Kurt & To the Point

Greetings All,

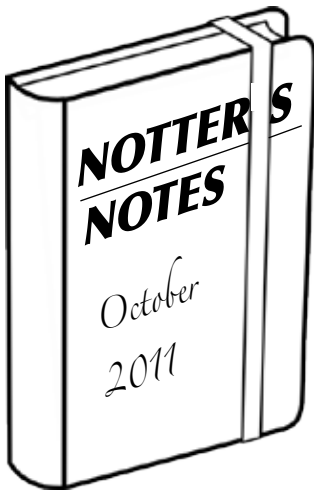

As I write this, Range Master Appreciation Day has wrapped up. It was a great day. It was a chance for our Range Masters to take the day off and whoop it up. It was a chance for EF&GA to thank these people for the job that they do. It's not all about that spiffy red shirt and hat. These men and women are charged with keeping us safe, and enforcing the rules. They see the good the bad and the ugly, and must deal with it all. They sweep ranges, repair target frames, clean up messes, make repairs, perform some maintenance, ... and by the way, none of that is actually in their job description. These Range Masters go above and beyond in their mission to serve. Folks, shake their hand and thank them for giving their time to come out and serve us. Please be gracious if they approach you because you've strayed from the rules, or have momentarily lost your vigilance for safety. For those of you who are not Range Masters, but would like to serve those around you, contact our Chief Range Master, Mr. Thomas Kendall, and volunteer.

There is more volunteer work going on our range. Ray Bucholz, Ira Bryant, Roger Fanin, Dan Orsburn, and John Matson have decided that weeds are no longer good enough for the picnic area just east of the stage. These men have tilled, weeded, graded, and seeded the area with grass. First roses, now grass. Good on you Sirs! Thanks to you for caring about our appearance.

Our General Meeting in September was cancelled because of the Great Southern California Power Outage of '11. The Board of Directors decided to hold the General Meeting one week later. We relied on posting on the website, emails, phone calls, flyers, and word of mouth. The turn out was great. 50+ signed the green sign in sheet. A great time was had by all, except Steve Willer who didn't win a thing in the raffle. Steve can take a joke well, and never quit smiling. If you have never attended a General Meeting, it's held on the second Thursday of the month at 7:15 PM. Come see what you're missing.

Kurt Nelson

MOM'S CREEK KNIFE RAFFLE

Ray Bucholz is holding a Commemorative Anniversary raffle to benefit the range beautification and preservation efforts. He has a nice display of knives for the lucky winners. Suggested donation is \$5/ticket, \$10 for three, & \$20 for seven. Contact Ray for

tickets. You most likely can find him tending the roses.

CHOSIN FEW HERE OCTOBER 11

13 Oct 2011, EF & GA will be hosting the North County chapter of the Chosin Few, an organization of survivors of the Chosin Reservoir battle. They will arrive at the EF & GA site at approximately 2:00 p.m. They will be escorted around the site by volunteer members. At 5:00 p.m. they will be taken to the Lake Wohlford Cafe for dinner. After dinner they will be brought back to the range where they will be introduced and they will lead the Pledge of Allegiance to our flag. After that, their stay will be finished. If you would like to help with this effort, call Doug Mitchell @ 760.630.0468.

LEFT THE RANGE

Larry Jeffrey (Ten Nails) passed (unexpectedly) August 25. Larry joined EF&GA in August of 2004. He was a Cowboy Action Shooter and chair of the Friday practice. He is survived by wife (Jody), four children, grand children and great grandchildren.

BY-LAWS COMMITTEE ASKING FOR YOUR INPUT

The By-laws committee that consists of Kenneth Notter, Frank Alessio and Jay Zimmitt are asking for your assistance. They are in the process of reviewing and suggesting changes to our existing club By-laws. The

Board of Directors and the General membership will review these changes and vote where appropriate. What can you do to help? They would like to hear your suggestions and ideas on how we can make the By-laws stronger. The single most important criteria are that a change or new by-law should benefit the club and the majority of the membership. Please send your suggestions to Jay Zimmitt (coltsixshooter@gmail.com).

VOLUNTEERS NEEDED

Junior rifle and pistol could use additional coaches. If you would like to assist our youth, call Ren Everett or Craig Rogers.

SEPTEMBER 15 DONORS

Thanks for donating to the Sept table: Bud Smith, Brad Gagnon, Jack Bryson, Lake Wohlford Café, K. L. Notter, Alan Chmielski, Neil Pisk, Ed Migdal, & Joyce Alessio.

YOU CAN WIN AT THE MEETING

Donna Demnianiuk won the \$25 attendance prize. She donated it to the Wounded Warrior Project. Rank V. Christensen was drawn for the \$100 prize, but, alas, he was not present.

DEADLINES

Items For the November Bulletin Due

Thursday, October 20th

Any and all requests for items to appear in the monthly bulletin should be routed through

JUNIOR TRAP

**Junior Trap - Second Saturday of every month, 6 pm to 8 pm
(Open to the Public)**

This is an instructional event for junior shooters from the ages of 10 thru 18. Shooters are given trap instruction by NRA Certified Shotgun Instructors. This is open to the junior who has never fired a shotgun to the experienced shooters who want to fine tune their skills.

Cost: Member: \$ none Guest: \$ none

Minimum Equipment Required: Shooters are asked to bring either 12 gauge or 20 gauge shotgun ammo depending on which size gun they would like to shoot.

Equipment Furnished or Available for Use: Shotguns, Clay Targets, Eye & Ear Protection

Instruction Offered: Yes

Competition Level: N/A

Shoot Chair: Bob Griffith 760-839-5366, email: bob@rapiddsn.com

COMBAT SHOOT

(aka Steel Match)

**First Saturday of Every Month, Set up 7:00 am
(Open to the Public)**

Action handgun event, all steel targets, 4 stages, 18 rounds per stage, revolver neutral, 2 reloads per stage. Timed speed and accuracy match. Approximately 4 hours.

Cost: Member: \$5.00 per gun Guest: \$10 per gun

Minimum Equipment Required: Handgun – semi auto or revolver, holster, minimum 3 magazines and 2 magazine pouches, or minimum 3 speed loaders plus 2 speed loader holders, minimum 72 rounds per gun, eye and ear protection.

Instruction Offered: Yes

Competition Level: Self-competition – very friendly, low competitive attitudes, user friendly.

Shoot Chair: Bill Laird, 760-480-2789, rush_jr@prodigy.net

RANGEMASTER SOUND OFF

By: Thomas Kendall – CRSO • www.efgarso.org

Well, summer is drawing to a close and fall is beginning to appear. The fire danger is becoming extreme and we all need to be aware of the dangers. On that note, please do not shoot ammunition with steel core bullets and steel shot: They are banned at our range, except for a few rifle shoots. The steel core in the bullet can create a spark when hitting a rock which could start a fire. If a fire should start in our area, please call 9-1-1 and stand by to open the gate when fire services arrive.

On Sunday, August 21, we had a range clean up day (due to publishing deadlines, some information is a bit late). Again this time we raked the trap fields and backstop from the pistol range to the end of the 100 yard range. A little other clean up was done as well. This time around there were 25 members out there working in the hot sun. A hot dog, chili, coleslaw, chips and cookies lunch was provided. There were over 10 RSO's out in the field again this time around. We have 1500 members in general, "where were you?" We could use some new help for the next clean-up day.

From the San Diego Union-Tribune, Wednesday, September 14, 2011 "A guard on duty near a perimeter fence at the state prison (Otay Mesa) was wounded in the head about 8:30 a.m. Tuesday by what appeared to be a ricochet round from the nearby shooting range, authorities said...the officer was treated and released in good condition..." The RSO's and some members constantly talk about and remind other members about ricochet and skipping bullets, especially at the pistol range. Please note where your rounds (bullets) go down range. At the pistol range, maybe aim off to the side of the target frame once to see where your bullets really go.

On Sunday, 18 September, EF&GA hosted its annual Range Master Appreciation Day, RMAD. Again this year, the event was open to Active Duty Range Safety Officers'. We honored several individuals this year again. The committee had a really difficult task of naming our Range Safety Officer/Range Master and Chief Range Safety Officer/Range Master for 2010-2011. There were and still are several individuals that stood out for their work at the range. Unfortunately, we could only name one in each category. Steve Willer is our Range Safety Officer/Range Master of the Year and Jay Zimmett is our Chief Range Safety Officer/Range Master. Lee Allen was awarded the "Above and Beyond" for 2010-2011 for his work in helping our RSO's get started using our interactive calendar that is used for scheduling shifts at the range.

Beginning Tuesday, 16 August (a late entry), we offered First Aid/ CPR training for our Active Duty Range Safety Officers'. Approximately 25 Active Range Safety officers' and Chief Range Safety officers' attended the course. Marshall Goddard instructed the certification classes. Marshall is a certified instructor and has been training folks for a long time. Marshall tailored the course to our needs at the range.

My "What the?" for the month. Remember to check the area around where you were shooting and where you placed firearms and equipment. Recently, there have been range bags, ammunition, clothing and firearms left at the range. We do not have a storage facility to house this "stuff" waiting for someone to contact us looking for their stuff. Hopefully, if something is left behind, it finds its way into the hands of one of our RSO's and safely handled.

Range Safety Tip Of The Month. Always keep your finger off the trigger until ready to shoot. When holding a gun, rest your trigger finger outside the trigger guard alongside the gun. Until you are actually ready to fire, do not touch the trigger. Basically keep your finger outside the trigger guard until the firearm is presented to the target. This is especially important at the pistol range. If you are pointing the hand gun up getting ready to shoot, then bringing it down to address the target, keep your finger outside the trigger guard until actually ready to shoot. Check out holes in the pistol ramada and baffle to see what I am writing about. Last count, over 50 holes in the ceiling and baffle.
