NEXT WORK PARTY IS May 20, 2017

Provisional members; this is a good chance to get in your required volunteer hours. **Followed by: August 20, 2017**

The Presidents' Corner

Annual Association BBQ

The association BBQ will take place on May 21. Early bird tickets are \$20.00. (Through April 30) Regular price's: Adult is \$25.00, children 12 years of age and under is \$10.00. Advance tickets can be purchased through BOD members or the Association clerk. Tickets can be purchased at the event.

Open Doors

The RSO's have been reporting the finding of open doors. Please remember to secure the door after you, when you leave a building or shed.

Junior Muzzleloader

Our first Junior Muzzleloader event will be held on March 12, 2017. Pre registration is not required but would be helpful. Please contact Neil Pisk or Ren Everett to pre register.

Junior Inter-Service Shoot

Our first, (Hopefully annual) Junior Inter-Service event will be held on March 25. We will have competitors from the; Sea Cadets, Civil Air Patrol and the Young Marines. Looks like there might be a little rivalry coming to EF&GA. It should be an interesting day. All of you vets out there, come on up and root for your team.

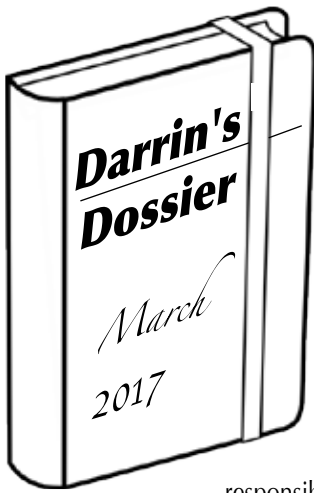

Kudos

Kudos to new members Pam Tucker and Norm Hall. These two folks have dived right in and have taken the volunteer plunge. Pam helps out around the property as well as teaching classes at special events. Norm has jumped right into helping at Junior events. Thank you both.

*****Safety Tip- There are a whole new breed of re-loaders out there now. I would suggest taking a class on re-loading, whether on line or up close and personal, to insure your home loads are correct and SAFE.**

PLAY SAFE, STAY SAFE

Neil Pisk

✍ Rights and Responsibilities
 Today it seems to be fashionable for everyone to demand that they get to exercise their rights as they are described in the Bill of Rights. This is absolutely valid and we do enjoy the protection of those rights as Americans. However, many people are ignoring the responsibilities that go with those rights. We all have the First Amendment right to freedom of expression but we also have the

responsibility to not commit slander or libel.

While we enjoy our Second Amendment right, we also have the responsibility to handle, transport and store our arms in a safe and responsible manner. When my son was in his civics class in High School, I challenged him to list the responsibilities that go with each of the rights enumerated in the Bill of Rights. This made it easier for him to learn and understand the Bill of Rights instead of just memorizing the words. It also made me do the same. I recommend the exercise, it comes in handy when you have political discussions with others later down the road.

✍ Make Time to Attend a General Meeting

Bring a friend to the next General Meeting and one or both of you could win a few bucks. At the last meeting Vicki Swanson, a new member, won the \$25 door prize and graciously donated it to the Junior Marksmanship program. Had he attended the meeting, William Sherrard would have won the \$500 Attendance Prize. The next General Meeting is 3/9/2017. If you don't show up, you can't win.

✍ Identify This Man and WIN (3/9/2017)

If you can properly identify this man, come to the March General Meeting and submit your entry. After the meeting a drawing will be held and the first correct entry drawn will win a box of 22LR ammunition and bragging rights. You must be present to win.

RANGEMASTER SOUND OFF

By: Tim Geiser – CRSO • crsoTim@aol.com

For the past several months the Monday duty RSO has reported that the door and/or lights in the trap ramada were left open/on by someone Sunday night when closing the range. Some of you might have guessed that has become one of my pet peeves. Well guess what? Voila, this past Monday everything as locked up all proper like! Maybe the word is finally getting out. Hope springs eternal!

This is the last call for participants in the next first-aid class on March 18th. The cut-off date will be March 3rd.

Unsafe conditions and unsafe actions. Both are the anathema of a gun range. We have developed a set of RANGE RULES (SOP) for the EF&GA which provide the means of avoiding both conditions when followed. Our RSOs are there to help maintain order, but each and every member is expected to know what the rules are and to follow them. In that sense each and every one of our members is an RSO also. Just because an RSO is not around or on duty does not mean it is a good time to get away with something. FOR EXAMPLE: When the rules for the 150 yard range say **“No Shooting Closer Than 50 yards”** it does not mean that putting a target on the 25yard line is OK! We also do not allow shotguns to be patterned using a rifle/pistol target stand. In case anyone has wondered, those are not tiny worm holes in some of our frames!

I think that a shout-out is due to all the youngsters who helped in the monthly lead removal efforts. The amount of lead pulled out of the pistol range alone is almost beyond belief. Not only does the lead sale help fund many of our junior programs, their efforts help make EF&GA one of the more progressive and environmentally sensitive outdoor ranges in the state. A big thankyou to each and every one of the kids as well as the of the adults and members who work the program with them.

STAY SAFE, SHOOT STRAIGHT

☛ Donor List (2/9/2017)

Thanks to all who donated to the raffle table at the last General Meeting – Bill Williams, Al "I finally have a computer" Anzolone, Smoldering Bud Smith, Terry Cooper, Jim Rolfe, Ray Bucholz, Richard Sorcinelli, Pamela A Tucker, Leonard Hodges, Michael McKinney, E. Daugherty, Neil Pisk, Frank and Joyce Alessio, JW Bailey, Mark Baldwin, The Estate of Ken Otter, Alan Chmielewski, Ed Migdal.

☛ Left the Range

Dave Ransberger passed away on 2/14/2017. He was a life member and he became a member 12/1/1986. He will be truly missed by all who knew him. Please keep him and his family in your thoughts and prayers.

☛ Membership Renewals

Renewal notices will be mailed out at the end of April. If you have any address changes to please notify the clerk (Juli Everett) at efgclerk@cox.net or call 760-432-2089.

☛ Newsletter Calendar Changes

I have had a few questions, concerns and complaints about the calendars in the newsletter. The first issue was that the Event Calendar has so much content on it that the text is getting tiny and difficult to read. The second issue was that the RSO calendar has become superfluous because RSOs are signing up for shifts online and viewing the RSO calendar from their smartphones. I decided to solve both problems at once by removing the RSO Calendar and inflating the Event Calendar to two pages in the middle of the newsletter. Hopefully, we all like the new centerfold.

☛ AR-15 Match – New Leadership

At the beginning of this year, Brian Lamb passed the torch of leadership to Eric Jamois for the AR-15 match. We are all grateful for the service that Brian provided by inventing and establishing this exciting and challenging event. Eric Jamois has brought another point of view and additional creativity to help the event continue to evolve into an even greater event. At the last match Eric added more variety of distances within one course of fire and added a stage with optional kneeling position for the Rifle portion. If you want to improve your AR-15 and Pistol skills in a more practical environment than shooting off of a bench, come out and try this friendly and fun event. It is on the 3rd Saturday each month at the 150-Yard range and the cost is \$5 for Members and \$10 for non-members. For additional information, go to the web site www.escondidofishandgame.com and select Events -> AR-15 Match.

☛ Work Party (2/19/2017)

We had a wet and wonderful time at the February Work Party. A total of 84 people showed up and all pitched in to make the range beautiful. The whole day had rain off and on but that did not stop us. We cleared brush, raked and shoveled clays, split firewood and took care of a multitude of other maintenance tasks that just needed to get done. As usual, the food was fantastic and everyone had fun with the raffle after lunch. I want to publicly recognize and thank all of the people who showed up and helped to get it all done. If you know anyone on the list below, be sure to thank them

How to place a classified ad in the newsletter

Please help to keep the classified section easy to read and well organized. There is no cost as long as you are an EF&GA member in good standing. Classified ads run for ONE newsletter (one month). If you want to repeat an ad for another month (with price adjustments, etc...) simply re-submit the ad request via e-mail.

Please submit requests for classified ads via email to newsletter@escondidofishandgame.com and be sure to double-check for spelling and grammar errors.

It may sound obvious but requests for classifieds are frequently received with not enough information to be useful to a reader. **There are 5 main components of a classified ad:**

Category – Most classifieds fall into one of 3 categories, 'For Sale', 'Wanted', or 'Lost & Found'.

Subject/Title – This will appear in bold in the advertisement. This should be short (2 or 3 words) and concise.

Description – This is the body of the advertisement and can be a few sentences but not more than a paragraph. Abbreviations appear cryptic and are not recommended unless they are well known acronyms.

Price – A specific dollar amount as well as qualifiers give the reader important information. For example, "\$600 or Best Offer, Buyer pays DROS, Will consider trades"

Contact Info – This should be a name AND a phone number (including area code) and/or an e-mail address.

— NRA Metallic Cartridge Reloading Class (3/4/2017)

Ammunition has plentifully come back to the market but we will soon be dealing with additional complications when we attempt to purchase ammunition in the stores as well as the elimination of online purchases due to the new laws in California. Besides the availability concerns, are you getting the accuracy and precision that you and your rifle are capable of? The opportunity to learn reloading techniques that will allow you to produce timely, consistent, accurate ammunition while receiving NRA certified reloading instruction is available on March 4th, 2017.

The First Part is strictly academic in structure and conducted at the EF&GA meeting hall. This session will begin at 8:00 AM on Saturday, March 4th, 2017 and will last until approximately 12 noon.

The Second Part is a "Hands On" reloading bench experience. This session generates the practical, detailed experience necessary while you successfully complete a number of your personal reloads. Scheduling the second session will be at a mutually agreed to time and date. This scheduling will be completed at the 1st session.

The cost is two tiered: EF&GA members = \$100; non-members = \$110. For those individuals beginning and are without any reloading supplies (empty cases, powder, primers, etc.) a \$10 surcharge will be applied. Prior registration and a \$20 deposit is required to secure a place in this class. Registration is necessary and seats are limited. Any questions and/or for more information, contact Elvio Marchi at elvio1@cox.net or 760-734-3942.

High Power Rifle Shoot (3/11/2017)

Come join us for this competitive and fun shoot starting at 8:00 AM. Early arrival is recommended. Any sights are allowed. Any centerfire caliber is allowed. The event consists of 4-position shooting. There will be unlimited practice rounds and then then 10 rounds per position for score. One hour is the total time allowed. Members pay \$5 and non-members pay \$10. For more information, contact Paul Hendrikson at 760-522-4660.

NRA Concealed Carry class (3/24/2017 & 3/25/2017)

Please note that this two-day class will be held in March on Friday (24th) and Saturday (25th). This is the NRA's most advanced class and students (adults 21+ who must have prior intermediate or greater experience/training in the safe use of, and legally be able to use handguns) will shoot their own handguns and ammunition. This class includes a full day on the range with exercises that provide increasing challenges through advanced drills that demonstrate principles of concealed carry, the draw, defensive shooting, movement, single, multiple and moving threats, use of barriers, and awareness of situations that may be encountered. The classroom session includes review of the course textbook, flashlight techniques with laser trainers, and other important information to compliment and reinforce the range sessions and the essentials of concealed carry.

This class includes both the Basic and Advanced NRA Certificates upon successful completion. This class is listed on the NRA training website under Self Defense, NRA Basics of Personal Protection Outside the Home Course at:

<http://tinyurl.com/WM-NRAPPOTH-03-24-2017> To reserve your spot and for more information, email or call Bill Magdych: cienegabill@gmail.com 858-356-4019. Prior registration is required. Open to the public (please let me know if you are an EFGA member to receive your discount).

NRA Women On Target (4/30/2017)

If you are a woman who is curious about firearms, whether for personal defense or to learn a new sport, Women On Target® is the perfect place to start. This instructional shooting clinic is designed to teach you firearm safety and the fundamentals of marksmanship, giving you the confidence you need to safely handle and operate a firearm upon completion. Firearms will include .22 caliber pistols and rifles. Women On Target® clinics are available only to women — it's a safe and friendly environment whether you're picking up a gun for the very first time or are just brushing off some dust and need a little refresher. You will immediately feel at ease at our clinic, and will be provided with a hands-on, one-of-a-kind experience. No experience or equipment is necessary to participate. All participants will have their own coach. Significant others can help coach, but will coach someone other than their partner. The event is topped off with a highly-rated luncheon included as part of the event. The cost is \$25 for EF&GA members and \$30 for non-members. For additional information, contact Linda Linaker at 760-638-0573.

BLACK POWDER NEWS

By Garth Warner

The 2016 Black Powder Silhouette Top Gun Shoot has been rescheduled due to a variety of complications. The 2016 Top Gun contest will be held on March 26th this year. Start time will be 07:01 AM and will precede the regular scheduled BP Silhouette rifle contest. For March there will NOT be a BP Silhouette Pistol or Revolver contest. Anyone who won, (Overall), in a Primitive class BP Silhouette rifle contest during 2016 is eligible to enter. You know who you are. If you are not sure, contact me and I will check the 2016 records. The Top Gun contest will have 3 silhouette targets at each range from 50 to 150 yards. (5 stands of three silhouettes each). At each range you will start with a loaded rifle and will have 6 minutes to knock down three silhouettes. Two shots only at each individual target. If your first shot hits the frame and knocks over all the targets you get 6 points. If you miss the first two shots and your third shot hits the frame and knocks over all the targets, only the last two count for 4 points, etc. (Ren's Rules). Each target is worth 2 points for a "strike" or 1 point for a "Spare". If you miss the target you get a zero. (Move to the next target) This is a timed event. If you plan to attend, please be there and ready to go by 07:01 AM. The Range gate will be open by 06:30 AM for setup. Spectators are welcome. Come watch the best shooters of 2016 have complete nervous breakdowns, dropping ramrods and trying to squeeze out the last shot before the timer goes off.

January Black Powder Silhouette Contest

We finally managed to have a contest WITHOUT RAIN, for the first time in two months. New this year are changes in the silhouette target line up, (and color). For January we shot florescent orange turkeys at the middle range. Under the overcast skies they really stood out against the rain soaked dark berm background. For upcoming contests we are working on cutting and welding up Bear targets for the mid-range distance. Watch for color and other target changes coming up in the months ahead.

TRAP CORNER

Imperial Valley InterClub (2/11/2017)

Last month we had a strong appearance at the InterClub Trap Shoot at the Imperial Valley Rifle and Pistol Club. Lemmon Grove Rod and Gun took top honors with a score of 91.6% and EF&GA came in second with a score of 87%. EF&GA had 13 people to represent us at the range in the middle of nowhere. We watched the Navy pilots practicing acrobatics while we were shooting at the clays in the changing winds. Our hosts from Imperial Valley Rifle and Pistol Club provided a great lunch and made us all feel welcome.

Vado Del Rio InterClub (4/22/2017)

The next InterClub competition will be at Vado Del Rio Skeet and Trap Club on Camp Pendleton and all shooters are invited. Registration opens at 8:00 AM with the first squad out at 9:00 AM. \$25.00 for 100 targets, 50 @ 16 yards and 50 Handicap. Lunch is \$5.00.
