## PRESIDENT'S VIEWPOINT

Hello Everyone,

I want to start by giving you an update on the Range Expansion Project, particularly for those who are out of the area and those who don't visit the range frequently.

We have installed the entire underground conduit and pulled all the wires. They run from the new switch gear to the old well. From there we split the service to feed the existing panel and the electrical to the new building. From the new building we have pulled all the wiring and water main to the new well.

SDG&E will set the pole on Thursday so we can install the final conduit and wire to the switch gear. After that comes trench inspection and then the electrical switch over for permanent power.

We have the flooring installed in the new bathrooms and should have the bathrooms working by the time the power gets finalized. I see the end of the tunnel, finally, and I know you are all looking forward to it. We will notify the shoot chairs as to when they can vacate the old temporary structures so they can be removed. We will then final grade around the new building.

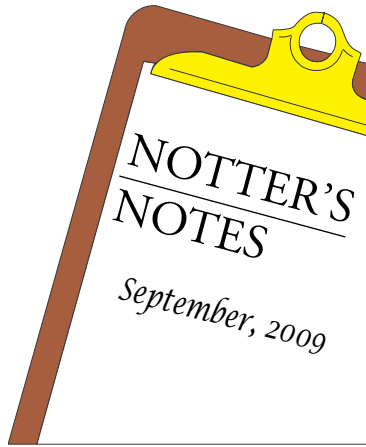

We have two boys scout Eagle projects in the works. One is to put a cedar fence around the well equipment, and the other is to install Owl boxes in the Oak trees near the stream to help us combat the rodents. We have acquired authorization from the city for these projects. Both these projects together will cost the Association less than a hundred dollars.

We purchased a golf cart for the range masters. This is a much more economical way for them to travel to different ranges. The Gator can now be used for work only and shoot setups. I provided this golf cart to the Association for my cost which was roughly \$1,000.00.

Finally, I want to urge those who are able to do so to please volunteer your services as a Range Master. We are very short on people doing this but those few are doing an outstanding job. Please help us out with this. Contact Bud Smith, Tom Kendall, or Lee Allen and give the Association your support.

Thanks and God Bless,

Denny

### **PUSH # FIRST**

When opening the gate to enter the range, push # before you enter the code.

### **COWBOY PRACTICE IS MOVING**

Cowboy Action shooting practice will be held on the first and third Tuesday from 11AM

– 3PM. This will be September 1st and 15th. Call J. W. Bailey with questions @ 619-972-5828. Have you wanted to try Cowboy Action? This is the venue to determine whether shooting the old guns is for you.

### **NEW RAFFLE CHAIR**

Tim Geiser and his wife, Francoise, have agreed to assume the responsibility for the monthly raffle. They are replacing the Ransbergers who are taking a well deserved rest.

### **AUGUST DRAWING DONORS**

Thank you; Auditory Assistants, K. L. Notter, J. W. Bailey, Jay Zimmert, Warren & Edie Hill, Lonnie Fowler, Jack Barnhart, Kevin W. Frazier, Chuck Daugherty, Dick Ziemer, Jim Rolfes, Len Hodges, Gene Demnianiuk, Bud Smith, & Al Anzelone for donating to the August table.

### **YOU CAN WIN AT THE MONTHLY MEETING**

Kevin Miller won the monthly twenty-five dollar attendance prize. Douglas Fowler's name was drawn for the monthly One hundred dollar attendance prize, but he was not present.

### **RSO CLASS SEPTEMBER 6**

RSO Class is Sun, September 6th from 9AM – 5PM in the EF&GA meeting hall. Reserve your spot, email Bud Smith @ buckshotbud@cox.net to register for the class. Cost has been reduced to \$50.00 for those willing to volunteer for active Range duty.

### **NATIONAL MATCH COURSE CLASS**

#### **OCTOBER 2**

This class is essential if you wish to shoot the NMC. You will learn the course of fire, how to get into the firing positions, use the sling and more. Shooting the NMC will allow you to purchase an M-1 Garand & other rifles from the CMP. Call Kevin Miller @ 760-480-7267 to register for the class. Pre-registration is mandatory.

### **ENTER THE CHRISTMAS DRAWING**

Every time that you attend a monthly meeting, you may enter the Christmas drawing for gift certificates to gun stores and big box stores.

### **IMPROVE YOUR RIFLE SKILLS FOR HUNTING SEASON**

EF&GA offers several rifle venues on Saturday/Sunday that will improve your skills. The Association offers both center fire and rim fire matches. Call the respective Match Directors with your questions, they will be glad to answer same.

### **VOLUNTEER TO BE A RANGE MASTER**

There are voids in Range Master coverage, especially on the weekends. The Match Directors are too busy running their matches to scrutinize the other ranges. If a match is held on the 150 yard range, the 100 yard range and the pistol range is open for casual shooting and deserves a Range Master.

### **MAKE SURE THE GATE CLOSES**

Make sure the gate closes when entering and leaving the range!

## ***DEADLINES***

*Items For the September Bulletin Due Sunday Sept. 20th!*

**Any and all requests for items to appear in the monthly bulletin should be routed through Kenneth Notter.**

# NEWS FROM THE NRA

## **Clearing Up the Rumors: The Truth About The "Gun Tax Bill"**

**Friday, August 14, 2009**

Over the past few months, NRA-ILA has received hundreds of e-mails warning us about "SB-2099," a bill that would supposedly require you to report all your guns on your income tax return every April 15.

Like many rumors, there's just a grain of truth to this one. Someone's recycling an old alert, which wasn't even very accurate when it was new.

There actually was a U.S. Senate bill with that number that would have taxed handguns -- nine years ago. It was introduced by anti-gun Sen. Jack Reed (D-R.I.), and it would have included handguns under the National Firearms Act's tax and registration scheme. This has nothing to do with anyone's Form 1040, of course.

Fortunately, S. 2099 disappeared without any action by the Senate, back when Bill Clinton was still in the White House. We reported about it back then, just as we report about new anti-gun bills every week. Now, it's time for gun owners to drop this old distraction and focus on the real threats at hand.

## **Poll Shows Americans Support Right-to-Carry**

**Friday, August 07, 2009**

The United States Senate recently voted on an amendment that would have allowed Right-to-Carry permit holders to carry in all other states that also grant carry permits. The amendment, sponsored by Sens. John Thune (R-S.D.) and David Vitter (R-La.), won a significant majority of votes, 58 to 39, but failed to reach the 60 votes needed to avoid a Senate filibuster.

Anti-gun senators have long argued that the majority of Americans do not support firearm freedoms. They made this erroneous claim once again during the debate on the Thune/Vitter amendment. Now, a new poll has proven them wrong.

Conducted by Zogby International and The O'Leary Report, the poll looked at Americans' opinions on some key issues related to the Second Amendment. One of the questions asked: "Currently, 39 states have laws that allow residents to carry firearms to protect themselves, only if they pass a background check and pay a fee to cover administrative costs. Most of those states also require applicants to have firearms safety training. Do you support or oppose this law?"

It will come as a shock to the 39 senators who voted to deny law-abiding Americans their right to self-defense when traveling outside their home states, but the results showed that 83% of Americans support Right-to-Carry laws. The poll also

revealed that support for Right-to-Carry crosses party lines, with 86% of independent voters and 80% of Democratic voters supporting Right-to-Carry. This is no surprise to gun owners, however, who have long known that the majority of Americans support the Second Amendment and the right to self-defense.

The anti-gun community is trumpeting its 39-vote procedural "victory" as a major achievement. But just like the vote in the Senate, the overwhelming majority of Americans are on our side.

## **Bloomberg Wants to "Counter" the NRA**

**Friday, August 14, 2009**

It is old news to gun owners that New York Mayor Michael Bloomberg is not a friend. As one of the leading proponents of new gun laws, Bloomberg has already earned his place in the Second Amendment rights hall of shame. But apparently, Hizzoner does not believe he is doing enough to destroy our rights.

On an appearance on "Meet the Press," Bloomberg announced that he would raise money to counter the influence of the NRA. Bloomberg was on the show to trumpet the 39 votes he was able to muster to squeak out a narrow defeat of national Right-to-Carry reciprocity. (To read more about the Thune/Vitter amendment, click here.) He took the opportunity to lament that the NRA has so much influence -- and took upon himself the role of countering that influence.

Of course, as anti-gunners regularly do, Bloomberg ignores the fact that the NRA only has clout because we represent the beliefs of tens of millions of Americans who oppose the anti-gun agenda. Recent polling has repeatedly shown that the majority of Americans support the individual Right to Keep and Bear Arms.

And though it must be very frustrating to mayor Bloomberg, that support is growing. A recent poll by Zogby International revealed that 83% of Americans support Right-to-Carry laws. Bloomberg will no doubt continue to trumpet the 39-vote procedural "victory," but the reality is, the American people are on the side of Second Amendment freedoms.

Perhaps part of the problem is the inherent dishonesty of Bloomberg's position. He claims to be opposed to "Illegal" guns, but his latest effort targeted the rights of law-abiding people who already carry a gun legally. To Bloomberg, any gun he does not like is an "illegal" gun.

Mayor Bloomberg and his group "Mayors Against Illegal Guns" represent a serious threat because of the attention the media will give them and the resources a billionaire like Bloomberg has at his disposal. That's the money he is once again promising to use to fight against our Second Amendment rights.

By Kenton "Bud" Smith

Members and Range Officers,

I'm pleased to announce in August we had a number of interested members inquire and sign up for training as active NEW Range Officers. They all committed to a minimum of one shift per month. All will have completed training by mid September and are attending the RSO class scheduled on September 6th. To date this year our new Range Officers are: Alan Anzelone, Al Ardale (fishy Al), Kent Blumenshine, Karie Dunks, Breen Emery, Bill Williams, Damain Torres, David Troyer, John Taliaferro, Edwin Feliu, Norm Porst, Mike Collins, Ray Cline, Dick Cross and Pete Cypher. The membership, the Board of Directors and all the Range Officers appreciate your dedication to our association. If I missed your name please give me a call.

During my monthly rounds I have numerous conversations with members and range officers. We discuss new ideas for improving the range based on personal observations. Here are two: Cigarette butts all over the range, especially on the 150 range!! Well, the association spent substantial \$\$\$ to purchase butt receptacles and placed them on all the ranges. If you smoke, please be respectful and place your cigarette and cigar butts in the receptacles. I would be remiss if I didn't mention that you should also respect the other shooters on the line and refrain from smoking on the firing line. The trap ramada has become a popular place to leave trash and unwanted items. This room gets a lot of action and the members using it need to take some ownership in keeping it clean. Help us out and take a broom and sweep up the dirt and clean the windows. A Range Officers spent several hours cleaning it last month. That's not his job. Remember these are observations from members!

I would like to give a round of thanks to the membership. In the past two years this association has tightened up and asked all our members to respect and obey all the range and administration rules. Our Range Officers have done a fantastic job keeping our members informed on all the rules. Because of this action we have a safer range today than we have had in the past. I can tell you I have received many favorable comments giving accolades to our range officers and naming individuals. Keep it up members; you are helping to maintain a Safe Environment for all our members and guests. Thanks.

More good news. We held a meeting with all the trainers in August and we discussed plans to implement additional training sessions for new Range Officers. Lee Allen is doing a study on our range voids, (days and times when we are without range officers). Next month we will have enough information compiled to help direct our range officers to fill the voids. Any members with the desire to be Range Officers please call me, Lee Allen or Tom Kendall. We will see to it you are trained, suited up with a Red Shirt, hat, name badge and Range Officer Manual.

In addition, we have written a new member walk thru outline. All new members will be given a copy of the outline. New member walk-through orientations will be conducted by RSO and Chief RSO Trainers.

As you know we had a fire on the range in July. Where are the shovels?? We have shovels available on the outside wall of the trap ramada. The combination to the lock is the gate code.

Range Master of the month is Al Ardale. Al, thanks for cleaning up the trap ramada to include the eviction of 5 mice and their nests. They will be back!
