The course requires movement and shooting of full power ammunition. Students must be in good health! The course is opened to adult shooters, male and female, whether beginner or advanced. The purpose is to train students on how to use their shotgun for self defense. Contact: Shoot chair - Al Ardale for details of dates, times, and fee. 760-747-7781.

The Professionals' Shop

12943 Pomerado Rd. Suite A, Poway, CA 92064
WeaponsAndGear.com

Now Open at the Pistol Range – 5 yard, 7 yard and 10 yard Shooting Lanes

At the right side of the pistol Ramada, lanes 13 to 16, there are now target stands at 5, 7, and 10 yards.

The standard pistol target frame will be used. To ensure bullets hit the bank and to prevent ricochets and/or skips, the following conditions will apply to these shooting lanes. Signage will be posted reflecting these conditions.

5, 7, & 10 yard Target Rules

One Target per Frame

Maximum 10" Round or Square Target

Center Target on Cardboard

BULLETS MUST HIT BANK!!

All other pistol rules apply.

As noted, all other pistol rules apply. This includes, but not limited to, no holster draws, no rapid fire, no cross lane shooting, etc. Range Safety Officers will be observing closely to make sure this new addition is safe and fun for all members and their guests. We expect these new firing lines to be popular, therefore if you are shooting at 15 yards or longer please leave these lanes open.

HI-POWER RIFLE MATCHES

High-power rifle matches are held on the second Saturday of each month. Match start time is at 8:00 am. The Hi-Power Rifle Match has two separate courses of fire; a 100-yard 4-position match course and a 100-yard prone course. The 4-position match has prone, sitting, kneeling and offhand stages of fire. The prone course can use a front-end rest (ie: bipod) and the shoulder for a stock rest. Each match course consists of firing forty (40) rounds for score plus unlimited sighter rounds. Competitors may elect to participate in either or both matches. Entry fees are \$5.00 per competitor per match.

Juniors under age 18 shoot free.

Any legal center-fire, cartridge-firing rifle, regardless of caliber or action, is acceptable. Competitors may use open (iron) sights or rifle scopes. Slings are allowed except in the offhand position. No artificial supports are allowed in the 4-position course. Hearing and eye protection are required.

The intent of the matches is to improve your skills and have fun while doing it. Call the match director listed in the newsletter or on the website if you need additional information.

BOWHUNTER EDUCATION COURSE

Internationally recognized Bowhunter
Education Safety Course

A Bowhunter Education
Certificate is now required
in over 20 U.S. States and
Canadian Provinces. You must
provide a certificate in order
to obtain a Hunting License
to bow hunt in those areas.

Learn the six steps for proper
bow shooting, bow hunting and
archery safety and fundamentals,
wildlife identification, proper shot
placement, bow hunting benefits
and challenges, how to match
your arrows to your bow, hunting
techniques and strategies, tracking
game, hunt preparation, game
recovery, your role as a responsible
bow hunter and much more.

RANGEMASTER SOUND OFF

By: Thomas Kendall – CRSO • www.efgarso.org

I hope you all had a Happy Thanksgiving. Christmas is just around the corner with a new year not far behind. Where did 2011 go?

At the December Christmas General Meeting, some lucky Range Safety Officer will win the “Savage” bolt action rifle in .308 Win., with an “Alpen” 4 – 12 x 40mm scope and “NRA” rifle case. There will be a another prize as well; an “Alpen” 15 – 45 x 60mm spotting scope. There may be a third prize as yet to be determined.

All Active Duty Range Safety Officers’ are eligible to win. Active duty is defined as working one five hour shift per month (or more). Every shift worked during the past year gets one ticket in the “bucket” for the drawing. Good luck to all RSOs’.

You will see an addition to the Range Safety Office wardrobe; a red jacket with “EF&G Range Safety Officer” printed on the back and the Association logo on the front. The jackets will also have the appropriate shoulder patches and possibly a name tag.

By the time you read this, the pistol and 150 yard Ramada’s will have had lights installed in the shooting bays. The lights will be on a “twist” timer and hopefully will help with the visibility under the roof. This does not mean that shooting after sunset is going to be allowed. **All shooting activities must stop at local sunset (Trap is the exception) . It is a lease and permit specification.**

There will be another addition to the Pistol Range by the time you read this or soon thereafter. There will be target butts installed at five, seven and ten yards in the last shooting bay. There are specific rules for the close range shooting. Target must be 10 inches maximum (10 inch maximum envelope size for more than one target) and centered in the 24 inch by 24 inch target backing. The target backing must be at the top of the target frame. No silhouettes allowed. The target placement is designed to keep bullets impacting the backstop. Also, check to make sure your bullets make it to the backstop. Some small caliber handguns will not make the backstop and skip into it, hopefully. If you are not going to use the last bay with the close in target butts, close range shooting, please set up in another bay keeping the close in shooting lanes open for those that wish to use them. The rules will posted.

My “What the?” for the month. For some unknown reason, there are a few members out there that are shooting up the facility. Everything but paper targets are in their sights. Think about it for a moment...you are shooting up your range. Flag poles, equipment, fence lines, etc., are being “holed”. I know it may be tempting to shoot range stuff and the wildlife, but do not do it. It is not only unsafe and destructive but, in my opinion, dumb.

If you see anyone shooting up our range, please advise any Range Safety Officer, or contact me or any Board Member. I know it may sound like “squealing”, but we all want to keep the Range. This foolish activity of shooting up the range could lead to the range being closed. We all do not want that!

Range Safety Tip Of The Month. One target recommended - two maximum. No political figures or likeness of any person living or dead. **Paper targets only.** Target backing cardboard size is approximately 24 x 24 inches at the top of the target frame. Please keep targets as far from the target frame uprights as possible.

Shooting anything but paper targets (except for sanctioned matches) will cause your membership to be revoked and possible banishment from the range for life. Shooting anything other than paper targets could result in the closure of the range.
