MEMBERSHIP RENEWAL

Membership renewal notices have been sent out in the mail, so, keep an eye out for yours. Have you moved recently? Please be sure to provide your correct address to the association clerk. **If you have not received your new photo membership card, you will not be renewed.** Call the association clerk and make arrangements to have your photo taken and card processed. Provisional members please remember to include your signed volunteer card when you send in your renewal.

BOARD OF DIRECTOR ELECTIONS {Results}

Your 2015-2016 Board of Directors are: President: Neil Pisk, Vice President: Patrick Watson, Secretary: Geoff Orchin, Directors: Norm Porst, Ren Everett, Darrin Eaton, Ed Migdal, Al Anzelone, Mike Marks and Patrick Russ. Thanks to outgoing members Dick Cross and Brian Lamb for their service to the association.

EMAIL vs. Snailmail

Printing costs are on the rise. To save some money for the association, we are asking you to please call the association clerk and let her know that you would like to have your monthly newsletter sent electronically through email. You would have your newsletter earlier than snailmail delivery, and, you will be helping the association keep some of our annual costs down. Thank you.

KUDOS

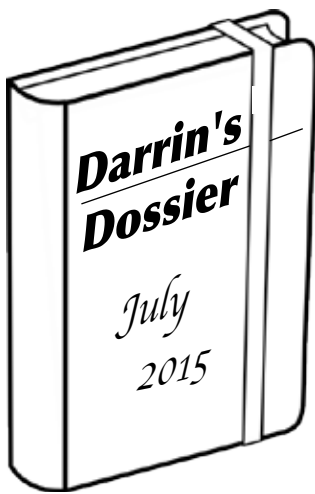

Many thanks to our newly elected Life Member's, **Craig Rogers** and **Jack Bryson**. Life membership is awarded to members who distinguish themselves with years of dedicated service to the association. Congratulations, Craig and Jack. Well done!

Thanks, also, to Darrin Eaton for stepping up and taking charge of the monthly newsletter and website.

*****Safety Tip- Rattlesnake season is upon us. Try to walk on designated, well traveled pathways. Don't place your hands or feet in areas that you can't see all the way through, such as firewood piles, thick foliage, under large rocks, etc. If you are bitten, DON'T PANIC. Stay calm and seek medical attention immediately.**

Politics

This newsletter does not contain an editorial section and that is by design. We all have our opinions about politics, religion, nationalism, etc... However, this newsletter is not designed to be the vehicle for us to exercise our First Amendment rights, it is a

document designed to inform the members of the Association of any items that may be of interest to them. With that stated, I encourage you to closely follow what our elected representatives are doing with our blood, our treasures and our rights.

EF&GA is associated with the NRA and they have many resources on their web site (www.nra.org) with lots of information regarding current and pending legislation as well as major law suits going on at the state and federal levels. I'm not stating that we should all blindly follow whatever the NRA presents as the 'correct opinion', just that they are a good resource for information about what is happening at the moment in Second Amendment issues. If we are to present any strong arguments for or against any cause, we should start by educating ourselves on the issues in question. We should learn about the arguments on all sides of the issue and formulate our own opinions.

If you have a strong opinion for or against any legislation, I strongly recommend that you contact your elected officials at the local, state and federal levels and inform them that you (a voter) have a specific opinion about the issue(s). Sometimes our representatives need to be reminded that we are constituents of a democracy, not subjects of a monarchy. It was Mark Twain who wrote "Politicians and diapers must be changed often, and for the same reason."

Renewal Stickers

This year's renewal stickers will be mailed at the end of June to members that have submitted their

completed renewal forms, documentation, and payments before 6/30/2015. Renewals that are received between 7/1/2015 and 7/31/2015 will be accepted but are subject to a 'Late Fee'. If you have any questions please contact the Clerk at (760)432-2089 or efgaclerk@cox.net

Left the Range

John and Elizabeth Burns passed away. John became a member June 7, 2007. We did not receive details from the family about when this happened. Please keep their family in your thoughts and prayers.

Donald Barker passed away September 2014. He had been a member since 2/12/1984. Please keep him and his family in your thoughts and prayers.

Hi-Power Rifle Match Schedule

There will be no High Power Rifle Shoot on 7/11/2015. The next scheduled shoot will be 9/12/2015.

Make Time To Attend A General Meeting

At the last General Meeting, we installed the new Board of Directors and had a great raffle drawing. Juli Everett won the \$25 door prize. Had he been present, Patrick Coakley would have won the \$500 attendance prize. In order to win anything, you need to show up. The next General Meeting will be on July 9, 2015.

RANGEMASTER SOUND OFF

By: Tim Geiser – CRSO • www.crsotim@aol.com

I am still getting reports about members bring steel core ammunition, or at least ammunition that attracts a magnet, to the range. The typical response when caught by an RSO is: "Sorry, I didn't know". I am sorry that you spent good money on such ammo. I have some of it myself, but that changes nothing. Save it for the revolution because you cannot use it on the EF&GA range. To help out, I plan to install magnets on each and every shooting bench. When you pull out your ammo the first thing to do is to check and make certain that it passes the magnet test.

Periodically, there are events on the pistol range that make it necessary for the pistol shooters and casual trap shooters to pay a bit more attention to each other than might otherwise be necessary. The pistol range may ask the trap shooters to go "Cold" when changing targets on their 50 yard line. The trap shooters are encouraged to fully accommodate the situation. **Having said that, it is the pistol shooters responsibility to make certain that trap shooters are fully aware of their need to go "Cold"**. A duty RSO should try to make certain that the situation is made as safe as possible. **Safety Considerations by the RSO are final.**

Another First-Aid class will be scheduled for October 24th. Dr. Osgood has promised to work with us once again. When he and Marshall Goddard team up, we have a first class presentation that is well worth your time. Many of us have a card expiration date close to that class so save the date. Keep me apprised of your interest.
