Kurt & To the Point

Greetings Everyone

As our fiscal year draws to a close, there were three Directors on the Board that chose not to run for reelection (Ed "Smitty" Smith, Kevin Frazier, and Frank Alessio). If you see them, thank them for their service on the Board of Directors. Taking their place after the elections held at our May General Meeting are; Ren Everett, Mike Marks, and Lonny Fowler. All three of these men have served on the BOD in the past. Congratulations on winning the elections.

Renewal notices have been mailed. If you have not received yours, contact the Assoc.

Clerk. All memberships expire on June 30 every year. New members will begin being admitted on 1 August, taking the place of any members who have chosen not to renew.

The work party on May 19th was a successful event with 60 people working to clean up the range in preparation of EF&GA's yearly BBQ. It was great to see the many people help out and give of themselves to support our range. Many thanks to you all!

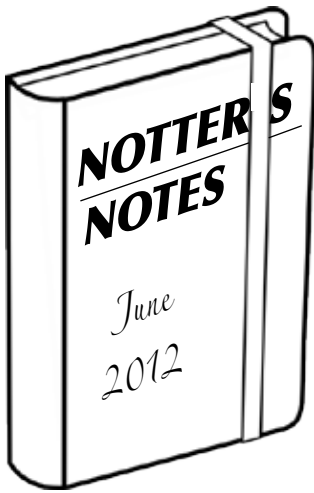

The BBQ held on May 20 was a good time, graced by great weather. 400 happy, smiling people attended. If you did not make the BBQ, you missed out on a lot of games, good food, and a chance to visit with friends. Thank you to Neil Pisk, Ed Migdal, and all the fine folks that volunteered to work to set up, run everything, and then break it all down and clean up. Thank you for stepping up and leading. I hope to see you all there next year.

Summer is almost upon us. As we make more use of the range because of time off from school and work, make sure that we our kids and guests aren't lax on firearm safety. Remember that the snakes enjoy the warm weather also.

Shoot straight and be safe.

Kurt Nelson

MAY TABLE DONORS

Thanks to; Bob & Gloria Sproul, Bud Smith, Mark Dambkowski, Brad Gagnon, Jim Fratis, K. L. Notter, Chuck Daugherty, Dave Dishmon, Gene & Donna Demnianiuk, Frank Alessio, John Matson, Ray Bucholz, Warren & Edie Hill, Ed Migdal, and Tom Kendall for donating to the monthly raffle.

RESULTS OF ANNUAL ELECTIONS

Kurt Nelson (Pres.), Neil Pisk (VP), and Geoff Orchin (Sec'y) ran un-opposed and were re-elected. Ren Everett, Lonnie Fowler, and Mike Marks were elected to the Board of Directors. Thanks to Elvio Marchi, Al Anzelone, and Dave Ransberger who were candidates for the Board of Directors.

RENEWAL NOTICES HAVE BEEN MAILED!

The renewal notices have been mailed, you should have received yours. If you have not received your EFGA renewal, please contact the Assoc. clerk.

COACH APPRECIATION DAY

The 1st annual Coach Appreciation day was held on May 6th and fun, good food, and camaraderie were had by all who attended. The attendance was lower than anticipated but I think that was due to the short notice of the event. We are planning to have another Coach Appreciation day next year around this same time frame but we will be able to announce it months in advance so that the Coaches can make plans to attend and let our Jr. shooters say thank you to them for all the effort and time volunteered.

MAY MOM'S CREEK WINNERS

Ed Migdal and David Boucher won the May custom knife drawing. Every time you help clean around the roses you will receive free raffle tickets.

The grand prize in Dec. is a new 1911 .22 pistol and 100th anniversary Colt M1911 Case knife. Call Ray @ 760-443-1852 for details.

MONTHLY RAFFLE

Bud Smith is the Raffle Chairman. The items on the table are a combination of donated and purchased items. If you have a donation (new or used) of items related to our sport please contact Bud @ 858-922-6489. Thanks for supporting your association.

NRA RECRUITMENT

Since the months ahead to the November Presidential elections is very critical in protecting our second amendment rights, our NRA members can help support the cause further by moving up on their yearly annual levels to a 3 year, 5 year or Life Membership at a much REDUCED RATE. I am currently allowed to offer our EF&GA members these rates through November only! Please contact me, Al Ardale at (shootyal72@sbcglobal.net) ..760-747-7781 to get this great NRA membership rates!

WINNERS OF THE BBQ GUN RAFFLE

1-Grand Prize	Denny Greb
2-First Place	Ron Horak
3-Second Place	Barbara Batterson

Congrats to the winners and thank you to all who participated.

DEADLINES

Items For the July Bulletin Due

Wednesday, June 20th

Any and all requests for items to appear in the monthly bulletin should be routed through

Turkey taken in Western Oklahoma on April 14, 20 lbs. with 10 inch beard by Rod Shackelford. A lot of time was spent staying out of the way of tornados. They did a lot of damage that week from Oklahoma City west.

NRA Metallic Cartridge Reloading Course

Been wanting to reload your own but didn't know where to start? In the past months there have been numerous requests regarding the availability of a basic reloading class. The opportunity to learn reloading is going to be available on Saturday, June 2nd, 2012 through an NRA certified course here at the EF&GA meeting hall. (This course is not being sponsored by EF&GA.) The NRA Metallic Cartridge Reloading Course will be conducted by Elvio Marchi, an NRA RSO and certified instructor.

NRA course requires that all students present their proficiency with a "hands on" session. To provide the availability of equipment necessary to accomplish this, the class will be divided into two segments.

1. The academic portion will be held at the meeting hall on the range, but due to equipment logistics, the hands on portion will be held at a separate location on an agreed upon day.

2. The class will be split into smaller groups to facilitate instruction of the "hands on" portion. This portion will be essential for completion of the course...certification cannot be issued without it. The fee will be \$60. A non-refundable \$10 deposit will be required prior to registration. The class size has been limited to 10 individuals so it will be on a first come, first served basis.

Please contact me at elvio1@cox.net or 760-734-3942 if you have an interest in learning how to reload. I hope to hear from many of you soon. If you have any questions, feel free to call or write... I'll try to answer them.

Attention Junior Pistol Participants

In our last 3 shoots, our participation has increased from 16 participants in October of 2011, to 44 in April, 2012. **This increase has resulted in issues which must be resolved.** In the interest of safety, and efficiency, our program procedures will be updated, starting with the June 24, 2012 shoot.

1. The age limit for Junior Pistol Shooters will be 12 yrs. to 20 yrs.

2. Participants must be able to handle the association pistols (or their own pistols) safely without props, sandbags, or other supports. We will have an orientation class, starting at 0800, for all participants on the June 24th shoot, and, at all shoots after that, for all first-time shooters. Only those who pass Orientation will be allowed to proceed to the firing line. Those who pass Orientation will be issued a card stating they have passed. Those who do not pass will be able to try again at future shoots until they pass. Those who pass Orientation will not have to repeat the class.

3. On the firing line, there will be only one shooter per coach. There are 16 stations on the Pistol Range. If there are less than 16 coaches, there will be less than 16 shooters. Shooters 15 and older who have participated in at least 3 Junior Pistol shoots may opt to shoot without a coach, but only with the Range Master's approval. These shooters may also serve as coaches for other shooters.

4. Shooters should arrive at the range one hour before their relay, and report to the clubhouse for orientation, and sign-in.

I encourage all parents, other adults, and youth shooters to participate as coaches. All our Junior shoots rely on you for support, and cannot function without you. I wish to thank all

RANGEMASTER SOUND OFF

By: Thomas Kendall – CRSO • www.efgarso.org

Important - Please Read

The Range needs your help. As noted below, folks have been putting bad bullets in the green cigarette/cigar disposal containers. And continue to do so. Bullet disposal goes in the big, red, iron pipes located on each range. As I told the folks at the 10 May General Meeting, we all need to be aware of this serious problem and if you see someone putting bad bullets in the green containers, help them out by explaining what is proper. Repeating

the past notices follows.

From January 2012

My “What the?” for the month. For some unknown reason, there are a few members, or their guests, that are still damaging our range. While shooting on the pistol range, one of our members’ and a RSO heard a loud “pop”. They looked to see where it came from and noted the big green cigarette disposal container “smoking” (no pun intended). Upon examination of the containers’ contents, Denny Martin removed over 150 bullets. Denny checked the 100 yard and 150 yard range and found approximately 100 more bullets. Some bullets appeared to be misfires and some good. The bullet that “cooked off” was a .22 caliber long rifle; nested in with a whole bunch of small and large caliber bullets. If one of the bigger bullets had exploded, there could have been a serious problem and possibly injuries. It seems some of our Members and their Guests are using the big green cigarette/cigar/tobacco receptacles, those green things with the big round base, tall neck and the odd shaped top with the hole where the “Butts” go, as a receptacle for misfired or just plain bad bullets. This is not only an unintelligent thing to do, but very unsafe. **Please use the big red metal tubes located by the range kiosks for bullet disposal.**

From February 2012

My “What the?” for the month. Those of you out there that smoke, please use the green disposal containers. Those of you out there that are not paying attention, **the green cigar/cigarette disposal containers are not for discarding bullets.** We have already had one bullet “cook off” in one of the green containers and fortunately no one was injured. Use the red cylinders located one each range is for bullet disposal. Using the green “butt” cans for bullet disposal (and maybe a practical joke) is just plain dumb.

Range Safety Tip of the Month. Please refer to the items noted above.
