PRESIDENT'S MESSAGE

Dear Members;

A whole new year is upon us, with hopes of great fortune and good health. The BOD and Officers wish each and every one of you a wonderful year. The annual Christmas meeting was enjoyed by all, sharing stories and comradely alike. Because of generosity, you the

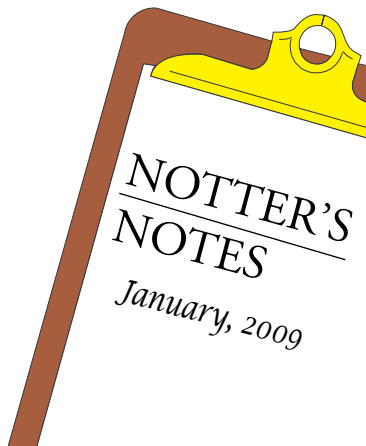

members donated in excess of \$2,650 for the Toys for Tots. The Assoc. extends a sincere thanks to Dave and Dottie Ransberger for coordinating this wonderful event. On Sunday the 14th of December, Dave Ransberger, L.T. Reynolds, Linda & John Laniker, Ponytail Bob, and Jason Shaffin gathered at the clubhouse. They assembled 36 bikes and tricycles for the Toy for Tots. Thank you, Linda and gentlemen.

There are some recent changes to the 150-yard range. You will notice the 150-yard impact berm is much higher than before thanks to the hard work of John Johnson and Denny Martin. The rocks on the lower end have been covered, thus minimizing the hazard of ricochets. Additionally, the separation berm has been connected with the 150-yard impact berm. This will keep the 150-yard range open to casual shooting while the cowboy and IDPA shoot is being held. The waterway behind the 150 impact berm has been cleaned and water flowed smoothly during the recent rains.

Another important matter needs to be reiterated. There have been numerous association violations regarding members giving the association gate code to non members. Members are giving non-members their membership card, creating a **serious violation of association rules**. These violations are grounds for disciplinary action by the BOD, which ultimately could lead to termination as a member. If such a violation occurs, your membership card will be confiscated immediately. You will then not be allowed on the range until you meet with the BOD. It will be the responsibility of the member to contact the association secretary for a hearing before the Board of Directors. Remember, this is your association. We need to take care of our association. You must carry your membership card and a photo ID with you while on the range property. One last item, you are allowed to bring a maximum of two (2) guests with you. You must get written permission to bring additional guests from a BOD. Members are responsible for their guest and must remain with their guest at all times.

Be careful and "BE SAFE". Have a great year and enjoy our great range.

Michael R. Marks

IT DOES PAY TO ATTEND THE MEMBER'S MEETINGS

Every time a member attends a member's general meeting, they may enter the drawing to win gift certificates at the December meeting (there is no cost, just be sure that you get a red ticket). This year the Association gave away gift certificates worth \$1050.00. The winners were: Ren Everett (\$200 @ Duncans), Dottie Ransberger (\$200 @ Cal Custom), Kurt Nelson (\$100 @ Precision Arms), Marshall Goddard (\$200 @ Precision Arms), Laurel Carlson (\$100 @ American Shooting Center), Mike Habib (\$100 @ Macys), Dorothy Notter (\$100 @ Kohls), & David McCloud, Sr. (\$50 @ Ranger Dougs).

Rod Shackelford won the \$25 attendance prize which he donated to Toys 4 Tots. George Lane & James B. Southall would have won \$100 for attending the meeting, but they were not present. The members present voted to donate the \$100 to Toys 4 Tots.

TOM KENDALL IS THE 2008 RANGE MASTER RIFLE WINNER

The Association drew for a custom Ruger 10/22 rifle with scope. All Range Masters were eligible and the more shifts that you worked as an RM, the greater the chances of winning. Tom Kendall was the lucky Range Master.

By Kenton "Bud" Smith

Range Officers and Members,

I'm one of those guys that still writes a letter to Santa a letter each year with my wishes. This year I requested 12 new active range officers during the first three months of 2009. So far I have three. It's a good beginning and I am certain I will get my wish.

The big Winner in the Range Officer drawing for the Ruger tricked out 10-22 valued at \$900.00- Tom Kendall and well deserved. Thanks for all you do, Tom.

January 2009 is here. Yikes, time passes so rapidly it's difficult to stay ahead of all the action. We had a great year at the range with a host of improvements to include a new pistol Ramada and 150 yard rifle range. The new storage building is scheduled to be completed sometime during the summer. Then we rest, but not for long because we are always thinking of goods things to do to improve our Association. My Range Officer recruitment program has proven to be very successful with 14 new active Range Officers added to the schedule in the past year. We have a new Range Officer Manual and we have completed two RO training meetings. We have also completed a RO review test to keep us all up to date and on top of the Association rules. We have three new RO's in training and they will become active in January. Our team is still far short of our needs, so please pass on the message that all members, both male and female, are welcome to join this elite team of safety conscious, hard working Range Officers. We have 54 RO's, not counting Shoot chairs. My goal is 100. When we reach this number we will be able to have overlapping shifts and two guys on during many shifts. When all the ranges are busy we need two RO's on duty. A complete list of active RO's will be included in next month's Sound Off.

Members are becoming aware of our new procedures (checking ID's) and many have them out when they arrive at the range. Signing in and out of all ranges (please print your name) has improved. Shooters are reading the rules and showing more respect to the Association members and RO's. Unfortunately we have had to take disciplinary action against members on a couple of occasions. Members are encouraged to download both the range and Association rules from the web site www.escondidofishandgame.com and read them, so they will remain in compliance. We, the Range Officers do not make the rules but we sure will enforce them. We are all human and we will make mistakes. Taking ownership and learning from our mistakes make us all better individuals and helps to keep our range safe.

I wish you all a healthy 2009 and look forward to talking and shooting with you during the year. Get involved, put your arms around your Association and make it your own.

Range Master of the Month is Ira Bryant. Thanks Ira- you can always depend on Ira.

All the best-

Remember, a good attitude goes a long way.

Regards,
Bud Smith
