Rules Review

I would like to take this time to review a couple of association rules.

First, let's review the RSO rule. The RSO on duty has the final word. If he or she feels that an unsafe condition exists, whatever action they deem necessary to correct that condition must be followed, period. DO NOT ARGUE WITH THE RSO. If you feel the decision is unfair, contact the CRSO, Tim Geiser and he will take whatever action he deems appropriate.

Here's another common mistake. When the range is "cold", NO EQUIPMENT OF ANY KIND WILL BE HANDLED, with the exception of target frames and targets being set up and brought down range. Do not take your shooting things out of your car until the range is "hot". During sanctioned events, the event chair will decide what may be specifically okay or not for their event. In either case, the duty RSO has the final say on matters of safety and property protection.

All firearms should be cased and/or uncased at the firing line. Unused rifles should be placed in the rifle racks, pistols on the shooting bench. No firearms should be placed lying on the work tables behind the firing line(s).

Kudos

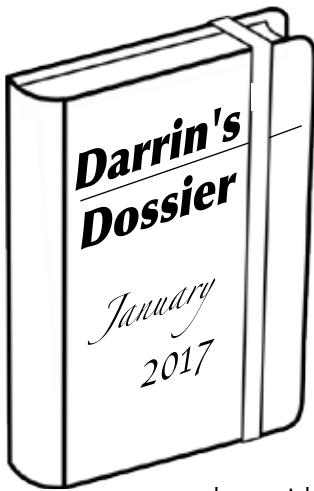

Thanks to the kitchen staff for all of their hard work every month. Joyce, Dorothy, Lucy, Frank and Mike.

Thanks also to Bud Smith, Tom Kendall and Bill Williams for supplying prizes and tickets for the monthly raffle.

*****Safety Tip - Weather patterns in this part of the country can be tricky. Be sure to dress appropriately for the location you will be at. HYPOTHERMIA, (Usually caused by exposure to the elements) can be deadly.**

PLAY SAFE, STAY SAFE

Resolutions

Every year we make resolutions of some unrealistic and crazy changes in our lives. Mine usually involve losing weight and going to the gym. Even if I do lose some weight I usually find it again later in the year. The closest I get to a gym is doing the Combat Match with an old friend of mine (named Jim).

In the past year I lost three family members and none of them wished that they would have spent more time at work. This year my resolutions are going to be more positive and realistic. I plan to spend more time with family and loved ones. I want to be part of something greater than myself – like our Junior Marksmanship programs.

Life is short, I want to live it well (a line from a Switchfoot song)

Make Time to Attend a General Meeting

Bring a friend to the next General Meeting and one or both of you could win a few bucks. At the last meeting Joyce Alessio won the \$25 door prize. Had he attended the meeting, Joseph Middlebrooks would have won the \$500 Attendance Prize. Because it was the December meeting and we were in the holiday spirit we drew a second name - Brian Cyr who was also not present. The next General Meeting is 1/9/2017. If you don't show up, you can't win.

Donor List (12/8/2016)

Thanks to all who donated to the raffle table at the last General Meeting – Joyce and Frank Alessio, Eugene Deminianiuk, Pamela Tucker, Ray Bucholz, Rich Sorcinelli, Bill Williams, Julie Pendzich, Wayne Brunner, Brian Rasmussen, JW Bailey, Lonnie Fowley, Eric Elsam, Robert Smith, Michael McKinney, Warren Brader, Leonard Hodges, Craig Rogers, Gerry Graf, Robert Smith, Mark Baldwin, Darrin Eaton, Lake Wolhford Café, Major Market, North County Firearms, Ben Holm, David P., Linda Linaker, Ed Migdal, Jay Zimmet, Tim & Francoise Geiser, Thomas Kendall

Work Party (11/26/2016)

After Thanksgiving dinner on Saturday about 80 of us showed up for an awesome work party. We raked and shoveled clay targets, planted rose bushes, cleaned and groomed the pistol range, cleared brush, and probably about hundred other jobs that just needed to be done. After that we followed it up with a great lunch. We had new members, old members, Junior members and guests. We also had people from the Sea Cadets and the Civil Air Patrol.

I want to take this opportunity thank each and every one of the people who cared enough to show up and pitch in. I also want to thank Patrick Russ for transcribing the names from the green sheets. If your name is misspelled, please print it clearly on the green sheet at the next work party (February 19th, 2017 – consider this an invitation).

Top Gun (12/18/2016)

By Patrick Russ

On a brisk December morning the best of the best of the best met for the annual Top Gun shoot. Not at Naval Air Station Miramar but Escondido Fish and Game. We have some instinctive shooters, maybe too good. We had problems, we had to send someone to Escondido. We had to do something that we still can't believe. We had to give them their dream shot! We had to send someone up against the best. These ten characters were going to Top Gun.

The day started off with the pistol competition. At 15 yards we were too close for missiles, so we switched to guns. Feeling the need... the need for speed, Shane Cary soared into the number one position in the pistol competition. His wingman was Daysha Halbert in second and Ashten Jensen in third.

With no time to buzz the tower, we immediately went into the rifle competition. Austen Ellerby had all guns locked on target as he landed in the top spot in the rifle competition followed by his wingmen Samantha Cary in second and Shelby Ellerby in third.

It's was the bottom of the 9th and the scores were tight. It was time for the big one, archery. Kayla Everett, who hasn't lost that loving feeling, took the top spot with Chandler Basham on her 6, in second place. Third place was unable to recover from a flat spin and crashed and burned. The Defense Department regrets to inform you that this was Kayla Everett's last Jr competition, as she is aging out, in just a few days. Happy 21st Birthday,

Proving again, that Escondido Fish and Game is a target rich environment, the 2016 Top Gun shooter is Andrew Miller with a score of 922. They gave him his choice of duty stations. He chooses to be an instructor at Top Gun. God help us!

In case some of you were wondering who the best is, they are here, in this newsletter and on a plaque, in the club house. The list of the alternates will be posted in the ladies room.

Missing action was AJ Wagle. We suspect that he screwed up too much and was stuck flying a cargo plane full of rubber dog poop out of Hong Kong.

The Escondido Fish and Game Jr Program would like to that all of the sponsors that make the program possible. A Special thank you to Matt Basham of Major Market in Escondido for always making sure that the Jr program has everything they need to feed the shooters.

RANGEMASTER SOUND OFF

By: Tim Geiser – CRSO • crsoTim@aol.com

I For those of you with a military or law enforcement background you probably have some familiarity with the term “situational awareness”. Essentially it refers to an ability to identify, process and comprehend the critical elements of what is happening. In other words knowing what is going on around you. What, you say, does that have to do with a gun range? Other than everything, I say, not much. Range safety is not exactly an easy thing to define sometimes. For example, at EFG&A the Trap and 100 yard ranges are shared ranges. As such, shooters on both are required, at all times, to be aware that what happens on one range can easily affect the safety on the other. Placing or changing targets on the 100 requires making certain that shooters on the Trap Range go to a “COLD Range” condition. A situation occurred recently where trap house three was being cleaned out. The flashing light and cone on top of the trap house as well as the “RANGE CLOSED” sign placed at the 100 yd. range was either not seen or was completely ignored. It led to a potentially dangerous situation which was simply unacceptable.

Using a rifle with a muzzle brake or setting up a semi-automatic rifle next to a shooter firing a bolt action are other potential awareness situations that while they may not affect safety, they can certainly be aggravating to say the least. A bit of thoughtfulness can go a long way.

The safety rules for our Range have been developed over many years. They have changed and been improved as situations have been identified. At times some members have objected to changes, but the fact that we have acquired an excellent safety record speaks for itself. Rule changes will continue as necessary. Members are encouraged to always be aware of safety and to offer up ideas for improvement. Your BOD and I are always open to suggestions.

By the time you read this, Christmas and New Year holidays will be over. I trust that you enjoyed them. New California laws will be going into effect. Many of them will be seen as punishment to gun owners. Hopefully, many of them will be overturned by the Courts, but in the meantime we will have to deal with a very negative gun environment. My New Year’s resolution is to continue my efforts to make EF&GA the best and safest range anywhere. If you all join me it will happen.

STAY SAFE, SHOOT STRAIGHT

RSO Spotlight

Therese Thomas was working an RSO shift one day when there was an unexpected problem with the operation of the gate. Therese stepped up to the plate and stood watch to manually operate the gate until the issue was resolved. While she was waiting, she got out her spinning wheel and spun some yarn rather than sitting around doing nothing. If you run into her at the range, be sure to thank her for her service to EF&GA. She is also famous for sewing patches on to the RSO red shirts and jackets. We are all truly blessed to have her in our ranks as an RSO and an awesome member of the Association.

High Power Rifle (1/14/2017)

This is a competitive and fun shoot starting at 8:00 AM. It's a good idea to get there early for registration. Any sights or optics are allowed and any centerfire caliber is allowed. The event consists of 4-position rifle shooting at 100 yards. Unlimited practice rounds begin the event with 10 rounds from each position for score. 1 hour of total time is allowed for the event. The cost is \$5 for EF&GA members and \$10 for non-members. For more information, contact Paul Hendrickson at 760-522-4660.

Black Powder Silhouette News

By Garth Warner

Effective November 2016 Denny Martin has turned over the Black Powder Silhouette program to Garth Warner, (gwarner@cox.net).

Denny served as Shoot Chair for the Muzzle Loading Silhouette program for over 30 years and is one of only three Black Powder Shoot Chairs that have served since the Muzzle Loading shoot program began in the late 1970s. Denny was presented with an engraved Buffalo Head and Black Diamond award at the range on Nov 27th.

If you run into Denny at the range tell him "Thank You" for his years of service and support of the Muzzle Loading program at EF&GA.

Currently EF&GA has two Black Powder Muzzle Loading programs in operation. Black Powder Silhouette shoots steel

be adding a short range "Confidence Course" to our shoot schedule to accommodate new shooters and, hopefully, new Junior Muzzle Loading shooters.

The new schedule will be January - Confidence Course 25 to 75yds, February - Short Range 50 to 100yds, March - Mid Range 75 to 125yds, and April - Long Range 100 to 150yds. This course of fire will repeat for the remainder of the year.

For 2017 EF&GA is starting a Junior Muzzle Loading Program. The first proposed shoot is scheduled for March 12th. For more information contact Ren Everett at everettju1@cox.net Watch the Newsletter and the Monthly schedule for more information.

BREAKING NEWS!.... On Sunday Nov 27th, immediately following the scheduled Muzzle Loading Silhouette shoot, the Escondido Fish and Game range was invaded by over 20 rogue mutant zombie pumpkins. Black Powder Muzzle Loading shooters valiantly defended the range in two 15 minute windows of continuous fire, while enduring an ongoing downpour of heavy rain..... Giggling all the time. All of the shooters went home smiling.

On a more serious note, we obtained special permission and guidelines from the Board of Directors to shoot non-standard targets on a One Time Only basis.

Tarps were placed to catch the debris and complete cleanup afterwards was a chore in the driving rain. Let me emphasize again that this was by special permission only. This one event does not constitute a change in ongoing range policy to shoot only designated paper targets on provided target frames.

Our thanks to Denny Martin for his chairmanship of the monthly black powder silhouette shoot. We look forward to our new leader, the most qualified Garth Warner, who promises lots of new fun shoots for us all in 2017.

Black Diamond Award matches will take place regularly. "If'n it don't load from the muzzle, 'taint proper....".

So, join in the fun on the 4th Sunday each month. Call Chairman Garth for details. We promise lots of thunder, fire and smoke....

Life Member Nominations

Each year the Board of Directors may vote in up to two members to receive the honor of EF&GA Life Membership. This is an excerpt from the EF&GA bylaws:

Candidates for Life Membership shall have been Regular or Senior members of the Association for at least three years prior to their candidacy for Life Membership and must have performed "outstanding service" for the

TRAP CORNER

Inter-Club Trap Competition (2/11/2017)

The next Inter-Club Trap Competition will be held Saturday February 11, 2017 at the Imperial Valley Rifle and Pistol Club in Sealy, CA. 50 rounds at 16 yd., 50 rounds at Handicap distance, total 100 rounds. \$25.00 includes lunch and drink. Check with EFGA Team Captain Barbara Griffith on Wednesdays or Mark Eller on Tuesdays and Saturdays. More info in the Newsletter next month.

About Shooting Trap Straights...

Shooting a trap straight is breaking all 25 targets in succession thrown for an individual by a trap machine during a single squad with an "official" score keeper. Breaking ALL 25 of them for the first time is more than just fun, it can be the fulfillment of a long and (often) agonizing path to personal success in a chosen, competitive sport/discipline.

Every one of the people who are listed in our Trap Straights column have achieved a significant goal, but for those listed as 1st 25 STRAIGHT – SHOT HIS/HER HAT!!, it is the achievement of a pinnacle, a very memorable "first time in your life" moment that will never be repeated.

Those EFGA members and frequent guests achieving that 1st 25 STRAIGHT status this past year are: Bill Linamen, Byrnes Lambert, Isaac Smith (Jr. Member), Chris Calvert, Joven Abrenica, Matt Basham, Fausto Saavedra (5-Stand), Selina Lin, Reynalou Linamen, Jason Yon, Bob Hoag, Chandler Basham (Jr. Member), Jack Starlin (finally) and after all that... Ms. Taylor Nailon.

These folks all had one thing in common - The biggest smiles on their faces you could ever imagine. Stop by any scheduled Tuesday, Wednesday or Saturday Trap event and see what the fun is all about.

Association. This "outstanding service" must have been performed over a period of time and must consist of more than a single act. It must be of such a nature that it can be documented by the Committee for presentation to the Board of Directors. It is desirable that candidates have performed outstanding leadership such as an Officer or Board Member or Chairperson of the Association in a satisfactory manner.

If you know someone that you think meets the criteria and you feel strongly that he/she should be nominated, please write a letter to the nomination committee for consideration. Nominations must be submitted in writing before April 1st, 2017. Nominations may be submitted via e-mail to the Committee at:

How to place a classified ad in the newsletter

Please help to keep the classified section easy to read and well organized. There is no cost as long as you are an EF&GA member in good standing. Classified ads run for ONE newsletter (one month). If you want to repeat an ad for another month (with price adjustments, etc...) simply re-submit the ad request via e-mail.

Please submit requests for classified ads via email to newsletter@escondidofishandgame.com and be sure to double-check for spelling and grammar errors.

It may sound obvious but requests for classifieds are frequently received with not enough information to be useful to a reader. **There are 5 main components of a classified ad:**

Category – Most classifieds fall into one of 3 categories, 'For Sale', 'Wanted', or 'Lost & Found'.

Subject/Title – This will appear in bold in the advertisement. This should be short (2 or 3 words) and concise.

Description – This is the body of the advertisement and can be a few sentences but not more than a paragraph. Abbreviations appear cryptic and are not recommended unless they are well known acronyms.

Price – A specific dollar amount as well as qualifiers give the reader important information. For example, "\$600 or Best Offer, Buyer pays DROS, Will consider trades"

Contact Info – This should be a name AND a phone number (including area code) and/or an e-mail address.

DEADLINES!!

**Items For the December Bulletin Due
Wednesday, January 18th**

**Any and all requests for items to appear in the
monthly bulletin should be routed through**
