## PRESIDENT'S VIEWPOINT

Hello Everyone,

I will start out by letting you know the progress on the Range Enhancement Project.

The concrete has been tested for the Structural engineer. I do not know the results yet, but feel quite confident. The Electrical Engineer met with us and has all that he needs to complete his design. The Architect only has to design the rest rooms and address the list of corrections provided by the County for plan check. Once these designs are complete, we can re-submit to acquire a permit. When a permit is issued, we can have the Electrical Distribution inspected and finalized. At that time we can have SDG&E install the final stage and meter.

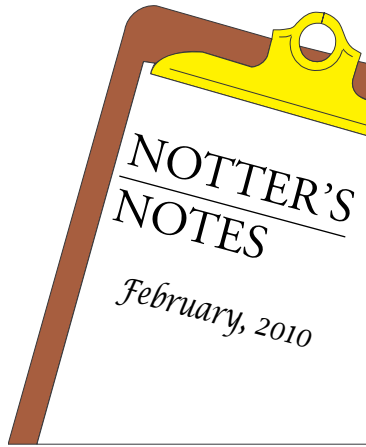

The Septic situation is still under review. We had holes drilled to test the level of ground water to determine the possibility of installing leech lines in lieu of having the tank pumped regularly. The results before this recent rain were the water level is at 10 ft. I believe the Dept. Of Health is looking out for our best interest in the long run.

At the end of February, on a Saturday, we are scheduling a work party to clean the range. I strongly urge you to come and spend a few hours helping us out. It usually ends up being fun and also a good chance to meet other people. I don't know the exact date yet so check the newsletter. We will feed you lunch.

Lastly, we are looking for members to volunteer their help to plan and implement this year's BBQ in May. If anyone has suggestions, or even better, would like to offer their services, please contact Steve Prough. His phone is listed on the front of the newsletter as a member of the Board of Directors.

Enjoy the Range and please be safe!

Denny

**PLAN ON PARTICIPATING IN THE 2010 MUZZLE LOADER CONGRESS (BRING YOUR JUNIOR SHOOTER)**

The 2010 EF&G Muzzle Loader Congress will include a category for Junior Rifle shooters. This competition will be held August 29 which gives you

plenty of time to outfit and teach your young competitor how to be a part of this fast growing sport. Junior-sized muzzle loaders are available through many catalog companies, and basic skills classes are available at our range by contacting Bud Smith 858-679-1918 or buckshotbud@cox.net. For more information about the Congress call Tom Arendell 760-743-4757 or tarendell@sbcglobal.net.

**A SPECIAL INVITATION TO MEMBERS OF THE ESCONDIDO FISH & GAME ASSOCIATION**

The San Diego Chapter of Safari Club International will be holding its Auction 2010: PROTECTING THE LEGACY February 27th, 2010, at the Rancho Bernardo Inn. As the Auction Chair and a member of Escondido Fish & Game Association I would like to personally invite each of you to attend this outstanding event. The auction and dinner always proves to be a grand and memorable evening with irresistible auction items, good food and great company. It also provides an opportunity to meet outfitters and merchants who cater to hunting and the outdoor sports. Our venue, The Rancho Bernardo Inn, makes the Auction particularly accessible to North County residents.

Proceeds from the Auction provide the chapter with funds to support conservation programs, educational opportunities and other worthwhile activities. These funds are used to support our Wounded Warrior program as well as programs to encourage youngsters into our sport, such as our Pride Program and the American Wilderness Leadership Schools.

The event starts at 3:00 pm with the silent auction preview. Presentation of the Colors and dinner starts at 7:00 pm, followed by the live auction. Please, come join me and many of your friends at our Auction 2010. Believe me; you don't want to miss this. For more information call Lyons & O'Haver (619) 697-3217.

**YOU NEED UNLOADED FIREARM INDICATORS**

The Association has unloaded indicators that will fit in the chamber of rifle or pistol for use on the range. They are

\$2.00 each or six for \$10.00. Contact Bud Smith to purchase same.

**2010 CALIFORNIA OPEN WILDLIFE ART FESTIVAL**

On February 13&14, more than 150 artists and carvers will compete for awards and exhibit their work at Liberty Station. For information, contact Del Herbert @ 619.421.1034 or delsdcoys@hotmail.com . Entry donation is \$5. Parking is free.

**THANKS TO THE DONORS TO THE MONTHLY TABLE**

## PROCEDURE FOR LOST AND FOUND, GUNS / SCOPES

Procedure for securing lost guns, scopes or **expensive items** found on the range:  
All other items such as shirts, hats, etc should be stored in the lost and found container located in the meeting hall or trap ramada. (permanent location in the club house to be determined)

- If a Range Officer is on duty pass the equipment to the RO with detail of when and where you found the gun or equipment.
- If a RO is not on duty secure the items and immediately call from the Trap ramada or cell phone: Denny Martin (President) 760-685-2886 or Kurt Nelson (VP) 760-745-2640 or Bud Smith (CRSO) 858-922-6489. Leave a message in detail concerning the items you found to include make, model, time and location found. Leave your name and contact information, telephone number and time of call.
- At this point take the item or items home with you if a RO is not on duty.
- You will be contacted by one of the three members you called and he will instruct you on returning the items.
- The officer of the association will then email the entire BOD, CRSO and Kenneth Notter and pass on the information. Kenneth will place a notice in the bulletin under the lost and found section.

---

### Notter's Notes continued

Auditory Assistants, Bud Smith, Lonny Fowler, Lucy Nelson, Jack Barnhart, Tim Geiser, Eugene Demnianiuk, Jim Rolfes, Ren Everett, Frank & Joyce Alessio, Gary Zwissler, Kenneth Notter, Jim Ferris, Ed Migdal, & Neil Pisk all donated to the January raffle table. Thank You!

### **CAS PRACTICE IS MOVING TO FRIDAY**

CAS practice is scheduled on the 150 yard range from 11AM-2PM on the first and third Friday of February. For information, contact J. W. Bailey @ 760.789.5828 or jw14872@aol.com or K. L. Notter @ 760.741.3229 or klnotter@gmail.com.

### **SIGN UP FOR THE NMC CLASS**

An NMC class will be held on 4 from 6:30-8:30PM in the meeting hall. Instruction will cover use of the sling, the course of fire and more. You must pre-register to attend. Contact Kevin Mille @ 760.480.7267.

### **WORK PARTY ON SUNDAY, FEBRUARY 21**

Come out and help clean the facility. Rake wads, chop weeds (they will be growing after the rain), and do general clean up. Lunch will be provided.

### **WIN MONEY – ATTEND THE GENERAL MEETING**

Michael Moran won the twenty-five dollar attendance prize at the Jan. meeting, which he donated to the Junior rifle

program. Thanks, Michael.

David Hart of Temecula was drawn for the hundred dollar attendance prize, but, alas, he was not present.

### **YOU MUST TRY FIVE STAND**

5 Stand in addition to trap practice is now offered at EF&GA. Participating in this sport will improve your bird hunting ability. A special shotgun is not needed. Bring your field gun and shells and come give it a try.

### **A BIG JUNIOR RIFLE THANKS TO EVERYONE**

Thanks to all of the Coaches and shooters that attended this last rifle match. We had a really good attendance and a lot of fun. Special thanks to every one helped in moving the Jr. Rifle gear into the new shed.

### **THANKS, SHIRLEY**

Shirley Richardson is turning over the kitchen on Junior Rifle days to a new cook. Shirley has toiled in the kitchen for years providing our Junior shooters and their coaches with lunch.

### **RANGE MASTERS ARE NEEDED**

Serving as a Range Master gets you outside, to the range, a chance to meet new people, learn about new firearms and more. In addition, you are doing a service for the Assoc. and fellow shooters.

# MATCH RESULTS

## BLACK POWDER

By Bud Smith, CRSO

Range Officer and Members,

Sunday, February 14th 2010 is a special day all men must remember. This special day should be spent with the lady in your life, that being you wife, mother, girlfriend, etc. Make this a special day for the women you love and do something unique for her. Buy her a gun, a ring, some perfume or flowers. Make reservation to her favorite restaurant or go to a movie. Treat her like a Queen, she deserves it. Whatever you do, DON'T leave her HOME ALONE. Now, some range business.

Many of our members have come to realize the job of the Range Officer is the most important position on the range and one deserving respect. It is also a tough job that requires patience, knowledge and an individual with a special attitude and thirst for helping others. Many of our members have learned how to help our range officer by following our range rules. Many have taken the extra step and purchased a lanyard and holder to hang around their neck to display their association ID Card. This gesture is appreciated by all our officers. I know this because they have told me. Thank you all. Taking it up another notch, I would appreciate another step to help our range officers. This is our situation: As you all know members receive a discounted price to participate in sanctioned shoots whether it's Cowboy, Combat, Trap, Black powder, Small bore, etc. When you sign up for a shoot please show you club ID card. Every time you purchase a new trap punch card please show your club ID card. By taking this extra step you will make the shoot chairs day and lessen his administrative function resulting in more time to participate in what you like best, shooting. Thanks, in advance.

**True or False:** You arrive at the 150 yard range and the first thing you do is safely unload your gun. **FALSE** **Answer:** you wait for the gate to close then proceed to a range and sign in.

The sun just went down but the sky is still light so it is ok to shoot until it is dark. **FALSE** **Answer:** when the sun drops from sight it's time to stop shooting. Please clean up your brass and sign out before you leave the range. Legal shooting hours end at sunset.

Your son in law and his three kids are down from Seattle and want to shoot at the range. You call a Board Member or Chief Range Officer, explain the situation and request permission to bring more than two guests. **TRUE** **Answer:** the board member or CRSO will give you permission and instructions via e-mail. This written document should be presented to the range officer on duty.

You are shooting on the pistol range and you notice the shooter on your right is bouncing bullets off the ground and they are not impacting the backstop. You should leave the range to search for a range officer to address the member. **FALSE** **Answer:** Lots of answers but the first to mind is immediately call a cease fire. In a quiet friendly manner explain to the member why you called a cease fire and explain how to remedy the problem by raising the position of the target on the frame.

50 Range Officers is sufficient to cover all our shifts. **FALSE** **Answer:** We do have 50 Range Officers but we need 100 to cover this range. Please join our elite team. We will train you and we offer on the job training. Only you can help.

Please let me know if questions like these are helpful. If the response is favorable I will continue to come up with true/false situations. I have numerous actual range situations to share.

"It's all about attitude"
