PRESIDENT'S MESSAGE

Hello Everyone,

Next month is April. In April nominations for officers and Board or Directors will take place during the General Meeting on the 10th. I have appointed L. T. Reynolds, Jim Rolfes, and Walt Nicoll as the nominating committee again this year for the upcoming election in May 2008. Nominations will also take place in May before we vote.

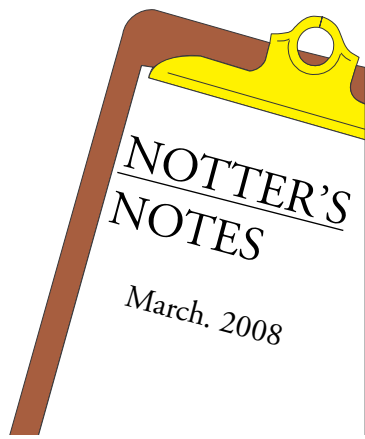

Also, coming up is Life Member nominations. Please get your letters to the Life Membership committee as soon as possible. Two individuals can be elected as Life Members during the year. The nominations, by way of a letter noting the individual's accomplishments and contributions to the association must go to the committee for review before they are presented to the officers and board of directors. The head of this committee is Denny Martin.

I want to thank everyone who has helped out at the range. You have done a great job. Coming up soon is another 'range cleanup' of the proverbial hulls. Lonnie has asked for another date that cleanup can be done. Keep looking at your calendars for the date. Also, lead mining is still on the back burner.

Keep the ranges safe and good shooting.

Sincerely,

Leonard

SHOOT TRAP

Every Tuesday morning and Wednesday evening the Assoc. holds Trap practice. It is not too early for tuning your shotgun skills for bird season. Call one of the Trap masters for details.

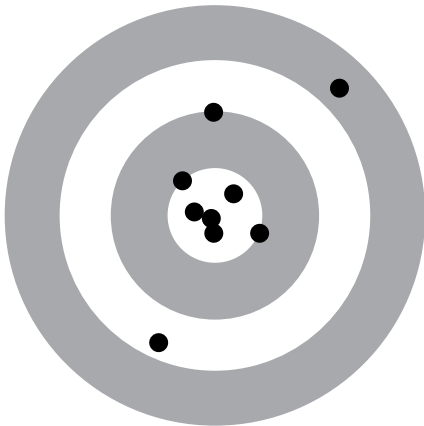

RANGE SAFETY AND ETTIQUETTE

Always make sure the gate closes when entering and leaving the range.

Always clean your shooting area before leaving.

Make sure that your bullet hits the impact area on the bank.

Firearms are not allowed on the archery range during casual shooting.

ROCKY MOUNTAIN ELK FOUNDATION BANQUET

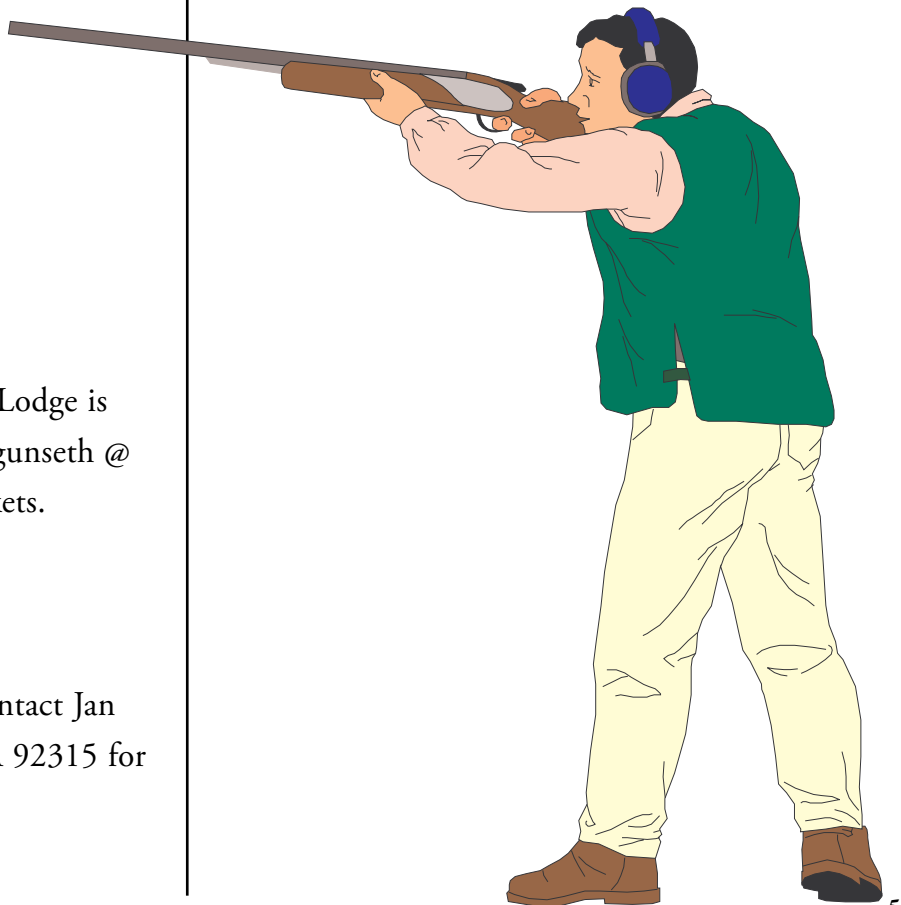

Saturday, April 12 at the El Cajon Elks Lodge is the San Diego banquet. Call Leon Halgunseth @ 619.280.9427 with questions or for tickets.

BIG BEAR COWBOY GATHERING & WILD WEST STORYFEST

This annual event is May 24 & 25. Contact Jan Gray @ P O Box 26, Big Bear Lake, CA 92315 for information.

Escondido Fish & Game Trapshooting Etiquette

1. Make your entry far enough in advance, so that the office can properly process it. Clubs want shoots to start on time, but they can't if shooters don't sign up enough in advance so that squadding and record keeping can be done.
2. Be ready when your squad is called and also when it is your turn to shoot in the squad.
3. Do not lean over each time to pick a shell out of a box on the ground, or to pick up empties. Have your shells where you don't have to stoop to get them.
4. Do not raise your gun until the shooter ahead of you fires.
5. Remain at your post until the 5th man has fired, then move to the next position at the end of the round. Stand facing the traps until the last man has fired the last shot. If you are leadoff, do not fire until all squad members are in position after each change.
6. Never load your gun before changing positions. When going from position 5 to position 1, turn to the right to avoid bumping guns with the man coming from post 4.
7. Load only one shell at a time except in doubles. Close the gun only when it is your turn to shoot. If a delay occurs, remove the shell.
8. Do not let ejected shells from your gun hit or annoy other shooters.
9. Do no unnecessary talking when you are on the firing line. When you are not on the firing line, keep your voice down when you are around other squads which are shooting.
10. Time your shooting to establish rhythm in the squad. Call in a loud clear voice so there is no confusion about when the puller should respond.
11. Be a sportsman at all times. Be sure your competitors get what is due them, but do not be a target claimer.
12. Observe safety rules. Do not point your gun at another, even if it is unloaded. On the firing line, always keep your gun pointed toward the ground or the trap houses.
13. Shooters are always willing to have you look at their guns, if you ask permission first. Do not pick up another's gun from the gun rack and handle it without asking.
