HAVE YOU TRIED OUR ORGANIZED SHOOTS?

They are fun and will improve your shooting skills. Shoot Trap and Five Stand and watch your hits on birds in the field improve. Shoot any of the rifle events and you will be amazed at how your ability to hit a deer, elk, or wild boar will improve. Not sure that you have the correct firearm for any specific match? All of the Match Directors will be happy to answer your questions about equipment required, course of fire, etc. Oft times a firearm you already own will suffice to participate and determine if that type of shooting is for you. Fire the National Match Course and qualify to buy firearms from the Civilian Marksmanship Program. The Association owns M-1 Garands which you may use to shoot this match. You are always welcome at any match as a spectator. The shooters and Match Director will answer your questions as they have time. The Cowboy Shooters have practice sessions, a great place to start if you have an interest in shooting pre-1890 guns or replicas. Remember, most scheduled events are open to the public you can bring a buddy. Shoot one of these events, you will be glad you did.

THANKS FOR SUPPORTING THE JUNIOR SHOOTERS

Thanks to John Harelson and Torrey Pines Bank, Carlsbad branch, for their contribution of \$500.00 to the Junior Marksmanship Sponsor Program

A CALL FOR SUPPORT FOR OUR JUNIOR PROGRAM

Our junior marksmanship program has achieved popularity and success beyond expectations. EFG&A provides logistic support in the form of range facilities, firearms, ammunition, targets, spotting scopes, cooking, etc. along with several thousand man-hours of competent and dedicated coaches and assistants, all at no cost to the participants. Of course the bad news is that this success has driven the cost to over \$7,000 annually. We need your help to perpetuate and enhance this program; any and all contributions will be appreciated. Donors of \$500 or more will have their names prominently displayed on the sponsorship banner hanging in the EF&GA Meeting Hall. Send your check to EF&GA with the notation in the lower left of the check

RELOADING CLASS OCTOBER 6th, 2012

Want to reload your own but don't know where to turn? Here's an opportunity to receive NRA certified reloading instruction in a two sessions. The first part would be conducted at the EF&GA meeting hall. This portion is strictly theory, academic and conversational in structure. It will take place at 08:00 on October 6th, 2012 and will last until approximately Noon. The second part, which must be completed for certification, will be conducted at a separate location with "hands on" experience at a reloading bench. Individual appointments will be made at the meeting hall for the second portion. The cost is two tiered: \$65 for those with their own supplies. (cases, powder, primers, bullets.) \$75 for those individuals that are beginning without any supplies or equipment. In either tier presses and dies are available for use unless you want to use your own. (Inquire as to which calibers are available). A \$10 deposit will be required to secure a place in the class. These classes fill quickly so please contact me as soon as possible. If you have any questions and/or want more information contact me at elvio1@cox.net or 760-734-3942

NOW A FEE FOR JUNIOR RIFLE

Starting with the September match, it is necessary to institute a \$2 charge for all participants. This is due to the cost of running the event. There is no charge for Junior Trap or Pistol at this time.

LEFT THE RANGE

Bob "Ponytail" Schoenfield (Life Member) passed away Tuesday, August 14 after a long battle with cancer. Bob joined EF&GA on Sept 14, 2006. Bob shot Trap and was the Trap Master for a time.

Warren Hill, a long-time gun enthusiast, participated in various shooting protocols and was a Life Member of EF&GA, passed away on August 17th of advanced prostate cancer. Warren became a member on June 13, 1996. He served regularly as a Range Master, loved the range and spent many hours on various work projects, particularly keeping the ranges mowed and clean. Because of his efforts, the range was spared serious damage when the big fires swept through the area in 2003. He is survived by his wife, Edie, a daughter, Debbie, and a son, Dennis.

RANGEMASTER SOUND OFF

By: Thomas Kendall – CRSO • www.efgarso.org

At past Board of Directors' Meetings, several changes have been made to the range rules. These changes are listed below.

As decided 02 August 2012 Board of Directors' Meeting, the following new rules now apply:

1. A Junior shooter (**member 8 through 17 years of age**) must be under the direct supervision of a parent, legal guardian or adult with a signed permission slip from the parent or legal guardian. The supervising adult, unless an active member in good standing of the Escondido Fish and Game Association, **is prohibited from shooting**, except for instructional purposes.

2. Any person under the age of 12 is limited to **.22 caliber only** while shooting on the pistol range.

[Highlighting at authors discretion]

More regarding Junior and Youth members from previous Board of Director Meeting rule changes as published in the August 2012 "Sound-Off"

Juniors Members, those shooters 8 through 17, must be accompanied by a parent or legal guardian or an adult with a signed permission slip from their parent or legal guardian. Junior members may not use a rifle, shotgun, handgun or archery without direct supervision of a parent or legal guardian or an adult with a signed permission slip from their parent or legal guardian. Junior members may not bring guests, except for their parent(s) or legal guardian(s) or an adult with a signed permission slip from their parent or legal guardian.

Youth Members, 18 to 21, may **not** be in possession of a hand gun unless accompanied by a parent or legal guardian or an adult with a signed permission slip (EF&GA rule). Youth members may shoot rifle, shotgun and archery without a parent or legal guardian. Youth members may bring two guests to the range with the same provisions as above.

My "What the?" for the month. One of the things I/we stress is 'to be aware of your surroundings while at the range' and it is a good idea to practice this elsewhere.

We have had two really scary situations happen recently. 1) We had a shooter practicing prone at the 150 yard range on lane one. Two women crawled over the chain fence at the emergency access (cut-out) in the berm dividing the two rifle ranges. Our shooter was reading a shot when he noticed something strange in his scope. You guessed it: the two women walking onto the range. This really scared our shooter. 2) Just recently, two male members were walking along the backstop the runs from the pistol range through the 100 yard range. The 100 yard range was HOT and shooting was taking place. This really made the day for those on the range.

I was going to have my usual 'Range Safety Tip Of The Month' in this space, but I think my 'What the ...? For the month' covers it quite well. Remember, you are responsible for your safety and the safety of those around you.

So, heads up folks and stay safe out there.
