### Season's Greetings

The holiday season is upon us so I want to take this opportunity wish everyone a Merry Christmas, a Happy Chanukah, a Fabulous Festivus, or a wonderful... whatever you choose to celebrate. It is great that we all have the freedom in this country to choose what we celebrate and how we choose to do so.

**While I'm on the topic of the holiday season,** please remember to practice safety with friends and family. If you have had a little too much liquid cheer, there is no reason to put yourself or others at risk. We are constantly teaching each other about personal responsibility with firearms and a vehicle can be just as deadly especially when one is impaired.

In addition to the safety and personal responsibility reasons, a limousine for an entire evening is about 1/10th the cost of a DUI if there is no damage or injuries. In those terms, an Uber or a taxi is dirt cheap. Prepare a plan before you go out to make sure that you make it home safe and sound. If you take an Uber or a taxi TO a holiday party, you won't be tempted to drive home because you won't have a vehicle with you.

### Make Time to Attend a General Meeting

Bring a friend to the next General Meeting and one or both of you could win a few bucks. At the last meeting Gene Demniamuk won the \$25 door prize and graciously donated it to the Junior Marksmanship Program. Had he attended the meeting, Ramses Ghattas would have won the \$500 Attendance Prize. The next General Meeting is 12/10/2015. If you don't show up, you can't win.

### Donor List (11/12/2015)

Thanks to all who donated to the raffle table at the last General Meeting – Ira Bryant, Jack Barnhart, JW Bailey, Lonnie Fowler, Tony Pendzich,

Ray Bucholz, Neil Pisk, Pamela A. Tucker, Eugene Demniamuck, Joyce & Frank Alessio, Cal Customs, Smoldering Bud Smith, Thomas Kendall, Gary Crouch, Mountain Meadows Mushrooms, Alan Chmielenski, Michael McKinney

### NRA Metallic Cartridge Reloading Class (1/16/2016)

The holidays are upon us once again...With Thanksgiving and Christmas taking up much of our energies there won't be any class offered for December. Instead, the next class is scheduled for January 16th, 2016. You could have the opportunity to learn reloading techniques that will allow you to produce consistent, accurate ammunition and receive NRA certified reloading instruction in a two session class. The First Part is strictly academic and conducted at the EF&GA meeting hall from 12 – 4 pm. The Second Part will be a "Hands On" reloading bench experience on Elvio's reloading bench. The second session will be scheduled at the 1st session. EF&GA members = \$90; non-members = \$100. For students without reloading supplies (empty cases, powder, primers, etc.) a \$10 surcharge will be applied. A \$20 deposit is required to secure a place in this class. Registration is limited. Contact Elvio Marchi at [elvio1@cox.net](mailto:elvio1@cox.net) or 760-734-3942.

# TRAP CORNER

## New Chief Trapmaster

After years of service as the Chief Trapmaster, Past President, Vice President, Board of Directors member, and tons of other service and leadership positions, Dave Burton has stepped down and named Dan Dorman as the new Chief Trapmaster. Many thanks to Dave Burton for his years of service and devotion to the membership of the Association. Also, congratulations and thanks to Dan Dorman for stepping up to the plate and volunteering for the position.

## 5th Saturday Fun Shoot Results (10/31/2015)

Robert Lincoln	78
Derry Allen	77

## Escondido Trap "24 Damn-It" Patches

These shooting vest patches were originally developed for trap shooters who hit 24 straight trap targets before missing the 25th prior to shooting their first 25 Straight. This qualification has morphed into including any 24 out of 25 targets. These patches are now available to members and guests from event Trap Masters for \$5.00 each. These patches were custom made for EF&GA and due to the per-unit cost, they cannot be distributed for free. EF&GA provides complimentary shoot patches for members and frequent guests when the following straights are first shot at EFGA: 25, 50, 75, 100, 125, 175, and 200. (If you pass 200 straight hit targets, we will try to find the patch for you).

# JUNIOR CORNER

By Patrick Russ

Welcome to the Junior's Corner. This is a new addition to the EF&G newsletter. Here, we will be looking at topics that deal with the Junior Marksmanship program. The articles will be written by some of the junior shooters themselves, as well as some of the adults that are associated with the program.

I have to admit that when I first heard about the program, about 3 years ago, I thought that is was just another little program for kids. But in that time, I have come to see that it is an amazing program that gives kids a great experience and teaches them a proper respect for firearms. The program is one of, if not, the best in the state. The program is something that the Association should be extremely proud of. I consider myself very fortunate to be a part of it for the last few years. In that time, I have met some amazing kids who hail from outstanding parents. They truly give me hope for our future. I have also met a lot of great people who volunteer to help with the program. These people work tirelessly to ensure that the kids are safe while they learn about firearms and have a great time. The volunteers as well as the kids work tirelessly to reinforce habits of safety (muzzle awareness, chamber flags, trigger control, etc...) through repetition so that it becomes muscle-memory helping to keep them safe.

Lastly, they learn marksmanship. When I see a child go from a 20-inch group down to a 5–inch group in one day (while being safe with a pistol), I am even more motivated. We all say that the program is for the children but I'm certain that the parents and volunteers learn as much, if not more than the kids do. If you ever want to learn how to do anything very well, try teaching it to kids.

# RANGEMASTER SOUND OFF

---

By: Tim Geiser – CRSO • crsoTim@aol.com

**S**ooner or later the Courts (and our Sheriff) will make a decision regarding the issuing of CCWs to us Californians. Contrary to negative comments one hears about how dangerous it is for a citizen to protect himself I ran across an interesting statistic regarding those of us who do have a CCW ([crimeresearch.org](http://crimeresearch.org) 02/19/2015). Feel free to pass it on.

Police are incarcerated at a rate of only 0.01% (annual rate) of the general population. CCW permit holders are incarcerated at a rate lower than that of police officers (0.0003% annual rate). Let the doubters chew on that!

Christmas is coming and will be long gone before I have another opportunity wish you all a Merry Christmas and a Happy New Year. If you are able to talk Santa into a new firearm, be sure to break it in properly and learn all about its proper operation. If there is any doubt in your mind, there are a number of classes available through qualified EF&GA instructors. The classes make an excellent gift also for your spouse!

RSOs who are interested in upgrading to an NRA certification, please note that a class is planned for January 30th. You must let me know ASAP if you are interested. We have to order booklets and cannot do so at the last minute. Any Chief who wishes to assist should also let me know so that I can schedule you in.

In keeping with our Board's decision to be more proactive with respect to lead contamination, we will be making Gloves available at each range. Feel free to use them and teach your youngsters to use them when handling lead or when picking up spent cartridges. We also plan to place eyewash stations at each range. Hopefully, they will not become necessary.

Speaking of lead, at range clean-ups, we will continue removing lead bullets from the pistol range and long gun ranges. The lead will be available to members who wish to make their own bullets and/or fishing weights. It has decent hardness and you can have all you want! Just think of all the money you could save! Invest in a good reloading class and recoup the investment in no time at all. Look at it as being a "green" shooter!

I was able to assist Linda Linaker with her recent "Women on Target" shoot a few weeks ago. Most if not all the coaches were amazed at how well these first time shooters were able to master the basics of shooting. There was no shortage of fifty cent size groups. Anyone who thinks that girls can't shoot better think again! Congratulations ladies.
