PRESIDENT'S MESSAGE

Dear Members

It's that time of the year, when families and friends gather to enjoy the Thanksgiving feast, and share precious times. We sometimes take for granted, how important the family and friends mean to each other, until we don't have them

around. This Thanksgiving give to those who are not as fortunate. This is what America is all about. Enjoy a safe holiday and share with others who are not as fortunate.

It's that time for the "T4T", every Christmas Dave and Dottie collect, purchase and donate toys for the kids of Marines and sailors located at Camp Pendleton. This association has always been kind and supported this function. I encourage each and every one of you to reach in deep and give what you feel to help these families who won't enjoy the pleasure of having mom or dad at Christmas. Send or bring these gifts, or money, to the General Meeting on the second Thursday of November and December or call Dave or Dottie at 760-728-5230.

There will be new frames for the new 150 yard range. When shooting prone, use the prone target only with a single target centered. Most important, ensure the impact is on the new berm. Let's all help each other to ensure the safety and maintenance of our range is maintained at the highest level.

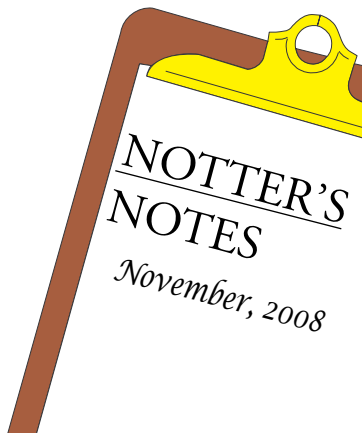

The new pistol Ramada should be completed very shortly and what a beautiful Ramada it is. A reminder, no rifles allowed on the pistol range, except for sanctioned events approved by the Board of Directors.

The elections will be upon us and now is the times for each and every one of you to get out and vote. No matter what your beliefs are, your vote can make the difference in the outcome of our election. Enjoy the freedom we have and vote for the candidate of your choice. Perhaps instead of the word "change", perhaps "restoration" would be better. **Get out and Vote.**

One last note, November 16th will be the annual Turkey Shoot from 8:00am to 5:00 pm. Come out and enjoy a great day shooting trap.

God Bless America

Michael R. Marks

ANNUAL TURKEY SHOOT

Sunday, November 16 from 8AM – 5PM is the Annual Turkey Shoot. This is your chance to have fun, shoot trap and win Thanksgiving dinner. Call Tom Delisle with

any questions.

NOVEMBER 26 TRAP CANCELED

Wednesday night trap for November 26 is canceled due Thanksgiving being the following day. The other Trap events for November remain on the schedule.

OCTOBER DRAWING DONORS

Thanks to: Cal Customs, Auditory Assistants, J. W. Bailey, Warren & Edie Hill, Neil Pisk, Cal. Dept. of Fish & Game, Lou Fowler, Jack Barnhart, L. T. Reynolds, J. D. Rolfes, Frank & Joyce Alessio, Donna Demnianuik, Ed, Migdal, Chris Meinershagen, Rod Shackelford, K. L. & D.J. Notter, and Kim Newall for donating items to the drawing.

ATTENDANCE PRIZES

Lee Allen won the \$25 attendance prize. James Southall would have won the \$100 attendance prize, but he was not present.

HUNTING/FISHING REPORT

On Sept 24, 2008, Major Joe Plenzler and five of his Marines went saltwater fishing on the Mission Belle out of Point Loma on a 3/4 day trip. Everyone caught their limit. They hit bonito and the occasional yellowtail from early in the morning through mid day. Joe pulled in an 18# yellowtail (2nd largest fish caught that day). After noon, the bonito died off and they switched to bottom fishing to get their haul of rockfish, sculpin and tree fish.

Joe Ariosta & son Tony hunted wild boar hunt in Monterrey Co. Joe's pig was about 300lbs, and

Tony's pig was about 260lbs. They had a ball up in Coalinga, Ca. Joe is still high as a kite as this was his first boar hunt.

Kenton "Bud" Smith made his annual Salmon fishing trip to Washington and caught a lot of Salmon.

Robert Jungman took a nice antelope (photo elsewhere) with his grandfather's rifle that hadn't been fired in thirty years.

Mike Lange went to Montana for Antelope and shot a very nice buck.

Jeff Blankenship used a Flintlock to take a 5 point bull elk in Colorado on the Gunnison National forest during the September muzzleloader season. He hunted with his brother and his 77 year old Dad who took a nice 4 point Mule deer buck with a fine off hand shot.

Ask Frank Alessio about his one quail (and yes, he cleaned it).

"TOYS FOR TOTS"

For the last several years, EF&GA has supported this effort to supply Christmas gifts to the families of Sailors & Marines @ Camp Pendleton. Bring a new, unwrapped present to the November member meeting. Cash or check donations will also be accepted.

DO YOU WANT TO QUALIFY TO BUY AN M-1?

Attend the class on December 5 and learn about shooting the CMP on Dec. 7. You will learn how to assume the shooting positions, use the sling, etc. The Association has M-1 rifles that EF&GA members may shoot. Call Kevin Miller @ 760-480-7267 before Nov. 28 to sign up for this 6:30PM class.

TUESDAY MORNING TRAP

Members & non-members may shoot Trap on Tuesday from 8:30AM-11:30AM. This winter this will represent the only opportunity to shoot trap during daylight hours.

R A N G E M A S T E R S O U N D O F F

By Kenton "Bud" Smith

Members and Range Officers,

The Range Master calls out- "**Cease fire, cease fire!**" What should you do? What should you say? How should you react? Here are the commands a member, guest, or Range Officer should use to take control of the situation to insure safety on the range.

- Unload your guns, drop the mag, open the cylinder, and open the bolt.
- All Actions open
- Guns down on the table or bench with the barrel pointed down range
- Everyone move back behind the yellow line- do not handle guns or ammo
- The RSO will check the line, he will announce the line is clear and the range is cold. If a range officer is not on the range the person calling the cease fire will clear the range and declare it cold.

Please remember when a safety issue is observed on the range, **anyone at anytime** can call a cease fire. Let's all be safe and help our fellow members.

I'm pleased to report our Range Safety Officer team is growing. We have a number of members that have heard my pleas for help and have stepped up and volunteered. Dave Tennant, Jay Zimmitt, Mike Tombrinck, Tom Arendell, Dick Cross, Pete Cypher, Gary Farrar, Nelson Jones. These new range safety officers all volunteered to stand a minimum of one shift per month and some will stand several shifts. Welcome and thanks. The Range Training Team should be complete in 30 days. Any Active Range Officers standing regular shifts with an interest to become Training Officers -- please give me a call. The 150 yard range and the new pistol range are open and will require additional weekend range officers. This Association will need two a.m. range officers and two p.m. officers on the weekends to manage all the ranges. Help your Association and volunteer. The Range Safety Officer is the MOST IMPORTANT PERSON on our ranges and deserves the highest degree of respect. We just need more of them.

In every organization there are always a few members who think the rules do not apply to them. It is not for me to understand these folks, but it is the responsibility of our range safety officers to enforce our Association range rules and administrative rules. Last month a member gave the gate combination to his brother. This violation includes grounds for termination from our Association. A number of members still think they can shoot a pistol at less than 50 yards on the rifle range. (Sorry, this is also against the rules and the member may be facing a meeting in front of the Board of Directors.) If anyone persists in breaking the rules after a range officer has explained them, that member must be prepared to hand over his or her Association membership card to the range safety officer. That member will need to come to a Board meeting and explain his or her actions to the Board and appeal to have their membership card returned. If you do not agree with the range rules or administrative rules, please come to a Board meeting and state your case. Rules have been changed in the past and this Board is interested in your comments and recommendations.

EF&GA has one of the finest recreational shooting facilities in San Diego County. I am very proud to be associated with this fine organization.

Range Master of the month is Jim Galvin with 40 shifts this year. Thanks, Jim!

It's all about our attitudes- every member can make a positive contribution.

Thanks for your continued commitment.

Bud- Chief Range Safety Officer
