KEN NOTTER'S LIFE CELEBRATED BY FRIENDS AND FAMILY

Following a 32 gun salute, the Escondido Bandidos celebrated Ken aka Devil Jack's life at a potluck luncheon in the EFGA club house on Saturday, May 2. Over 125 friends and family members were in attendance. The family extended their appreciation to all who organized and helped with the donations of food, flowers and kind words of remembrance and to all in attendance.

MAKE TIME TO ATTEND A GENERAL MEETING

At the last General Meeting, we held elections and had a great raffle drawing. Mike Marks won the \$25 door prize and donated it to the Barbecue. Had he been present, Donald P. Raymond would have won the \$500 attendance prize. In order to win anything, you need to show up. The next General Meeting will be on June 11, 2015.

NRA MEMBERSHIP RENEWALS

While our annual club membership renewals are due you also need to have your NRA membership current as part of the renewal package for each member. If you need to renew your NRA membership, consider doing it through EF&GA with your dues. When we apply for grants through the NRA they consider how many memberships we submit as an organization. Last year EF&GA was recognized by the NRA for being the 4th highest recruiting organization in the country. Thanks to all of you who have helped us receive this honor.

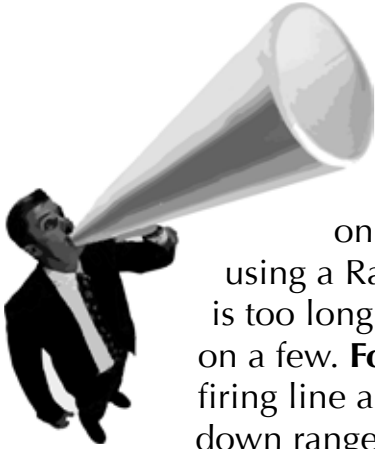

SUPPORT THE JUNIOR MARKSMANSHIP PROGRAM WITH BRASS

If you have been to the range recently you have probably noticed the white buckets with gold labels marked **BRASS DONATION BUCKET TO BENEFIT THE JR. MARKSMANSHIP PROGRAM ALL BRASS ACCEPTED, THANK YOU**. These are for a new way to help fund the Junior programs by turning in bulk brass for cash. The brass is separated and sorted so that it can be sold for the best price. Last month, we turned in 119.45 pounds of scrap brass (rimfire and centerfire including berdan-primed) and received \$155.28 for it. This is a win-win for the club. The Junior participants are helping to keep the ranges clean and they are getting funding for their efforts. When you are cleaning up after yourself at the range, think about throwing whatever you don't want to reload into the donation bucket. If you have large amounts of brass in your garage that you want to donate, please contact Darrin Eaton (760-630-8339) or Patrick Russ (760-644-2751)

RANGEMASTER SOUND OFF

By: Tim Geiser – CRSO • www.crsotim@aol.com

Periodically I receive reports from the duty RSO regarding violations of EF&GA range rules and policy. To get a better handle on the range of violations we are seeing, I instituted a new policy using a Range Contact Report. The entire list of violations I have developed is too long to be given justice in the space I have available, but I will touch on a few. **For example**, firearms are not to be loaded until you are on the firing line and they must be unloaded with empty chambers when anyone is down range. It seems patently obvious, but none the less it keeps happening and there is no excuse for it. There is no better way to get one's card pulled. Empty chamber indicators are strongly encouraged.

Arguing with a duty RSO will give you an excellent opportunity to explain to the BOD why you are right. It is also a great way to lose your range privileges until you have had that conversation.

With the exception of sanctioned events there is to be no shooting on the 150 yard range at targets placed closer than 50 yards. There are signs there to guide you. Do not ignore them! There is good reason for the rule and it must be observed. No handguns are allowed on the 150 yard range and no shoulder fired firearms are allowed on the pistol range.

Beginning June 18th we will start new member Safety Walks. The first will be for youth and junior members and their parents. In following months we will be working with mostly adult new members. Our walks will be conducted on the third Thursday of each month, typically beginning about 1700 hours. The walks may or may not be listed in the bulletin, but I will try to have them added. The walks are almost certain to interrupt shooting between 1700 and 1800. Please accept my apologies in advance if you are one of the interrupted shooters, but these walks are an important introduction to our range rules.

Due to an unfortunate situation our first-Aid class had to be cancelled at the last minute.

I plan to schedule another training session at the earliest opportunity. At this time I will assume that everyone who signed up for the last class will be interested in the next one. Don't worry; I will be sure to give you all adequate notice.

Starting May 21st I will be in charge of sampling numerous French wines and local cuisine. It is a rough task, but someone has to do it! In the meantime Jay Zimmert, Asst. Chief, is going to keep an eye on things. Jay is a more than able assistant and always a pleasure to work with.

LOST

Back in the early 70s, my father and I were shooting our S&W 357
mag's out in the desert. I hit a Kennedy 50 cent piece, (face) found it
and have kept it since. I shoot black powder and had attached it to
a flint-lock 3 grain pan primer measure. But... sadly it went missing
10 or 12 months ago. So... If you found it out there at the range or
if anyone has seen it, I sure would like to have it back. My father
passed away and it's one of the few things I had to remember him by.
No questions asked. I would just like to have it back.
