## PRESIDENT'S MESSAGE

Dear EF&GA Members;

I would like to take this opportunity to recognize a member who has rendered countless hours of service to this association with little asked in return. Recently, Ray Bucholz resigned as the Association's Chief Range Master. He has served for the last eight years with dedication and a high level of professionalism. He is well respected by his fellow members as a person who truly cares for the well

being of this range and everything associated with it. He had decided to pass the torch to Board of Director Bud Smith. The Board of Directors has approved this transition effective immediately. Good Luck Ray and thank you for serving so well all these years.

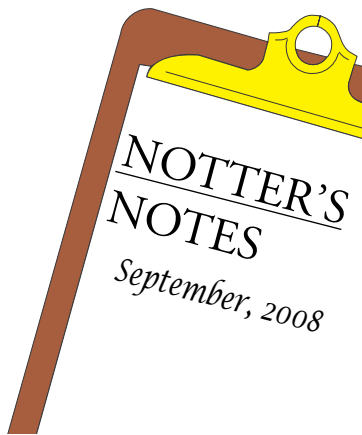

As most all of you are aware, the new longer rifle range is progressing well. We have the new berm and the foundation laid for the shooting positions. The framing will probably be completed by the time you read this letter. There will be 20 shooting positions with target frame positions at the 15, 25, 50, 75, 100, 125 and 150 yards. The target frame positions will be completed as an Eagle Scout Project by Scout Brent Neeley. Brent will need help when he starts doing the "hands on" phase of his project. That is when we, the members, will need to assist his endeavors. This is quite a large undertaking by a Scout. So lets all help in any way possible to assist Mr. Neeley. In addition, another Eagle Scout Project (pending Board of Directors approval) will be the constructing of a "cedar fence" on top of, and along the entire length of, the new berm. Scout Jerry Everett will be completing this fence as his Eagle Scout Project. To effectively assist these two Scouts, we ask that you contact Denny Martin's cell phone (760-685-2886) to coordinate the completing of these two projects. Remember, this is your range! You the members are what make this range and the association one of the best in the state.

This association is known for its quality coaching and the desires to help our fellow members improve their shooting skills. Every third month this association sponsors the Jr. Shoot. These juniors are our future in the shooting sports and hunting skills. We are in dire need of your coaching skills and expertise in assisting these future shooters. I would encourage you, the members, to attend the Junior Shoots and assist in coaching these fine youngsters. Please contact Shoot Chairman Ren Everett at 760-432-2089 and help coach.

Last but not least, Hunting Season is about to begin. Good luck and SAFE hunting. Be sure what you're shooting at and RESPECT your fellow hunters and private property.

God Bless America!!!

Michael R. Marks

### **WEARING A HANDGUN IS NOT ALLOWED**

Carrying a handgun (loaded or un-loaded) in a holster, pocket, your belt, etc. is not allowed during casual shooting. It presents a poor impression to visitors

and the other members do not know whether the gun is loaded or not. EF&GA is a cold range and loaded firearms are only allowed on the firing line.

### **AUGUST RAFFLE DONORS**

Thanks to: Cal Custom, Auditory Assistants, Warren & Edie Hill, James Rolfes, Lynn Reynolds, J. W. Bailey, Kenneth & Dorothy Notter, Rod Shackelford, Walt Nicoll, Chuck Daugherty, Gene Demnianiuk, Kurt Nelson, Kasey Nelson, Ira Bryant, Marshall Goddard, Ed Migdal, Frank & Joyce Alessio, and Lucy Nelson for donating items for the monthly drawing.

### **IT PAYS TO ATTEND THE MONTHLY MEETING**

Robert Ware won the \$25 attendance prize. Shaun Summers was drawn for the \$100 attendance prize, but he was not present.

### **NWTF JAKES EVENT**

The National Wild Turkey Federation will hold their Jakes event on Saturday, Sept. 21 from 7AM – 3PM on the EF&GA range. This program is for the young beginning shooter. Bring that son, daughter, grandson, granddaughter to the range for a great day.

### **IMPROVE YOUR .22 RIFLE SKILLS**

The second Sunday of each month EF&GA hosts a NRA .22 rifle silhouette match. The course of fire is ten animals (steel) at 40, 50, 75, and 100 yards. Call Larry Mora for details @ 760-745-5187.

### **NEW RIFLE RANGE IS COMING ALONG**

The new range is looking good. The next step will be forming and pouring the target frame holders. This is a

Boy Scout Merit Badge effort being undertaken by Brent Neely. Help will be needed when he performs this work. Watch for the announcement on the website, [www.escondidofishandgame.com](http://www.escondidofishandgame.com), and volunteer to assist.

### **NEW PISTOL RAMADA IS NEXT**

Once the new range is in use, the pistol range will be taken out of commission in order to replace the pad and the overhead structure. The existing rifle range will be used for pistols during this construction. Once the pistol range is re-commissioned, the next project is a new storage building to replace the cargo containers and the porta-potties.

### **RANGE MASTERS ARE NEEDED**

The coverage is sparse at times, especially on weekends. If you are interested in becoming a Range Master and providing a service to the Association, call Bud Smith @ 858-922-6489.

### **HUNTING SEASON IS HERE**

Send those reports and pictures of your hunting efforts (successful or not) to [KLNotter@gmail.com](mailto:KLNotter@gmail.com). The editor will publish them as space permits.

By Kenton "Bud" Smith

Members,

As your new Chief Range Master, my first Sound Off would be incomplete without words for my good friend and mentor Ray Bucholz. Ray has been the Chief Range Safety Officer for our association the past 8+ years. He has donated countless hours and has given his time without asking for anything in return. We need more like Ray: unselfish, giving, always helpful and willing to share. When I think about Ray, I am reminded of many things but always RANGE PRIDE. Please do your part in helping keep our range tidy, clean and safe. Ray will now have some time to shoot his Friendship Black powder rifle. He deserves it. Shoot-em straight Ray and keep your powder dry!

I have a clarification for Range Masters and members pertaining to targets depicting images and faces. We have added a line #15 to the Administrative portion of the Range Manual. It reads **"The use of targets that display the image of a political, controversial or public person living or dead is prohibited."** This page will be sent to all Range Masters that attended the Range Master meeting 3-22-08. If you can recognize the face on the target it is prohibited.

The new longer range is approaching completion and with it brings an urgent need for additional Range Masters. We need men and women who are willing to work 60+ hours a year. That is 12 shifts of 5 hours duration. The AM shift is 7AM until noon; PM shift is noon until 5PM. In the summer we need another shift from 5PM until closing. We need volunteers that will sign up in advance and enforce our administrative policies. We need those willing to work. I am in the process of working up a training program for new Range Masters and a review program for active Range Masters. I challenge all active Range Masters to recruit one new Range Master willing to donate their time to help keep our ranges safe. I will ask new Range Masters if they were sponsored and by whom.

We have had numerous reports from members and range masters that non-members are shooting on our range. This usually occurs on the weekends when the gate is open for non member events i.e.: Cowboy, combat, trap, etc. We need Range Masters on the weekend to police our grounds. It isn't the job of shoot chairs to police the entire range.

Those of you who have volunteered your time to serve our members as Range Masters are appreciated. Your position is the highest most respected and most needed position in our organization. You keep the peace, keep the order and make our ranges safe for members and guests. We all must take the time to review our range manuals and brush up on the rules. Here are a few that need to be enforced daily:

1. **Check everyone for club ID and picture ID. Make sure they match the sign in sheet.**
2. **Check all ranges numerous times while on duty. Watch for safety violations.**
3. **Enforce all association rules. (read your Range Manuals)**
4. **Be courteous and polite. You have the final word- PERIOD.**
5. **Members and guests must sign in before unloading and unload only when the range is hot or no one is down range.**

Range Master for the month of July is Tom Kendall - 11 Shifts- 55+ hours. Thanks Tom

Regards,  
**Bud Smith 858-922-6489**
