PRESIDENT'S MESSAGE

Dear Members;

May is here and summer is just around the corner. Where is this year going to? A couple of big events are happening this month. First, the Annual BBQ on May 17th. This promises to be one of the best ever. Dave and Dottie Ransberger have been working feverishly to put items on the raffle table and help with the rifle raffle. This

year's rifle raffle will feature a Ruger Vaquero 45L.C. and a Golden Boy 22 LR lever action rifle. I would encourage everyone to attend as this will be a good event. The catering will be done by The Smokehouse Grill again this year. There will be many events such as, Black Powder, 22LR rifle, Tomahawk throwing, Trap Shoot and several other events to enjoy. You can get tickets for this event from Dave/Dottie Ransberger, any BOD and Loni Fowler. The price after May 1st will be \$20 for adults and \$10 for kids under the age of 12. Come one, come all and enjoy the camaraderie.

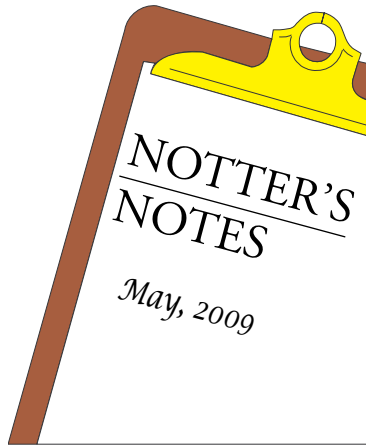

During this month, we will elect Officers and Directors. I encourage you to attend the May meeting and vote for the candidates of your choice.

One of the goals this year is to reduce costs to the Association. The use of the electronic newsletter program is off to a very good start. There are approximately 50 members who have signed already. The BOD wishes to thank the members who have already volunteered to use the electronic newsletter versus the hardcopy mailing to reduce costs. The \$1.10 savings per month per member in printing and mailing cost will add up and substantially reduce costs. We encourage all members, who can and would, to retrieve the newsletter electronically. There will be increased postage costs in mid-May. Also, an increase in membership numbers will result in more bulletins printings and associated mailing cost. Your help in reducing those costs is needed and is very much appreciated.

Annual Renewals are being mailed separately. Make sure you include a copy of your **NRA membership and sign the back of the renewal application, "Release of Liability."** **The Spouse must also sign the Release of Liability.** This is a very important part of the renewal procedure. The deadline is July 31st for receiving your renewal. The BOD realizes the impact of the dues increase, but this association will need to be financially sound if we are going to survive in the future.

Respectfully,
Michael R. Marks

"God Bless America"

Kudos to the RMS who perform evening & weekend duty!

DON'T DO IT

THERE ARE TURKEYS OUT THERE

Tim Costanzo (member), 3 friends (non-members) and Mike Moss (member), took 4 birds on the 1st & 2nd weekends of the Spring Turkey Season. Bill Porter took a 23 5/8 lbs. tom with a 10 1/2" beard on opening day. This bird was reported in the Union Tribune and I believe it was the largest bird taken opening weekend in San Diego County. Two other birds weighing 16 & 17 lbs were also taken March 28th. The following Saturday, Mike Moss took a 21 1/2 lbs tom with a 9 1/2 beard after calling in 7 toms & a hen. All the turkeys were taken on private land in Mesa Grande

WOMEN ON TARGET JUNE 20

Grading for the new building has started. Watch the building come into being. Once the building is complete, the targets, etc. moved in, the existing storage will disappear.

NEWS FROM THE NRA

Feds Send Mixed Signals On Push For Gun Control

Friday, February 27, 2009

On Wednesday, February 25, just over five weeks after Inauguration Day, Attorney General Eric Holder announced that the Obama Administration will seek to reinstate the expired federal "assault weapon" ban and impose additional restrictions.

"As President Obama indicated during the campaign, there are just a few gun-related changes that we would like to make, and among them would be to reinstitute the ban on the sale of assault weapons," Holder said. Based on Holder's testimony during his confirmation hearings before the Senate, those other "changes" presumably include prohibiting private transfers of firearms and banning most center-fire rifle ammunition as "armor-piercing."

Holder said that new gun control laws are needed because in Mexico, a country with a history of corruption and disregard for individual rights, there's a shooting war going on between drug gangs and government troops, and some of the gangsters' guns have been illegally purchased in the United States.

Few Americans are going to buy into the idea that the U.S. is responsible for internal problems in any foreign country, particularly one to which we give millions of dollars in aid, and in turn illegal drugs and illegal aliens flow freely into our southwestern states.

Holder tried to sell his scheme by saying that "International drug trafficking organizations pose a sustained, serious threat to the safety and security of our communities," noting that law enforcement officers in this country have arrested more than 750 individuals on related illegal narcotics charges over the last 21 months.

Atta-boy to our law enforcement officers for their good work in making drug gangs bite the dust. But it appears that Holder exaggerated the "threat" that they pose to the U.S. On Thursday, a Drug Enforcement Administration spokesperson told NRA-ILA that there is little incidence of Mexican drug gang members committing violent crimes in this country against Americans who are not involved in illegal activities with the gangs. Some Americans who have colluded with the drug-smugglers have not been so lucky, but for that they have only themselves to blame.

Of course, ignored in the discussion was any mention that straw purchasing a firearm for a Mexican drug runner, and transferring a firearm to someone knowing it will be used to commit a violent or drug-trafficking crime, are currently federal felonies punishable by 10 years in prison.

Holder was still enjoying the high (pardon the pun) that he must have felt from his media moment when Speaker of the House Nancy Pelosi (D-Calif.) reminded him that it isn't the Attorney General who makes laws in the United States. Asked whether Holder had spoken to her before putting himself in front of the national news cameras, Pelosi said "no," adding, "I think we need to enforce the laws we have right now." Shortly thereafter, the office of Senate Majority Leader Harry Reid (D-Nev.) stated flatly that "Senator Reid would oppose an effort [to] reinstate the ban if the Senate were to vote on it in the future."

Speaker Pelosi and Sen. Reid were joined in opposing Holder by members of the bipartisan House of Representatives Second Amendment Task Force. U.S. Rep. and Task Force co-chair Paul Broun (R-Ga.) said "The Attorney General's recent comments about reinstating the 'assault weapons' ban are extremely troubling since a ban clearly violates our Constitutional right to bear arms." Co-chair Dan Boren (D-Okla.) added, "The Second Amendment Task Force is adamantly opposed to reinstating the ban on the sale of assault weapons as it clearly would demonstrate a violation of United States citizens' right to keep and bear arms." Other members of the Task Force include Democrats Jason Altmire (D-Pa.), Travis Childers (D-Miss.), Brad Ellsworth (D-Ind.), Jim Matheson (D-Utah) and Mike McIntyre (D-N.C.), and Republicans Rob Bishop (R-Utah), John Carter (R-Tex.), John Boozman (R-Ark.), Steve King (R-Iowa) and Steve Scalise (R-La.).

Wednesday, March 18, 2009

Today in a letter to Attorney General Eric Holder, 65 Democrats in the U.S. House of Representatives, led by Congressman Mike Ross (D-AR), expressed their opposition to the reinstatement of the failed 1994 ban on semi-automatic firearms and ammunition magazines. These congressmen cited numerous studies that proved the 1994 ban was ineffective, and they strongly urged Attorney General Holder to stop his effort and instead focus on the enforcement of existing gun laws.

NRA would like to thank Congressman Ross for his leadership on this effort. We will continue to work with Members of Congress from both parties on this important issue.

By Kenton "Bud" Smith

Members and Range Officers,

I would like to congratulate the 16 new RSO's who participated in our class March 21st 2009. It took a full day from 8AM until after 6PM to complete the course. We will schedule another class in 3 or 4 months. Thank you all for your interest in helping maintain a safe and enjoyable shooting environment for all members. It is important to add that these men have volunteered to work a minimum of once a month, 12 times a year. Thanks for your commitment.

The association needs another 20 Range Officers this year to cover all shifts. We have an RM void on weekends, so please pitch in and help out. We require a minimum of (2) RO's per shift on the weekends. There are three shifts with summer hours. In the past month we have recruited (4) new club members interested in becoming RO's. If you are interested please call me and we can get your started. Tom Kendall and Lee Allen are both trainers and they will show you the ropes from A to Z... Please contact them to set up a day or two of range training. Their contact numbers are on the Web site and are: Lee Allen - phone 858-442-5136, cleallen.efgarso@san.rr.com. Tom Kendall - phone 760-471-1954, afabeng@aol.com.

Our annual Range Masters Appreciation Day will be Sunday June 21st from 8AM until we finish, usually around 2PM. This event is reserved for all active range officers and new range officers that have committed to a full schedule. Those that have pulled the shifts in the past and have retired from range duty are also welcomed. We will have hawk throwing, black powder shooting, trap, etc. We will also have awards for range officers of the year, shoot chair of the year, etc. Last year we had a small raffle with some great items and we will do it again. Lunch will be provided. This means you still have time to get going and get involved and become a NEW EF&GA Range Officer. December brings the big raffle for two guns and two winners. Last year's winner, Tom Kendall won a tricked out 10-22. The more shifts you work the better chances you have of winning. Every shift you pull will be awarded one raffle ticket. More tickets more chances!

A note to shooters using the handicapped bench on the pistol range. The bench is in the lowered position for youth and handicapped members. If you raise the shooting bench please return it to the lower position when you finish your shoot. Also a note for Tuesday morning shooters using the 100 yard rifle range. Tuesday Trap has increased in size to a point that safety issues require us to close the 100 yards range on Tuesday from 8am to noon. This will be noted in the May schedule. Please use the 150 range during that time frame. We will make adjustments in the future if necessary. Safety, Safety, Safety!!

Let's review 4 basics: **Handle all firearms as if they were loaded. Always keep the firearm pointed in a safe direction. Remember: You should never point a gun at another person or at yourself. Keep you finger out of the guns trigger guard and off the trigger until your have aligned the gun's sights on a safe target and you have made the decision to fire. Always be certain that your target and the surrounding area are safe before firing.**

Range Officer of the month is Nelson Jones. Thanks Nelson.
