The Presidents' Corner!

New members

Welcome to all of our new members. Your Board of Directors is wishing the best of luck with your membership in our association and looking forward to many years of serving each other to maintain a safe and fun environment. Please plan ahead and get your six hour volunteer time done as soon as possible.

Scholarship Awards

Four Scholarship awards were presented this year by the Board of Directors. Congratulations to: Samantha Pendzich, Austin Berain, Kayla Everett and Olivia Ferguson. We wish you much success in your educational endeavors.

Events

Many of our members are looking for something new and exciting to do. Have you considered trying a new shooting discipline? EF&GA has a myriad of shooting events going on every month. Take the time to check the Calendar of Events in this newsletter. Who knows, you might find out there are rifle events, shotgun events, pistol events and instructional classes going on that might just peak your interest. When you find it, give the shoot chair a call. He or she would be more than happy to explain the shoot to you.

RSO's

Just a short reminder that the Range Safety Officers are the final word in matters of safety and/ or range protocols. I have had some reports lately of members arguing with the RSO's and it needs to stop. If you believe an RSO was incorrect in his/her assessment, please contact the Chief Range Safety Officer (Tim Geiser) and he will investigate the issue. He will then either resolve the issue, or, if necessary, bring it to my attention. Our RSO's are all volunteers trying their best to represent the rules of the association in a clear and professional manner.

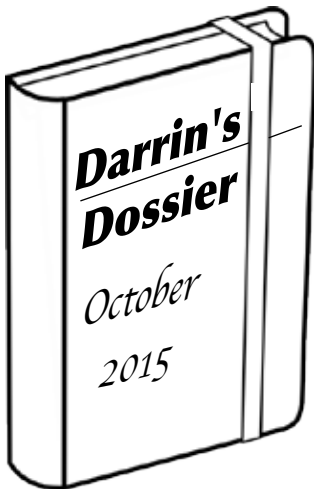

Kudos

Many thanks to Breen Emery, Al Anzelone, Denny Martin and Roger Fannin for the grand job they have been doing maintaining the new landscaping. It looks wonderful.

*****Safety Tip- Summer is just about over. Time to start prepping your firearms for moister weather. Regular cleaning and lubrication keeps your firearms rust free and functioning properly.**

Neil

PLAY SAFE, STAY SAFE

Thank You for Your Participation

On August 22nd we had a work party at the range and everyone who made it worked really hard to make the range beautiful. The most valuable asset that we all have is our time. These people have contributed their time and talents to make this the

nicest range in the County of San Diego. If you know anyone on this list, please take a moment to thank them for their service to the Association. If I misspelled your name, please accept my apologies and print clearly on the green sheet next time.

Reclaimed Shot for Sale

The lead miners have completed the work on the hill at the South side of the Trap Range and we now have plenty of reclaimed shot for sale. We mine the lead not only to recycle the product but also to be good stewards of the land that we use. Contact Dave Burton or any Trapmaster for more information.

Make Time to Attend a General Meeting

Bring a friend to the next General Meeting and one or both of you could win a few bucks. At the last meeting Sharilyn Farrel won the \$25 door prize. Had he attended the meeting, Stuart Smith would have won the \$500 Attendance Prize. The

next General Meeting is 9/10/2015. If you don't show up, you can't win.

Donor List (09/10/2015)

Thanks to all who donated to the raffle table at the last General Meeting – Bud Smith, Cal Custom Guns, Craig Rogers, Wayne Brunner, Frank & Joyce Alessio, Neil Pisk, Ray Bucholz, Gary Crouch, Tim & Francoise Geiser, and Ed Migdal

Review of the Association Bylaws

Every two years the Board of Directors reviews the association's bylaws. Changes may include grammar corrections, changes in verbiage, changes the members may deem important to the association, and changes that the Board of Directors may deem necessary to keep current with policy changes. Changes to our bylaws are not taken lightly. Any changes that make it through committee, and are approved by the Board of Directors are then voted on by the general membership. The current committee is chaired by Norm Porst. All members are encouraged to review the bylaws, which can be found on our website. If you have any suggestions to improve our bylaws please submit them to Norm at nwporst@gmail.com. It would be helpful to reference the existing

Bullseye Pistol – The End of an Era

Before you panic – no, the match has not been eliminated. It has simply had a change of name. It is now called **NRA Precision Pistol**. This change is from the NRA and who are we to argue with them?

NRA Personal Protection in the Home Courses: (10/23/2015)

The class is open to EFGA members and the Public from 8 AM – 5 PM. The morning classroom lessons cover essential topics for overall security and dealing with confrontations in the home. Students (adults over 21 with prior experience and training in the safe use of, and legally able to use handguns) will shoot their own handguns on the range in the afternoon

during challenging live fire exercises focused on defense in the home. Students receive the course handbook (also a certificate upon successful completion). To reserve your spot for either class and for more information, email or call Bill Magdych: cienegabill@gmail.com 858-356-4019 or register online at <http://www.nrainstructors.org/searchcourse.aspx>. Prior registration required; let me know if you are an EFGA member. This class is not planned to be offered again in 2015.

NRA Metallic Cartridge Reloading Class (10/03/2015)

Factory ammunition leaving you wanting... Better accuracy?...More consistent results? Are you looking to reload your own ammo? Would like to be shown how and why to do it the safe and correct way? Here is your opportunity to receive NRA certified reloading instruction in a two session class. The First Part is strictly academic and conducted at the EF&GA meeting hall from 12 – 4 pm. The Second Part will be a “Hands On” reloading bench experience on Elvio’s reloading bench. The second session will be scheduled at the 1st session. EF&GA members = \$85; non-members = \$95. For students without reloading supplies (empty cases, powder, primers, etc.) a \$10 surcharge will be applied. A \$20 deposit is required to secure a place in this class. Registration is limited. Contact Elvio Marchi at elvio1@cox.net or 760-734-3942.

Coaches Course (10/18/2015)

We will be conducting a coaches course on Sunday Oct. 18th, from 7 AM – 5 PM. The course will cover rifle, pistol, and archery. We will be covering the basic fundamentals of marksmanship and showing you, as a coach, what to look for and how to help your shooter. The class is primarily intended to train coaches

RANGEMASTER SOUND OFF

By: Tim Geiser – CRSO • crsoTim@aol.com

For some reason there remains some confusion regarding bringing guests to the range. Since I go over the subject on a regular basis, I can only come to two conclusions; first my column is boring and unreadable, but we all know that cannot possibly be the case. Secondly, many members simply do not read the rules or pay attention.

The rule is that each member may take two guests. If the wife is a card carrying member she and her husband may each take two guests. If the spouse does not have a card and comes along she is considered a part of the guest count. It makes no difference whether the guest is a shooter or an observer. An exemption can be made for another guest by sending an email to our Club Secretary Geoff Orchin with such a request. A copy of his response must be in your possession when you come to the range. Without it your party or the extra guest(s) may be asked to leave the range. Our Secretary has always been quite generous in allowing an extra person, but he maintains our calendar and the Board has designated him to be the gate keeper.

Harry Fagan was nominated as the RSO of the year for 2015. Harry has been a dedicated RSO for many years and has been a major asset for the Club every year. It was a hard choice actually because there are many RSOs who spend a lot of time helping to keep our Club a safe and orderly. I hope each and every RSO who shows up for duty knows that their efforts are noted and appreciated.

Once again keep in mind that the next 1st aid class will be held on October 24th. If your card is expiring or about to, let me know ASAP if you wish to participate in the class.

When coming into the range there are signs that tell you to stop and wait for the gate to close. Please keep in mind that you should use the same procedure when leaving the range. Unless the gate is locked open for a special event open to the public, always follow this procedure.

Last, but not least an RSO may sometimes issue what we call a contact sheet to a member. We are not policemen and this should not be construed as a warning ticket. I cannot be at the range personally at every moment. As much as anything this is a means of letting me and ultimately the BOD know what is going on. Remember what I said about "Rules" earlier? Some work, some do not and the dynamics of running a safe and effective range means that we have to stay on top on things to the greatest extent possible.

for the Junior Marksmanship Program but the knowledge gained can be used while coaching anyone, or just improving your own shooting. We also hope some of you will help out the other programs that use coaches, like Women on Target.

If you want to see a kid's face light up when they understand what you are telling them and they accomplish it, come join us and make that a reality. Who knows? You might even learn something you didn't know or relearn something you had forgotten.

If you would like to attend the class, please contact Ren Everett at everettju1@cox.net. We won't turn anyone away, but we would like to get an accurate head count for ammo and food planning purposes.
